

Israel Houghton Christmas Album

Joel Whitburn

Encyclopedia of Contemporary Christian Music Don Cusic, 2009-11-12 The first comprehensive overview of contemporary inspirational music, covering its historical roots and dramatic growth into one of America's most vital music genres. The Encyclopedia of Contemporary Christian Music: Pop, Rock, and Worship is the first comprehensive reference work on a form of American music that is far more popular than nonfans may realize. It fills a major gap in the literature on American music and Christian culture, looking at this increasingly popular genre in the context of the overall history of religious music in the United States. With over 200 entries, The Encyclopedia of Contemporary Christian Music covers important performers and industry figures, songs and albums, concerts and festivals, the rise of Christian radio and television, and other issues related to the growth of inspirational music. Scholars and fans alike will find a wealth of revealing information and insightful coverage illustrating the influence of gospel on modern American music with musicians such as Elvis, Sam Cooke, Johnny Cash, Bob Dylan, and U2. The work also examines the use of fundamental rock, pop, and rap music templates in the service of songs of faith.

Ebony, 2007-11 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

Chase's Calendar of Events, 2011 Edition Editors of Chase's Calendar of Events, 2010-10-18 Chase's Calendar of Events is the most comprehensive and authoritative reference available in the world on special days, weeks, and months. Indispensable CD-ROM holds all the book's 12,500 entries. Unique reference in the marketplace acclaimed by the Wall Street Journal, Library Journal, Christian Science Monitor, Los Angeles Times, and the Washington Post.

Encyclopedia of African American Music Tammy L. Kernodle, Horace Maxile, Emmett G. Price III, 2010-12-17 African Americans' historical roots are encapsulated in the lyrics, melodies, and rhythms of their music. In the 18th and 19th centuries, African slaves, longing for emancipation, expressed their hopes and dreams through spirituals. Inspired by African civilization and culture, as well as religion, art, literature, and social issues, this influential, joyous, tragic, uplifting, challenging, and enduring music evolved into many diverse genres, including jazz, blues, rock and roll, soul, swing, and hip hop. Providing a lyrical history of our nation, this groundbreaking encyclopedia, the first of its kind, showcases all facets of African American music including folk, religious, concert and popular styles. Over 500 in-depth entries by more than 100

scholars on a vast range of topics such as genres, styles, individuals, groups, and collectives as well as historical topics such as music of the Harlem Renaissance, the Black Arts Movement, the Civil Rights Movement, and numerous others. Offering balanced representation of key individuals, groups, and ensembles associated with diverse religious beliefs, political affiliations, and other perspectives not usually approached, this indispensable reference illuminates the profound role that African American music has played in American cultural history. Editors Price, Kernodle, and Maxile provide balanced representation of various individuals, groups and ensembles associated with diverse religious beliefs, political affiliations, and perspectives. Also highlighted are the major record labels, institutions of higher learning, and various cultural venues that have had a tremendous impact on the development and preservation of African American music. Among the featured: Motown Records, Black Swan Records, Fisk University, Gospel Music Workshop of America, The Cotton Club, Center for Black Music Research, and more. With a broad scope, substantial entries, current coverage, and special attention to historical, political, and social contexts, this encyclopedia is designed specifically for high school and undergraduate students. Academic and public libraries will treasure this resource as an incomparable guide to our nation's African American heritage.

The Hollywood Reporter ,2007

Race and Racism in the United States Charles A. Gallagher,Cameron D. Lippard,2014-06-24 How is race defined and perceived in America today, and how do these definitions and perceptions compare to attitudes 100 years ago... or 200 years ago? This four-volume set is the definitive source for every topic related to race in the United States. In the 21st century, it is easy for some students and readers to believe that racism is a thing of the past; in reality, old wounds have yet to heal, and new forms of racism are taking shape. Racism has played a role in American society since the founding of the nation, in spite of the words all men are created equal within the Declaration of Independence. This set is the largest and most complete of its kind, covering every facet of race relations in the United States while providing information in a user-friendly format that allows easy cross-referencing of related topics for efficient research and learning. The work serves as an accessible tool for high school researchers, provides important material for undergraduate students enrolled in a variety of humanities and social sciences courses, and is an outstanding ready reference for race scholars. The entries provide readers with comprehensive content supplemented by historical backgrounds, relevant examples from primary documents, and first-hand accounts. Information is presented to interest and appeal to readers but also to support critical inquiry and understanding. A fourth volume of related primary documents supplies additional reading and resources for research.

Billboard ,2005-11-19 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Includes album cover photos, artist biographies, and many other statistics.

Routledge International Handbook of Religion in Global Society Jayeel Cornelio, François Gauthier, Tuomas

Martikainen,Linda Woodhead,2020-11-29 Like any other subject, the study of religion is a child of its time. Shaped and forged over the course of the twentieth century, it has reflected the interests and political situation of the world at the time. As the twenty-first century unfolds, it is undergoing a major transition along with religion itself. This volume showcases new work and new approaches to religion which work across boundaries of religious tradition, academic discipline and region. The influence of globalizing processes has been evident in social and cultural networking by way of new media like the internet, in the extensive power of global capitalism and in the increasing influence of international bodies and legal instruments. Religion has been changing and adapting too. This handbook offers fresh insights on the dynamic reality of religion in global societies today by underscoring transformations in eight key areas: Market and Branding; Contemporary Ethics and Virtues; Intimate Identities; Transnational Movements; Diasporic Communities; Responses to Diversity; National Tensions; and Reflections on 'Religion'. These themes demonstrate the handbook's new topics and approaches that move beyond existing agendas. Bringing together scholars of all ages and stages of career from around the world, the handbook showcases the dynamism of religion in global societies. It is an accessible introduction to new ways of approaching the study of religion practically, theoretically and geographically.
