What does the word "most" mean? - English Language & Usage ... Oct 24, 2016 · Most is defined by the attributes you apply to it. "Most of your time" would imply more than half, "the most time" implies more than the rest in your stated set. Your time implies your total time, where the most time implies more than the rest. I ... **"Mostest" vs. "most" - English Language & Usage Stack Exchange** Most is already in superlative form, so adding -est is redundant and ungrammatical. It was popularized, however, in the saying (intentionally ungrammatical, to convey a sense of crude common sense): "getting thar fustest with the mostest". **meaning - Is "most" equivalent to "a majority of"? - English ...** Here "most" means "a plurality". Most dentists recommend Colgate toothpaste. Here it is ambiguous about whether there is a bare majority or a comfortable majority. From the 2nd Language Log link: I searched on Google for the pattern "most * percent", and picked out of the first 150 hits all the examples like these: "Most of which" or "most of whom" or "most of who"? Apr 1, 2022 · Since "most of ____" is a prepositional phrase, the correct usage would be "most of whom." The phrase "most of who" should probably never be used. Another way to think about the difference between the subjective/objective pronouns is to revise the sentence to include a personal pronoun and see which form (he/him or she/her or they/them) fit. **grammar - Is it correct to use "most" + "-est" together? - English ...** Welcome to the most wildest show on earth. Someone pointed out the most wildest and I was wondering if it was OK to use most with a word that ends in -est together. *What letter pairs are the most frequent in English written text?* Sep 17, 2020 · Just as there is a common frequency of single letter occurrences which is very easy to find, is there a list of the most common letter pairs in English? I know most vs. the most has been explained a lot, but my doubts pertain specifically to which one to use at the end of a sentence. Do... **superlative degree - How/when does one use "a most"? - English ...** I've recently come across a novel called A most wanted man, after which being curious I found a TV episode called A most unusual camera.
