**Creating Clark** Jason T. Gaffney, Ed Gaffney, 2016-07-14 Suzanne Brockmann Presents a new series of category romance novellas set in Southern California, written by Jason T. Gaffney with Ed Gaffney. Short, spicy, and funny, the California Comedy series puts the comedy in rom-com. Beantown West owner Clark Benson has completely made-over the sweet little coffee shop he'd inherited from his grandfather, turning it into a thriving local SoCal business. But his social life remains a hot mess. When he can't even get up the nerve to talk to an attractive man who's caught his eye, he turns to a longtime friend for help. Actor Hunter Westbrook's handsome face, hot body, and smooth charm have brought him a bounty of quick hookups throughout his short life. But lately the heat of the moment turns rapidly into a morning of regrets, and he's just embarked on a Year of No to figure out exactly who or what it is that he wants. When his nerdy friend Clark asks him to be his personal fairy godmother, Hunter reluctantly takes on the challenge. He gives Clark a full Cinderella makeover—from manscaping to new wardrobe to laughter-filled lessons on how to flirt with hot guys. But when those lessons in love go too far, neither Hunter nor Clark is willing to admit that their perfect Prince Charming has been right there, all along... (About 33,000 words or 125 pages)

May I Quote You on That? Stephen Spector, 2015-07-02 We all use language in different ways, depending on the situations we find ourselves in. In formal contexts we are usually expected to use a formal level of Standard English—the English codified in grammars, usage guides, and dictionaries. In May I Quote You on That? Stephen Spector offers a new approach to learning Standard English grammar and usage. The product of Spector's forty years of teaching courses on the English language, this book makes the conventions of formal writing and speech easier and more enjoyable to learn than traditional approaches usually do. Each lesson begins with humorous, interesting, or instructive illustrative quotations from writers, celebrities, and historical figures. Mark Twain appears alongside Winston Churchill, Yogi Berra, Woody Allen, Jerry Seinfeld, Stephen Colbert, Oprah, Lady Gaga, and many others. These quotations allow readers to infer the rules and word meanings from context. And if they stick in readers' memory, they can serve as models for the rules they exemplify. The lessons then offer short essays, written in a conversational style, on the history of the rules or the words being discussed. But because English is constantly changing, the essays offer not only the traditional rules of Standard English, but also the current opinions of usage panelists, stylists, and language specialists. When rules are controversial, Spector offers advice

about stylistic choices. A companion website features a workbook with practice drills. This book will appeal to anyone who wants to write well. It's aimed at those who are applying to college, taking the SAT, or writing a job application, an essay, or anything else that requires clear and effective communication.

**The Sister Verse and the Devouring Glass** Amelie C. Langlois, 2018-11-28 In the second book of the Sister Verse, Diana and her party must brave the surreal and violent wastes of the Dreadlands once again in their quest to recover the Devouring Glass. With the aid of a mysterious wanderer who can bridge the void between worlds, they must infiltrate the darkling capital of Lao-Va, and come to terms with the truth of their world, or be damned to a fate worse than death. This book contains scenes of violence that may be unsuitable for some readers.

**Storybook Ending** Moira Macdonald, 2025-05-27 A charming story about romance, friendship, and a love of books, in which two women—a lonely remote worker and a widowed single mom—and a handsome local bookstore clerk find themselves in an unusual love triangle when an anonymous note left in a book finds the wrong recipient. April, a smart and lonely tech worker, worries work from home has gotten out of hand: She's left an anonymous note in a book for Westley, the clerk at her Seattle neighborhood bookstore who has a gentle smile and looks great in flannel. But thanks to fate, Laura—a busy single mom who had given up on love—buys the book, finds the note, and thinks Westley has left it for her. A handsome man who loves books seems like just the plot twist she has been looking for. Meanwhile, Westley—not the most perceptive—is too distracted by the movie filming at the store and the ambition it's unlocked in him to notice either of the two women. But as April and Laura's anonymous correspondence continues back and forth, their mundane routines are challenged, sparking a glimmer of hope. Is a happy ending in the cards for them? A hilarious and intricate web of mistaken identities and serendipitous encounters, *Storybook Ending* is a playful tribute to romance, friendship, and bookstores, and to the objects—from a forgotten slip of paper to someone's heart—left between the pages of books we loved.

**Genesis** Jordan Roberts, 2023-08-23 Jordan is the model Baptist kid, following in his parents' footsteps by living the word of Christ. As he nears adolescence, a growing understanding of sin coincides with an undeniable pattern of same-sex attraction. Jordan finds himself—the perfect Christian teen—grappling with the most abominable of transgressions. After various attempts to suppress his feelings, Jordan comes to grips with being gay, but he finds himself alone, feeling the pain of not being accepted as his true self. Depressed and broken, Jordan ventures to Chicago to build a life and explore his identity. But a war rages within him that pushes him to the edge. In the aftermath of a near tragedy, Jordan knows he must find a new path of healing...and it is one of reconciliation and an understanding that none of us are made in error. *Genesis*, a harrowing memoir by Jordan Roberts, reveals the traumas and trials of being gay within the church and his realization that no one is outside of God's love.

**Living Between the Lines** Frank Saponaro,2023-08-10 Part 1: Even tethered to his high performance fire-engine red Jeep Cherokee wheelchair, Kenny was a force of nature. His spirit and zest for life made his shenanigans and antics even more laughable. There was nothing that he couldn't do, and he did everything with style and panache. His teacher, Mr. Sap, was Kenny's biggest fan and advocate. When Kenny was growing up and becoming his own person, Mr. Sap realized it was time to let him go. Part 2: The forest and grasslands in the western part of the United States were ablaze. Sap and the Ground Pounders of the Southern Colorado Wildland Firefighting Crew were called to action to the Beaver Mountain ski resort in Logan, Utah. Together with the combined efforts of the Lone Peak Hotshot Prisoner Crew from the Department of Corrections and the Rosebuds Native American crews, the mischief of the fire was managed. Soon the healing of the land would begin, and Sap knew that it was time for him to let it go.

*Pink and Blue* Elena Conis,Sandra Eder,Aimee Medeiros,2021-05-14 In modern pediatric practice, gender matters. From the pink-and-blue striped receiving blankets used to swaddle newborns, to the development of sex-specific nutrition plans based on societal expectations of the stature of children, a gendered culture permeates pediatrics and children's health throughout the twentieth and early twenty-first centuries. This book provides a look at how gender has served as one of the frameworks for pediatric care in the U.S. since the specialty's inception. *Pink and Blue* deploys gender—often in concert with class and race—as the central critical lens for understanding the function of pediatrics as a cultural and social project in modern U.S. history.

Fangless Evelyn,2016-11-21 *Fangless: Book One* by Evelyn Fangless: *Book One* is about a young smilodon named Fangless. Fangless was born at "the Place of Thin Ice," a well known place named for the thin layers of ice that cover the deep, icy waters below. After receiving a dream given by Shashthi, the smilodon kit goddess, Fangless' mother, May-Paw, must follow Shashthi's instructions to give birth to Fangless at the Place of Thin Ice. If not, Fangless will meet a certain terrible fate, followed shortly after by death itself. Soon after May-Paw's kit's birth, the ice breaks under both her and Fangless' paws. He is swept out into the icy waters aboard a drifting sheet of ice, but miraculously survives his nightmare of a journey and is then pushed ashore. Fangless is found by an ex-mother smilodon named Flower who left her bloodthirsty clan after her cruel ex-leader named Asesino murdered her only kit for being blind and weak - an outcast. Flower takes Fangless under her care and protection naming him "Fangless" because he was born without fangs, thus making him an outcast as well.

**Zero O'Clock** C. J. Farley,2025-07-01 For sixteen-year-old Geth Montego, zero o'clock begins on March 11, 2020. By June, she wonders if it will ever end. An insightful, eye-opening, and inventive story. C.J. Farley has penned a novel that sheds an important light on real issues facing young people today. —Angie Thomas, author of *The Hate U Give* In early March 2020 in New Rochelle, New York, teenager Geth Montego is fumbling with the present and uncertain about her future. She

only has three friends: her best friend Tovah, who's been acting weird ever since they started applying to college; Diego, who she wants to ask to prom; and the K-pop band BTS, because the group always seems to be there for her when she needs them (at least in her head). She could use some help now. Geth's small city becomes one of the first COVID-19 containment zones in the US. As her community is upended by the virus and stirred up by the growing Black Lives Matter protests, Geth faces a choice and a question: Is she willing to risk everything to fight for her beliefs? And if so, what exactly does she believe in? C.J. Farley captures a moment in spring 2020 no teenager will ever forget. It sucks watching the world fall apart. But sometimes you have to start from zero.
