11 Carmelo Bucca,2014-02-12 I'm here to tell you about a series of incredible things that happened to me, that are connected to the Reawakening of Consciousness, Spirituality and the Changes that are taking place in the world. In my experience there are links between Divine, 11:11, certain Crop Circles, phenomena such as Spheres of light in the sky... There is an invisible and infinite thread which ties every individual to the Heart of the Universe and it is important to find it. In this book I have decided to tell my fairy story, the incredible way it began, the way I have experienced it and am living it now. Would you like it to be yours too? This is possible right now. Perhaps my fairy tale is already yours and you just don't know it yet. It all began many years ago in my travels between Italy, England and Ireland. Those were carefree years in which I met a great many new people from all over the world, years of deep thought about the reasons for our life on this planet, full of memories of childhood, about nature... and a question: does God exist? I wanted something more from my life on this earth. I wanted answers to my questions. A series of inexplicable events occurred in 2010 and some of these got me thinking. Were they perhaps signs? At the time I didn't know. It was only later that I understood that they weren't just coincidences but genuine synchronicities, events and sensations which went well beyond ordinary human perception. Then, one evening, an extraordinary supernatural event occurred that brought unconceivable Truths to my consciousness. Love, Immortality, Freedom, even Revelation... And my life changed radically...
