**Life After Death** Deepak Chopra, M.D., 2008-09-16 What happens to the spirit after the body dies? In *Life After Death*, Deepak Chopra draws on cutting-edge scientific discoveries and the great wisdom traditions to provide a map of the afterlife. He tells us there is abundant evidence that “the world beyond” is not separated from this world by an impassable wall; in fact, a single reality embraces all worlds, all times and places. “A must-read for everyone who will die.” —Candace B. Pert, Ph.D., author of *Molecules of Emotion* “A penetrating and insightful investigation into the greatest mystery of existence. This is an important book because only by facing death will we come to a deeper realization of who we are.” —Eckhart Tolle, author of *A New Earth* and *The Power of Now* “If I had any doubts about the afterlife, I don’t have them anymore. Deepak Chopra has cast his inimitable light on the darkened corners of death. I think this is his greatest contribution yet.” —Marianne Williamson, author of *The Age of Miracles* and *The Gift of Change*

Poem Unlimited David Kerler, Timo Müller, 2019-09-23 Questions of genres as well as their possible definitions, taxonomies, and functions have been discussed since antiquity. Even though categories of genre today are far from being fixed, they have for decades been upheld without question. The goal of this volume is to problematize traditional definitions of poetic genres and to situate them in a broader socio-cultural, historical, and theoretical context. The contributions encompass numerous methodological approaches (including hermeneutics, poststructuralism, reception theory, cultural studies, gender studies), periods (Romanticism, Modernism, Postmodernism), genres (elegy, sonnet, visual poetry, performance poetry, hip hop) as well as languages and national literatures. From this interdisciplinary and multi-methodological perspective, genres, periods, languages, and literatures are put into fruitful dialogue, new perspectives are discovered, and suggestions for further research are provided.

Conjectures of a Guilty Bystander Thomas Merton, 2009-11-17 In this series of notes, opinions, experiences, and reflections, Thomas Merton examines some of the most urgent questions of our age. With his characteristic forcefulness and candor, he brings the reader face-to-face with such provocative and controversial issues as the “death of God,” politics, modern life and values, and racial strife—issues that are as relevant today as they were fifty years ago. *Conjectures of a Guilty Bystander* is Merton at his best—detached but not unpassionate, humorous yet sensitive, at all times alive and searching, with a gift for language which has made him one of the most widely read and influential spiritual writers of our time.

**Through Death's Gate: A Guide to Selfless Dying** Joel Morwood,1995 This book is designed to help committed spiritual seekers prepare for death. It summarizes the basic teachings found in the major spiritual traditions of the world on how to pass through death as selflessly and effortlessly as possible. In particular, it contains three fundamental spiritual practices to help you transform your own death from a terrifying ordeal into what the Sufi poet Rumi called our wedding with eternity.

Rumi's Four Essential Practices Will Johnson,2010-01-19 Poems and commentary that open the door for a new generation to experience the ecstatic and embodied spiritual truths contained in Rumi's poetry • Reveals how the four practices of eating lightly, breathing deeply, moving freely, and gazing intently can invoke the divinity within us all • Explains how these practices dissolve the self's need for identity so that we may experience a state of transcendent ecstasy and union with the divine • Takes Rumi's path to finding God from theoretical to embodied practices The great thirteenth-century Sufi mystic and poet Jalaluddin Rumi began his life as an orthodox Islamic believer but felt that to fully experience complete union with the divine he must abandon institutionalized religion and its prescribed forms of worship. Surrendering his will to his overriding urge for a much more immediate, intuitive, and compelling union with the divine, he found that by manipulating certain behavioral aspects of his physiology--eating lightly, breathing deeply, moving freely, and gazing raptly--he was capable of loosening the rigid confines of the self, thereby overriding its limitations and achieving a transcendent merging with his own divinity. His message is simple: if you wish to affect the spirit, you must first make changes in the way your body responds to the world. Through clearly written commentary interspersed with Rumi's beautiful poems, this book details these four practices in a very precise way. As such, it is a sweet and open invitation to follow the examples set forth in order to embark upon one's own path of inner illumination. The freshness of Rumi's poetry dissolves the 700 years that separate his life from our own time, making his message as pertinent today as when he walked the streets of Konya, Anatolia (present-day Turkey), reciting his inspiring verse. This book allows us, through Rumi's gentle guidance, to touch the face of God that resides deep within us all.

**Seven Persian Poets** Albert Shansky,2016-05-25 Ever since my three visits to Iran in the years 1973, 1976, and 1978, I fell in love with Persian poetry. Poetry was everywhere in Iran in those years; one could simply walk into a bookstore and buy a copy of a poem of a favorite poet or the work of a new entry which are sometimes illustrated and displayed on walls. Poetry was always an important expression of life in Persia (Iran) beginning with Hakim Ferdowsi's great historical/ mythological epic, Shahnamhah (The Book of Kings) to the well-known Rubaiyat (Odes) of Omar Khayyam and the magnificent love poems of the three Sufi poets, Jalaluddin Rumi, Muhammad Hafiz, and Saadi Shirazi. This book includes the five poets above as well as two relatively modern poets Forough Farrokhzad and Ahmad Shamlou.

**Making Peace with Death and Dying** Judith Johnson,2022-03-08 Making Peace with Death and Dying dissolves death

anxiety and equips readers to encounter death peacefully and well-prepared. Readers learn to: appreciate death as a natural part of life, be of greater service to the dying and grieving, live with greater purpose and passion, be more peaceful in the presence of death, and to approach death on one's own terms with wisdom and competency.

**The Power of Surrender** Judith Orloff, M.D., 2018-03-04 Are you longing for your life to be easier and more fun? Would you like to stop pushing, micromanaging, and forcing things so you can relax? What if you could enjoy what you have instead of always lusting for 'more'? What if you could live in 'the zone', propelled by powerful currents toward the right people and opportunities? What if you could stop worrying about money and live with more emotional ease in the moment? If you answer 'yes' to all these questions and desire lasting positive change, then prepare to experience the ecstasy of surrender. Are you longing for your life to be easier and more fun? Would you like to stop pushing, micromanaging and forcing things so you can relax? What if you could enjoy what you have instead of always lusting for 'more'? What if you could live in 'the zone', propelled by powerful currents toward the right people and opportunities? What if you could stop worrying about money and live with more emotional ease in the moment? If you answer 'yes' to all these questions and desire lasting positive change, then prepare to experience the ecstasy of surrender. The art of letting go, Dr Judith Orloff explains, is the secret key to manifesting power and success in all areas of life, including work, relationships, sexuality, radiant aging, and health and healing. With her stunning gift for storytelling coupled with her unique, results-oriented approach to physical, emotional and spiritual health - marrying neuroscience, psychiatry, intuitive medicine, energy techniques and more - Judith provides a powerful, practical and accessible map for anyone who is longing to be happier but who feels stuck, burned-out, tense, worried or afraid to let go. *Harbors, Flows, and Migrations* Anna De Biasio, Gianna Fusco, 2017-05-11 Poised between the land and the sea, enabling the dynamic flow of people and goods, while also figuratively representing a safe place of rest and refuge, the harbor constitutes a liminal, ambivalent space par excellence that has been central to the American imagination and history since the early colonial days. From the mythical tales of discovery and foundation to the endless flows of migrants, through the dark pages of the slave trade and the imperialistic dream of an ever-expanding nation, harbors, both as a trope and as physical spaces, powerfully signify the American experience. Today, at a time when ideas of border protection and policing gain political prominence in the U.S. and elsewhere, harbors and the constellation of meanings they subsume have become an even more crucial object of critical inquiry. In this volume, thirty-two American Studies scholars from around the world interrogate the manifold significance of ports and of the exchanges they enable or restrain, casting a decentered look onto the complex positioning of the United States in its political, ideological, and cultural relationships with the rest of the world. This collection thus offers a cutting-edge, interdisciplinary investigation of the U.S.A., engaging the most recent trends in American Studies and actively participating in the international and transnational reconfiguration of the field.

**The Islamist** Ed Husain, 2009-04-28 The true story of one man's journey to Islamic fundamentalism and back Raised in a devout but quiet Muslim community in London, at sixteen Ed Husain was presented with an intriguing political interpretation of Islam known as fundamentalism. Lured by these ideas, he committed his life to them. Five years later, he rejected extremism and tried to return to a normal life. But soon he realized that Islamic fundamentalists pose a threat that most people-Muslim and non-Muslim alike simply don't understand. Based on first-hand experiences and written with pervasive clarity, *The Islamist* delivers a rare inside glimpse of the devious methods used to recruit new members, and offers profound insight into the appeal fundamentalism has for young Muslims in the Western world.

Preparing to Die Andrew Holecek, 2013-07-09 We all face death, but how many of us are actually ready for it? Whether our own death or that of a loved one comes first, how prepared are we, spiritually or practically? In *Preparing to Die*, Andrew Holecek presents a wide array of resources to help the reader address this unfinished business. Part One shows how to prepare one's mind and how to help others, before, during, and after death. The author explains how spiritual preparation for death can completely transform our relationship to the end of life, dissolving our fear and helping us to feel open and receptive to letting go in the dying process. Daily meditation practices, the stages of dying and how to work with them, and after-death experiences are all detailed in ways that will be particularly helpful for those with an interest in Tibetan Buddhism and in Tibetan approaches to conscious dying. Part Two addresses the practical issues that surround death. Experts in grief, hospice, the funeral business, and the medical and legal issues of death contribute chapters to prepare the reader for every practical concern, including advance directives, green funerals, the signs of death, warnings about the funeral industry, the stages of grief, and practical care for the dying. Part Three contains heart-advice from twenty of the best-known Tibetan Buddhist masters now teaching in the West. These brief interviews provide words of solace and wisdom to guide the dying and their caregivers during this challenging time. *Preparing to Die* is for anyone interested in learning how to prepare for death from a Buddhist perspective, both spiritually and practically. It is also for those who want to learn how to help someone else who is dying, both during the time of illness and death as well as after death.

**Sabina Spielrein** Angela M. Sells, 2017-07-25 Gold Winner for Psychology, 2017 Foreword INDIES Book of the Year Awards Long stigmatized as Carl Jung's hysterical mistress, Sabina Spielrein (1885-1942) was in fact a key figure in the history of psychoanalytic thought. Born into a Russian Jewish family, she was institutionalized at nineteen in Zurich and became Jung's patient. Spielrein went on to earn a doctorate in psychiatry, practiced for over thirty years, and published numerous papers, until her untimely death in the Holocaust. She developed innovative theories of female sexuality, child development, mythic archetypes in the human unconscious, and the death instinct. In *Sabina Spielrein*, Angela M. Sells examines Spielrein's life and work from a feminist and mytho-poetic perspective. Drawing on newly translated diaries, papers, and correspondence with Jung and Sigmund Freud, Sells challenges the suppression of Spielrein's ideas and shows

her to be a significant thinker in her own right.

*Fundamentals of Rumi's Thought* Sefik Can, 2004 This work attempts to present Rumi to the English-speaking world and to shed light on his life as seen from within the Islamic mystical tradition. The knowledge presented in this work comes from Sefik Can, a great expert of Rumi and who used to be the highest authority, Sertariq, of the Mevlevi Sufi order in Turkey until he passed away on January 24, 2005. Two aspects of this work make it unique. The first is that the book was originally authored by a man who is ninety five years old and who has dedicated his entire life to the teachings of Rumi. Such a Mevlevi's view of Rumi makes this work greatly valuable. The second important contribution to the book is the foreword, which was translated by from the original Turkish, written by M. Fethullah Gulen, a prominent Muslim thinker and interfaith activist of Turkey.

**A History of the Muslim World to 1405** Vernon O Egger, 2016-06-23 Muslims first appeared in the early seventh century as members of a persecuted religious movement in a sun-baked town in Arabia. Within a century, their descendants were ruling a vast territory that extended from the Atlantic Ocean to the Indus River valley in modern Pakistan. This region became the arena for a new cultural experiment in which Muslim scholars and creative artists synthesized and reworked the legacy of Rome, Greece, Iran, and India into a new civilization. *A History of the Muslim World to 1405* traces the development of this civilization from the career of the Prophet Muhammad to the death of the Mongol emperor Timur Lang. Coverage includes the unification of the Dar al-Islam (the territory ruled by Muslims), the fragmentation into various religious and political groups including the Shi'ite and Sunni, and the series of catastrophes in the twelfth and thirteenth centuries that threatened to destroy the civilization. Features: Balanced coverage of the Muslim world encompassing the region from the Iberian Peninsula to South Asia. Detailed accounts of all cultures including major Shi'ite groups and the Sunni community. Primary sources. Numerous maps and photographs featuring a special four-color art insert. Glossary, charts, and timelines.

**Rapture and Revolution** Talat S. Halman, 2007-10-30 The articles contained in this volume collectively provide a critical overview of Turkish literature from its earliest phases in the sixth century well into the Republican period, including pieces detailing the literature of the Ottoman as well as those dealing with Europeanization. In so doing, the author illustrates the evolution of Turkish culture as reflected in the literary experience. Exploring specific genres and themes, several articles detail the development of drama from Karagoz and Orta oyunu to contemporary Western theatre, the propaganda functions of poetry, and the important place of folk literature. In addition, the volume focuses on some of the leading figures of Turkish literature, ranging from Mevlana Celaleddin Rumi, Yunus Emre, and Süleyman the Magnificent, to Sait Faik and modern poets such as Nazim Hikmet, Orhan Veli Kanik, and Melih Cevdet Anday. Whether read as a whole or as individual articles, the book gives Western readers a broad and long overdue entry into the rich landscape of traditional and contemporary

Turkish literature and culture. For scholars, it is an invaluable resource for courses on Turkish literature and culture.
