**Stress Out! Mom's Show Stress Who's the Boss** Sumner M. Davenport, Amanda Johnson, Leona Byrne, Jen Levinson, Cathy Brennan, Gina Gippner-Woods, Sue Zawacki, Allana Pratt, Brenda Douglas, Hazel Palache, Samantha Gregory, 2015-05-01 It is vastly uncontested that Moms have the most underpaid and stressful job. Reports indicate that Moms find their best support from other moms, those who have felt and are handling the same familiar stressors. This book does not contain what you should do, or condemn you for what you are or are not doing. This book is a collection of stories from Moms who have been-there-done-that. The stories are humorous, entertaining and educational. These stories may not make your child go to bed on time, eat their vegetables, stop pestering the dog or quit taunting their siblings. However, it may give you a break from your day, a smile when you need one and an idea or two from someone else's experience. Pre-Release reviews: "This book is great. Each chapter is a complete essay and easy to read and relate to." ~ Sandra Timler, Pre-School Teacher "I recommend this to all moms, regardless of the age of their children." ~ Bonnie Chalk, Physician Assistant "It's hard to choose a favorite chapter, they are all good." ~ Chere Frong, Mother, Grandmother

**Who's the Boss?** Hans Krabbendam, Wil Verhoeven, 2007 Is the present popularity of leadership studies an echo of the status of the U.S. as the leader of the free world, or is it hype created by smart entrepreneurs? Have current leadership concepts emerged from the democratic environment in America or do they reflect a globalist and timeless approach? How do leadership studies reflect national values, such as individualism and competition, success, commonly associated with American culture? An international group of scholars of American society seeks to answer these questions in this volume. They critically examine the terminology and the explanatory power of various leadership concepts. These essays show that the promises of good leadership to protect democratic processes against political and commercial exploitation are often too optimistic. Examples from military academies, state politics, marginal groups, and African American politicians dampen high expectations for new visionary political leadership in the United States.

*"Have You Heard the One About..."* Nelson Onit Vazqueztell, 2005-01-18 A poet who has everyone smiling should write more than just poetry. And so, in order to keep everyone in stitches, he wrote a joke book with a thousand and one laughs! Unlike Vazqueztell's previous books, TRUTH, COMEDY & POETRY for ALL and THE V-FILES: The Truth Is In Here, which are

filled with mostly poetry, the author wanted to collect and share all of his favorite jokes from all categories and place them under one cover. No matter what the subject, he has covered it and although most of the great joke tellers will know a good amount of them, there will be enough to still shock and crack up even the most knowledgeable of joke tellers. This will most definitely be yet another favorite amongst his fans or just the perfect addition to any other collection of joke books. From the doings of Little Halis, who is full of malice, to the misadventures in religion, HAVE YOU HEARD THE ONE ABOUT will keep you and your friends in stitches. This is the perfect book to take anywhere to break the ice at parties or bars. No matter what the situation, there will be a joke that you can share with just about anyone. And as is that wasn't enough, then there's a second bonus chapter of poetry that continues where his previous comic poetry left off. Everything from the return of fan favorites Nels Vulger, Lana Dully and Don Tortelli to another set of dating mishaps are offered in this fantastically verbally illustrated book. In HAVE YOU HEARD THE ONE ABOUT you will find the best of his cynic humor, dark thoughts and absolutely the best collection of jokes you will ever read! And as if that wasn't enough, Vazquez tell. And to top put a cherry on top of that whole sundae of comedy, Vazquez tell also added a second bonus chapter of the best literal finds of the internet. The World Wide Web is an incredible collection of bumper stickers, sayings, pick up lines, zany lists and much, much more that will have you bursting into laughter!

**Stealing the Network: The Complete Series Collector's Edition, Final Chapter, and DVD** Ryan Russell, Johnny Long, Timothy Mullen, 2009-04-10 *Stealing the Network: How to Own the Box* is a unique book in the fiction department. It

combines stories that are fictional, with technology that is real. While none of the stories have happened, there is no reason why they could not. You could argue it provides a road map for criminal hackers, but I say it does something else: it provides a glimpse into the creative minds of some of today's best hackers, and even the best hackers will tell you that the game is a mental one. - from the Foreword to the first Stealing the Network book, How to Own the Box, Jeff Moss, Founder & Director, Black Hat, Inc. and Founder of DEFCON For the very first time the complete Stealing the Network epic is available in an enormous, over 1000 page volume complete with the final chapter of the saga and a DVD filled with behind the scenes video footage! These groundbreaking books created a fictional world of hacker superheroes and villains based on real world technology, tools, and tactics. It is almost as if the authors peered into the future as many of the techniques and scenarios in these books have come to pass. This book contains all of the material from each of the four books in the Stealing the Network series. All of the stories and tech from: - How to Own the Box - How to Own a Continent - How to Own an Identity - How to Own a Shadow Plus: - Finally - find out how the story ends! The final chapter is here! - A DVD full of behind the scenes stories and insider info about the making of these cult classics! - Now for the first time the entire series is one 1000+ page book - The DVD contains 20 minutes of behind the scenes footage - Readers will finally learn the fate of Knuth in the much anticipated Final Chapter

*The Encyclopedia of Martial Arts Movies* Bill Palmer, Karen Palmer, Ric Meyers, 1995-01-01 The Encyclopedia covers the genre from 1920 to 1994. The genre, however, can be very confusing: films often have several titles, and many of the stars have more than one pseudonym. In an effort to clarify some of the confusion, the authors have included all the information available to them on almost 3,300 films. Each entry includes a listing of the production company, the cast and crew, distributors, running times, reviews with star ratings whenever possible, and alternate film titles. A list of film series and one of the stars' pseudonyms, in addition to a 7,900 name index, are also included. Illustrated.

**The Elvis Movies** James L. Neibaur, 2014-04-04 Elvis Presley's stature as the "King of Rock and Roll" will never be challenged. Between his first RCA hit single in 1956—the number-one smash "Heartbreak Hotel"—and his death in 1977, Elvis amassed more than 100 hits on the music charts. Presley's dominance on the music chart was paralleled only by the singer's motion picture career. Between 1956 and 1969, Elvis appeared in more than thirty films, further cementing his place as one of the most popular entertainers of the twentieth century. While there have been countless books that explore the real Elvis tucked beneath layers of showbiz mythology, such volumes often dismiss his motion picture career as insignificant or overlook his onscreen work entirely. In *The Elvis Movies*, James L. Neibaur looks at the thirty-one features that Presley made, from *Love Me Tender* in 1956 to *Change of Habit* in 1969. Most of these were star vehicles tailor-made for his image. As Neibaur points out, Elvis had a real interest in being a good actor, but his initial promise was soon thwarted by anti-creative decisions that sold a packaged version of the singer. Despite lapsing into a predictable formula of lightweight musicals, Elvis Presley's star power ensured that the films became box office successes. Neibaur examines each film, providing information about their production and offering assessments about their value in general, as well as their place in the Presley canon. Additional details include behind-the-scenes personnel, costars, DVD availability, and featured hit songs. An entertaining and informative look at an often underrated aspect of the singer's career, *The Elvis Movies* offers readers insight into his films. This volume will be a welcome resource to fans of the singer who want to know more about the King and his successful

ventures on the big screen.
