\_\_\_\_\_ Sarah is doing just fine. Sure, she's been single for the last five years, and has to spend an uncomfortable amount of time around her ex-boyfriend, his perfect new girlfriend and all their mutual friends. And yes, her job as a PA to one of the most disgusting men in London is mind-numbingly tedious and her career is a constant disappointment to her mother. But it's really okay. She's happy (ish). So it's not surprising that when Sarah starts dreaming about a handsome stranger, she begins to look forward to falling asleep every night. Reality isn't nearly as exciting. That is until her dream-stranger makes an unexpected real-life appearance, leaving Sarah questioning everything she thought she wanted. Because no one ever really finds the person of their dreams . . . do they? \_\_\_\_\_ 'Saucy, fun and full of heart. This is Giovanna's most accomplished novel yet! **Dream a Little Dream** Kerstin Gier,2015-04-14 Mysterious doors with lizard-head knobs. Talking stone statues. A crazy girl with a hatchet. Yes, Liv's dreams have been pretty weird lately. Especially the one where she's in a graveyard at night, watching four boys conduct dark magic rituals. The strangest part is that Liv recognizes the boys in her dream. They're classmates from her new school in London, the school where she's starting over because her mom has moved them to a new country (again). But what's really scaring Liv is that the dream boys seem to know things about her in real life, things they couldn't possibly know—unless they actually are in her dreams? Luckily, Liv never could resist a good mystery, and all four of those boys are pretty cute....

**Dream a Little Dream** Debra Clopton,2010-12-27 It was just a local newspaper column, right? But when reporter Molly Popp touted the marriage-worthiness of local rancher Bob Jacobs, would-be wives descended on his Mule Hollow ranch by the busload. Molly felt guilty for the ruckus she'd caused— especially when Bob was injured rescuing an overzealous admirer from a bull. There was nothing else city-slicker Molly could do but pitch in and help Bob out. That is, until word of her column

brought the job offer she'd been praying for and a choice she never thought she'd have to make: a Manhattan byline or Mule Hollow's most eligible bachelor.

Soul Sister Sereena Nightshade, 2014-04-22 Soul Sister is a softer version of The Killing Fields created by popular fan base demand. Soul Sister thus contains many of the poems from The Killing Fields as well as some additional never before shared poetry from the time frame of the years this writer was mercilessly stalked and an objectified being caught within the tug-of-war between the predator, The One from Afar, the primary adult human co-victim, the local police force in their ineffectiveness made shockingly worse once a callous, clueless, seemingly chauvinistic, spiteful and sometimes emotionally irrational detective was placed on the case and the many helpless oftentimes cages tame animal victims the predator went after in endless compulsive repetitions through the years spanning from October 1999 to the summer of 2004. This was the world of this writers nightmarish drafted status losing the right to be a mere human with human feelings, wants and needs. It was also the backdrop for the Black Market style beauty contest and dating winner gets the fantastical prize game put forth by The One From Afar in the middle of The Killing Fields of the stalkers design from 1999 to mid-2003. In mid-2003 The One From Afar married his true deceiver and vanished from the picture blatantly leaving Sereena Nightshade to die. That final phase in the full range tug-of-war indicated clearly that Nightshade was left to whatever fate may occur, including one of being further hunted, stalked, kidnapped and at some point, tortured, repeatedly raped and murdered since she held no value to the only person who seemed, fictitiously, to care about her at the time. This was the reality of The Killing Fields: One stalker terrorizing/running endless surveillance/tampering with/torturing/murdering animals when he didnt mess-up, likely on purpose leaving them to suffer until his primary human victim had to clean up after his mistakes. One fool allegedly looking for love or reportedly in love with Nightshade. One primary adult human co-victim who was hapless and hopeless. One police detective who didnt give a darn. And all of the many innocent defenseless victims caught in the middle of this whirl in the stalkers predatory realm. This scenario or many components of it are not entirely rare for stalking victims as the presence of a stalker isolates the victim and narrows her world until there is almost nothing left no contacts, no friends, no support system while she must become a soldier despite the inhumane senseless of it all it so continues.

**All the Leaves Are Brown** Scott G. Shea, 2023-06-01 Few songs have captured the contradictions and ambiguities of the 1960s as memorably as "California Dreamin'," the iconic folk music single that catapulted the Mamas & the Papas into rock and roll history. In *All the Leaves Are Brown*, author Scott Shea details how John Phillips, Denny Doherty, Michelle Phillips, and "Mama Cass" Elliot became standard-bearers for California counterculture, following their transformation from folk music wannabes to rock sensations and chronicling the tumultuous events that followed their unexpected success. Shea gives a definitive account of the group's short time together, from their hitmaking approach with legendary producer Lou Adler to John's unique songwriting to tours and friendships with other musicians riding the folk-rock wave. He explores the emotional vicissitudes that came with being in the Mamas & the Papas, from Cass's unrequited love for Denny, his affair with Michelle, and the ebb and flow of dysfunction in John and Michelle's marriage. And he explains how it all came to a crashing end with John's brainchild, the Monterey Pop Festival, which should have launched the group even further into the musical stratosphere, but only served to be their undoing. Drawing on new interviews with former bandmates, session musicians, family members, and many others, *All the Leaves Are Brown* is a layered, revelatory tale of overnight stardom and its many pitfalls.

*Pretty from the Back* Sharon A. White, 2013-09 I wanted to write poetry to express my hidden fears, my love for family and friends, and to show me growing as a woman of color. My perspective of life has made my poetry joyful with laughter and with life disillusion to have a inner strength about love loss, love gain, love hurt and how to love each other opens the door for everyone to walk in enjoy.

**Dream a Little Dream of Me** Eddi Fiegel, 2013-06-20 'The greatest white female singer ever' is how Boy George described pop icon Cass Elliot, the sixties diva who was at the epicentre of US popular culture and music during the Californian hippy movement. Hailed as America's answer to the Beatles, the Mamas and the Papas' hits such as 'California Dreamin' and 'Monday Monday' became the soundtrack of a generation. Cass's uniquely emotive voice, charismatic wit and outsized multicoloured kaftans singled her out as a popstar who refused to conform to traditional female stereotypes. When she left the Mamas and the Papas, she immediately had a top ten hit with her debut single, 'Dream a Little Dream of Me' and became the queen on Los Angeles society. Her Beverly Hills villa was the scene of legenday parties, becoming the second home of stars such as Jack Nicholson and Grace Slick, but there was a darker side to her fame - after years of continuous dieting and drug addiction, she died mysteriously in London at the age of 33. Including interviews with Cass's friends and family, co-band members Michelle Phillips and Denny Doherty, and many of the famous names who knew her, this is both an insightful biography of an extraordinary singer, and a fascinating glimpse into free-living, free-loving ideals of the sixties as the optimism of the flower-child generation was crushed by the Vietnam War. 'The product of over 100 interviews and four

years of research across three continents, it's a fantastic read that goes way beyond thorough . . . Fiegel's fine, all-encompassing tome restores much of the great woman's dignity' - Mojo

Reminders of You Calliope Casimiro,2024-03-19 The Universe has an ornery sense of humor, and we are all just her playthings to keep her entertained. Sam and Catarina are no exception. It's been a crap year for Sam since the worst birthday of his life, and it's taken him that long to gain the emotional strength to finally break open his worst birthday gift ever, the last thing Catarina gave him, other than his broken heart. This year's birthday doesn't hold too much promise to be any better, even with his closest friends around to celebrate, all except Catarina who has gone MIA. The sharing of the worst birthday gift ever forces everyone to reminisce about the good old days, while Sam relives his best and worst moments with Catarina, leading to the discovery that the heart-wrenching happenstances between them could all have been avoided, if not for the Universe's cruel twists of fate. He decides to flip the bird to the Universe and is determined to set things straight between him and the love of his life, screw the consequences.

Little Madnesses Annette Kuhn,2013-02-21 'Little madnesses' are our most deeply felt enthusiasms, investments and attachments in the sphere of culture. The term was coined by the child psychoanalyst Donald Winnicott, whose work on transitional phenomena grew out of his naming of the transitional object, and extended into preliminary explorations of the crucial role played by cultural experience in a life that feels satisfying. In our socially and culturally sanctioned little madnesses, everyone can find relief from the burden of having to maintain a clear boundary between inner and outer worlds, fantasy and reality, because it is in the space between them that we can find the enthusiasms and passions that excite our creative imaginations. This idea offers intriguing pathways towards understanding how we can engage effectively with the world at a public, social level without setting aside our inner lives, our emotions and our most deeply felt attachments. In *Little Madnesses*, writers, artists, scholars and experts in a range of fields and disciplines explore the idea of transitional phenomena and consider its potential to extend and deepen our understanding of cultural experience in mental and social life, focusing on the importance of space, place and boundaries in cultural experience; on how we can negotiate media use and cultural identity; and on the aesthetic and creative aspects of cultural experience. Topics covered include cult films, computer use, installation art, trips to the cinema, museums and galleries, the agony and ecstasy of making art and the significance of life stage in cultural experience.

Dream a Little Dream Antoinette Stockenberg,2015-12-13 THREE GENERATIONS UNDER ONE TURRET: from bestselling author Antoinette Stockenberg comes a witty, modern fairy tale of romance and family and ghostly star-crossed lovers. For centuries, Fair Castle stood peaceably enough in the north country of England, until its suddenly impoverished owners were forced to sell it—to a suddenly wealthy American couple who had the castle moved, stone by stone, to a knoll overlooking the Hudson River in New York. There they've lived happily, though not very lavishly, with their daughter and granddaughters, all of them chipping in to give tours of the castle while still nurturing their artistic sides. And then one day, when no one is looking, a tall, dark, and very handsome stranger appears—along with the usual tourists—in the Great Hall of Fair Castle. Wildly rich from the sale of a software company he founded and then sold, William Braddock, Baron of Norwood, is on a mission to conquer all within Fair Castle and then move the thing back to England. Why not? It's his family's castle. It's his beloved grandmother's fond dream, and Will will do anything to make it come true for her. But a fiery opponent stands in his way: Elinor MacLeish, the owners' granddaughter and a successful writer of children's books that are set in a castle very much like the one she lives in. Will finds himself jousting repeatedly with Elinor, except when he's crossing swords with another who also has an agenda. And then there is the pair whose ties to Fair Castle are far, far more ancient than those of anyone else ....
