From the #1 New York Times bestselling author of the Reese's Book Club Pick *One Day in December* . . . "I read *The Two Lives of Lydia Bird* in a single sitting. What a beautiful, emotional gift Josie Silver has given us."—Jodi Picoult Written with Josie Silver's trademark warmth and wit, *The Two Lives of Lydia Bird* is a powerful and thrilling love story about the what-ifs that arise at life's crossroads, and what happens when one woman is given a miraculous chance to answer them. Lydia and Freddie. Freddie and Lydia. They'd been together for more than a decade and Lydia thought their love was indestructible. But she was wrong. On Lydia's twenty-eighth birthday, Freddie died in a car accident. So now it's just Lydia, and all she wants is to hide indoors and sob until her eyes fall out. But Lydia knows that Freddie would want her to try to live fully, happily, even without him. So, enlisting the help of his best friend, Jonah, and her sister, Elle, she takes her first tentative steps into the world, open to life—and perhaps even love—again. But then something inexplicable happens that gives her another chance at her old life with Freddie. A life where none of the tragic events of the past few months have happened. Lydia is pulled again and again through the doorway to her past, living two lives, impossibly, at once. But there's an emotional toll to returning to a world where Freddie, alive, still owns her heart. Because there's someone in her new life, her real life, who wants her to stay.

*A Winter in New York* Josie Silver, 2023-10-03 A young chef stumbles on a secret family recipe that might lead her to the love—and life—she's been looking for in this stunning novel from the New York Times bestselling author of *One Day in December*. A POPSUGAR BEST BOOK OF THE YEAR When Iris decides to move to New York to restart her life, she realizes she underestimated how big the Big Apple really is—all the nostalgic movies set in New York she'd watched with her mom while eating their special secret-recipe gelato didn't quite do it justice. But Bobby, Iris's best friend, isn't about to let her hide away. He drags her to a famous autumn street fair in Little Italy, and as they walk through the food stalls, a little family-run gelateria catches her eye—could it be the same shop that's in an old photo of her mother's? Curious, Iris returns the next day and meets the handsome Gio, who tells her that the shop is in danger of closing. His uncle, sole keeper of their family's gelato recipe, is in a coma, so they can't make more. When Iris samples the last remaining batch, she realizes that their gelato and her gelato are one and the same. But how can she tell them she knows their secret recipe when she's not sure why Gio's uncle gave it to her mother in the first place? Iris offers her services as a chef to help them re-create the flavor and finds herself falling for Gio and his family. But when Gio's uncle finally wakes up, all of the secrets Iris has been keeping threaten to ruin the new life—and new love—she's been building all winter long.

**One Night on the Island** Josie Silver, 2023-05-23 From the #1 New York Times bestselling author of *One Day in December* . . . When a double-booking at a remote one-room cabin accidentally throws two solace seekers together, it feels like a cruel twist of fate. But what if it's fate of a different kind? "A perfectly executed and quintessential romantic comedy."—Christina Lauren, author of *The Unhoneymooners* Spending her thirtieth birthday alone is not what dating columnist Cleo Wilder wanted, but she plans a solo retreat—at the insistence of her boss—in the name of re-energizing herself and adding a new perspective to her column. The remote Irish island she's booked is a far cry from London, but at least it's a chance to hunker down in a luxury cabin and indulge in some self-care while she figures out the next steps in her love life and her career. Mack Sullivan is also looking forward to some time to himself. With his life in Boston deteriorating in

ways he can't bring himself to acknowledge, his soul-searching has brought him to the same Irish island to explore his roots and find some clarity. Unfortunately, a mix-up with the bookings means both have reserved the same one-room hideaway on exactly the same dates. Instantly at odds, Cleo and Mack don't know how they're going to manage until the next weekly ferry arrives. But as the days go by, they no longer seem to mind each other's company quite as much as they thought they would. Written with Josie Silver's signature charm, *One Night on the Island* explores the meaning of home, the joys of escape, and how the things we think we want are never the things we really need.

**Slow Burn Summer** Josie Silver, 2025-06-10 A talent agent hires an actress to play the part of "novelist" on a book tour for his agency's publicity-shy client in this delightful rom-com from the #1 New York Times bestselling author of the Reese's Book Club Pick *One Day in December*. She's playing the part of romance author, but has she found her own real life love story? Talent agent Charlie Francisco has three problems: a divorce that ended his screenwriting career, a business he never planned to inherit, and a take-your-breath-away romance novel whose author wants nothing to do with its publication. The book is a surefire hit, if only his agency can find someone to "play" author on its summer book tour. Enter Kate Elliott, a former soap actress who's miraculously right for the part at the very moment her life seems to be going all wrong. Kate is still recovering from her own divorce and Charlie's job offer is a lifeline. She agrees to the pretense for all interviews, signings, and appearances surrounding the novel's publication. But she can't know who really wrote the remarkable story—the one so beautiful it's made her believe in love again. When Kate and Charlie meet they're all friction and sparks—the one thing they have in common is they're determined to play their respective parts. But as the summer heat ups and the lies get bigger and bigger, can they stick to their lines . . . or will they go off-script?

**Crazy Spooky Love** Josie Silver, 2025-09-02 A plucky medium, her fame-chasing ex, and an infuriatingly handsome skeptic reporter make for a complicated love triangle—and that's before the ghosts get involved. From the #1 New York Times bestselling author of *One Day in December* comes the first novel in a ghost-hunting series full of romance and humor. Ghosts and spirits are business as usual, but love just might be enough to scare Melody Bittersweet. In the leafy, charming town of Chapelwick, the Bittersweet family has been a fixture on High Street for as long as anyone can remember. Their rambling black-and-white building houses all three generations of ghost-sensitive Bittersweet women and their business, Blithe Spirits. On her twenty-seventh birthday, Melody Bittersweet converts the disused back storeroom into her office and opens her own business. Unlike the rest of her family, she's not taking down messages from ghosts—she's taking them out. Right away, the freshly minted Girls' Ghostbusting Agency takes on its first case: a grand old house that won't sell because a trio of incumbent ghost brothers raise merry hell whenever prospective owners arrive to view it. It soon becomes clear that there's a whole heap of unfinished business between the Scarborough brothers—including murder—and Melody isn't the only one trying to unravel the mystery. Leo Dark, her rakish ex and business rival, is also on the case, along with the TV crew that

trails him. To make matters worse, the sarcastic and skeptical (and annoyingly good-looking) local reporter Fletcher Gunn has his nose in the story as well. Sniffing out a way to publicly discredit the Bittersweets is his favorite assignment—and has absolutely nothing to do with his inability to resist Melody. With her business on the line, it's up to Melody to work out the brothers' issues, but can she protect her own very susceptible heart from Fletcher's charm? Does she even want to?

**This Time Next Year: A GMA Book Club Pick** Sophie Cousens, 2020-12-01 THE INSTANT NEW YORK TIMES BESTSELLER IS NOW A MAJOR MOTION PICTURE! A GOOD MORNING AMERICA BOOK CLUB PICK Their lives began together, but their worlds couldn't be more different. After thirty years of missed connections, they're about to meet again... Minnie Cooper knows two things with certainty: that her New Year's birthday is unlucky, and that it's all because of Quinn Hamilton, a man she's never met. Their mothers gave birth to them at the same hospital just after midnight on New Year's Day, but Quinn was given the cash prize for being the first baby born in London in 1990--and the name Minnie was meant to have, as well. With luck like that, it's no wonder each of her birthdays has been more of a disaster than the one before. When Minnie unexpectedly runs into Quinn at a New Year's party on their mutual thirtieth birthday, she sees only more evidence that fortune has continued to favor him. The gorgeous, charming business owner truly seems to have it all--while Minnie's on the brink of losing her pie-making company and her home. But if Quinn and Minnie are from different worlds, why do they keep bumping into each other? And why is it that each fraught encounter leaves them both wanting more? A moving, joyful love story, *This Time Next Year* explores the way fate leads us to the people we least expect--no matter what the odds.
