Lest We Lose Love Scherto Gill, 2023-04-18 Few are aware that since antiquity, there has always been the philosophy of love at the core of Western culture. It articulates what makes life meaningful and worthwhile, and how we can live a good life together through an ethic of love. This book fills this significant gap, not only reconnecting the reader with such important wisdom, and more crucially, also reorienting our socio-economic institutions and collective actions towards more loving and caring, and more concerned with the qualities of our lived experiences. By re(dis)covering the gifts of love, we may challenge the existing systemic dehumanisation, and draw from knowledge and understanding already present in our culture. This is timely because the global crises we are facing are catastrophic, especially when it comes to climate change. Therefore we

must respond from a place of love rather than fear. Whether it is reducing the use of fossil fuels, lowering greenhouse emission, choosing the right food to eat, or advocating for structural transformation, our concerted endeavours start with an appropriate appreciation of the nature of our well-being which includes the planet's well-ness. This book highlights a clear pathway forward: to ensure collective healing and co-flourishing with nature, we must practise the art of loving.

Soar Into Joy: A Combat Pilot's Wisdom for Falling in Love with Your Life Loree "Rowdy" Draude,2023-09-29 In *Soar Into Joy*, Loree "Rowdy" Draude offers an introspective look into her life, highlighting both her triumphs and setbacks as a Silicon Valley executive, a startup founder, a parent and as one of the first women to fly combat jets in the U.S. Navy. Loree

writes about contending with society's entrenched fears. She emphasizes the interconnectedness of society and how we all depend on one another. Despite her daunting achievements, like landing jets on moving aircraft carriers, her most significant fears stemmed from feelings of inadequacy. *Soar Into Joy* originates from a letter Loree penned to her child during a particularly trying time, detailing her many failures, ranging from minor embarrassments like failing in school sports to more significant setbacks in her career and personal life. These challenges are used as a framework to discuss resilience and overcoming adversity. The primary focus of the book is the SOAR acronym, representing the four themes she believes are crucial for personal growth: Self-Awareness, Openness, Appreciation, and Responsibility. In essence, the book underscores the idea that everyone has the potential to soar despite the inevitable challenges life presents. Through Loree's unique experiences and the SOAR framework, readers are encouraged to engage their fears, embrace self-awareness, and pursue a fulfilling life.

Being Love Sister Shivani, Suresh Oberoi, 2019 We can each radiate unconditional love. We don't even need to create it – we are love. But the flow of love is blocked in moments of hurt, blame, anger, criticism, competition or insecurity. These emotions have dominated our emotional space, and hardly enable us to feel our own love. So today, we rely on someone else to love us. This book teaches us to think right, enable self-love, feel it and extend it to other people. The central message here is that love is not 'out there', but within us. A spectrum of emotions like attachment, expectations, hurt, worry, stress, fear or anger, which we use in the pretext of love, are analysed. The conversations also explore the fact that the parent-child relationship is not challenging – It does not need to be. As you free yourself from judgments and expectations, as you start thinking right for people, and as you accept people for who they are, you become a Radiator of unconditional love. You are one decision away from vibrating at a frequency of love ... by not needing love or giving love – but just by being love.

Love, Friendship, and Expediency in Cicero's Letters Gabriel Evangelou, 2022-03-18 By attacking Epicurean philosophy repeatedly in his public writings, Cicero established himself as one of Epicurus' most fervent critics. The remarks that he makes about Epicureanism in his letters further suggest a genuine conviction that such a philosophy had no place in Roman society. This consistency in Cicero's statements has led most scholars to assume that Cicero could not have embraced any of the principles of the Epicurean school. This book challenges the conventional view of Cicero as someone who completely rejected Epicurean philosophy—even in his private life—because of its utilitarian character. It argues that his relationship with Pompey, Caesar, Atticus, Quintus, Terentia, and Tullia encompassed several aspects of Aristotle's account of *φιλία* (love and friendship) but was, nonetheless, ultimately based on expediency, in accord with Epicurus' conception of *φιλία*. While Cicero's statements in his public speeches and his letters to men with an active public life have been scrutinised for his lack of candour or for his tendency to exaggerate his achievements, the claims found in his letters to Atticus and to his family have not been treated with equal caution, as they tend to be taken at face value. The book highlights the large number of

discrepancies in his remarks and argues that, despite his anti-Epicurean statements, personal benefit played a vital role in all of his relationships.

Daddy, Is That Story True, or Were You Just Preaching? Rev. James W. Moore, 2012-05-01 Popular author James W. Moore recalls how several years ago, while delivering the sermon at his church one Sunday morning, he had told a moving story about a boy and his dog. The author's then-five-year-old son, Jeff, was fascinated by the story, but feeling a bit uncertain about some of the details of it, during the family's car ride home from church, Jeff asked his father, "Daddy, is that story true, or were you just preaching?" Highly amused by Jeff's question, Jim Moore went on to explain to his young son that there are two kinds of stories: TRUE stories, stories that happened factually in history; and TRUTH stories, stories like Jesus' parables, which are shared to underscore a dramatic truth in life. The several short chapters and stories in this book are designed to highlight such life-truths, with chapter titles such as "Go out Singing," "Roadblocks," "Should I Forgive?" "One Step at a Time," "Who's in Control Here?" "What Can One Person Do?" "Tell Me, Please, How to Be Happy," "Why not You?" "Keep on Keeping On," "Jesus: The Message and the Messenger," "The Importance of Uniqueness," and others. This book contains a discussion guide.

Father, I Love You Joyce E Chapman, Terry Rulh, Jennifer Wendell, 2009-12 Father I Love You. ...Consider the lilies of the field, how they grow; they toil not, neither do they spin: And yet I say unto you, That even Solomon in all his glory was not arrayed like one of these. --Matthew 6:26-29 In Matthew 6:26-29, Christ looks beyond the obviousness of the lilies. He doesn't mention how beautiful they are or what color they are. In fact, He doesn't mention anything obvious about them. Instead, Christ goes to the heart and deeper attributes of the flowers. He considers their place in all of Creation. The letters in this book are written to and about our Heavenly Father and His Creation. They describe times of praise, petition, and inspiration. Each is written to be shared with the Giver of all things good and may serve as a daily devotional or a brief inspiration to those who only have a few moments to meditate on His Word. It is the prayer of the author that these pages will inspire others to do as Christ commands and to look beyond the obvious by providing examples of a different way to look at what is observed on a daily basis. The author encourages the reader to convert what is merely observed into what God, as shared in His Word, inspires us to feel and apply to our lives for inspirational and spiritual growth. Let the words of my mouth, and the meditations of my heart, be acceptable in thy sight, O Lord, my strength and my redeemer. -Psalms 19:14

This Much I Know About Love Over Fear ... John Tomsett, 2015-06-15 This Much I Know about Love Over Fear is a compelling account of leading a values-driven school where people matter above all else. Weaving autobiography with an account of his experience of headship, John Tomsett explains how, in an increasingly pressurised education system, he creates the conditions in which staff and students can thrive. Too many of our state schools have become scared, soulless

places. John Tomsett draws on his extensive experience and knowledge and calls for all those involved in education to find the courage to develop a leadership-wisdom which emphasises love over fear. Creating a truly great school takes patience. Ultimately, truly great schools don't suddenly exist. You grow great teachers first, who, in turn, grow a truly great school. There is a huge fork in the road for head teachers: one route leads to executive headship across a number of schools and the other takes head teachers back into the classroom to be the head teacher. John strongly believes that if the head teacher is not teaching, or engaged in helping others to improve their teaching, in their school, then they are missing the point. The only thing head teachers need obsess themselves with is improving the quality of teaching, both their colleagues' and their own. This *Much I Know about Love Over Fear* is an authentic personal narrative of teaching, leadership and discovering what really matters. It gets to the heart of what is valuable in education and offers advice for those working in schools.
