Country Music's Greatest Lines Bobby Braddock, 2019-02-04 "One of country music's greatest songwriters has given us his own private tour of the collective genius of his profession." —Malcolm Gladwell, bestselling author and host of the Revisionist History podcast Bobby Braddock, the only living songwriter to have written number-one country songs in five consecutive decades, celebrates standout lines in more than eighty country masterpieces. Unique stories give the reader a behind-the-scenes look at classics from Hank Williams, Bill Anderson, Roger Miller and Merle Haggard, as well as twenty-first-century icons like Alan Jackson, Taylor Swift and Eric Church. Artist Carmen Beecher brings these tales to vivid life with strikingly realistic illustrations of seldom-seen songwriters, easily recognizable superstars and unforgettable song characters.

From late 1940s jukebox hits to present-day chart toppers, Braddock and Beecher offer a magical journey from the songwriter's pen to the singer's lips to the listener's ear. "Country Music's Greatest Lines works as an insider's take on the business of country, and it also sent me to a dozen records I wanted to hear immediately. Braddock and Beecher evoke the mythology of country without sentimentalizing the music or its creators. It's a remarkable achievement." —Nashville Scene "We see how stand-alone powerful and effective a few well-crafted lines can be, even when removed from the context of the entire song." —Sounds Like Nashville "Country songs, from Hank Williams till today, remain faithful to their tradition of reminding their listeners about the life they live. Braddock, a 60-year creator of songs, remembered that when he decided to write this book." —American Songwriter

Country Music's Hidden Gem Billy Rae Stewart, Gail Kittleson, 2021-02-24 Redd Stewart's journey began as more than just another rags-to-riches story, but with an essential heritage of family love and music that would later shape him into one of the music world's greatest 'unsung heroes.' His life inspired others to do better, to be better, to love unconditionally, and to share with others the blessing of God-given talent. He was a man who never asked for personal praise, but whose individual contribution to the Country and Pop music industries is still alive throughout the world today. Many of the songs written by Redd have been performed and recorded by such entertainment legends as Patti Page, Hank Williams, Roy Rogers, Dean Martin, Michael Bublé, and the list goes on. He was heard to say in all humility, I don't deserve any of this. Follow these pages of heartfelt thoughts about our subject as explored in detail by the musician, author, and loving son of this sincere man, revealed for the first time is the real-life love story that inspired the lyrics to the world's most famous Country music song; the beautiful Tennessee Waltz.

Hell-Bent For Music Wade Hall, 2021-12-14 Pee Wee King's birth on February 18, 1914, into a Milwaukee working-class Polish family named Kuczynski was hardly an indicator that he would grow up to become a pioneer and superstar of country and western music. Certainly no one in the Polish-German community of his youth could have foreseen his influence on the direction of American popular music or his enduring fame on the stage of the Grand Ole Opry. Even Pee Wee King himself is incredulous at the unlikely twists and turns of his life and career. Pee Wee King is best remembered today as the co-writer of

the most popular country music song of all time, The Tennessee Waltz. He is just as important, however, for his vital role in expanding the horizons, and the market potential, of country and western music. He took the polka and waltz rhythms of his youth, mixed them with the sounds of the big bands of the thirties and forties, and flavored it all with the balladry and moods of the Western cowboy. He combined this new sound with folk and country traditions rooted in places like Louisville, Knoxville, and Nashville. The result was a smooth, listenable, danceable, up-to-date sound that has become the most popular form of music in the United States. Recipient of numerous awards, including induction into both the Songwriters Hall of Fame and the Country Music Hall of Fame, Pee Wee King has been one of the most important figures in country music for over sixty years. Told in King's own voice and words, this biography, based on many hours of taped conversations, is the first account of King's incredible life and career. Featuring a star-studded cast of characters from the history of music—Eddy Arnold, Minnie Pearl, Roy Acuff, Hank Williams, Gene Autry, Patti Page, and many others—this memorable book is a must-read for any fan of country music.

The Posner Files Gerald Posner, 2018-10-02 Definitive accounts of JFK's and Martin Luther King's assassinations by a Pulitzer Prize finalist and New York Times–bestselling author. Case Closed: A Pulitzer Prize finalist and New York Times bestseller, Case Closed is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F. Kennedy. Drawing from official sources and dozens of interviews, filled with powerful historical detail, and including an updated comment for the fiftieth anniversary, Posner's "utterly convincing" book lays to rest all of the convoluted conspiracy theories—concerning the mafia, a second shooter, and the CIA—that have obscured what really happened in Dealey Plaza on November 22, 1963 (Chicago Tribune). "By far the most lucid and compelling account . . . of what probably did happen in Dallas—and what almost certainly did not." —The New York Times Book Review Killing the Dream: On April 4, 1968, Martin Luther King Jr., was killed in Memphis, Tennessee, by a single assassin's bullet. James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony where King was shot. An international manhunt ended two months later with Ray's capture. Though Ray initially pled guilty, he quickly recanted and for the rest of his life insisted he was an unwitting pawn in a grand conspiracy. In Killing the Dream, expert investigative reporter Gerald Posner cuts through phony witnesses, false claims, and a web of misinformation to put Ray's conspiracy theory to rest and disclose what really happened the day King was murdered. "A superb book: a model of investigation, meticulous in its discovery and presentation of evidence, unbiased in its exploration of every claim. And it is a wonderfully readable book, as gripping as a first-class detective story." —The New York Times

Lyric Powers Robert von Hallberg, 2024-05-31 The authority of poetry varies from one period to another, from one culture to another. For Robert von Hallberg, the authority of lyric poetry has three sources: religious affirmation, the social institutions of those who speak the idioms from which particular poems are made, and the extraordinary cognition generated

by the formal and musical resources of poems. Lyric Powers helps students, poets, and general readers to recognize the pleasures and understand the ambitions of lyric poetry. To explain why a reader might prefer one kind of poem to another, von Hallberg analyzes—beyond the political and intellectual significance of poems—the musicality of both lyric poetry and popular song, including that of Tin Pan Alley and doo-wop. He shows that poets have distinctive intellectual resources—not just rhetorical resources—for examining their subjects, and that the power of poetic language to generalize, not particularize, is what justly deserves a critic's attention. The first book in more than a decade from this respected critic, Lyric Powers will be celebrated as a genuine event by readers of poetry and literary criticism.

Music in the Age of Anxiety James Wierzbicki,2016-04-30 Derided for its conformity and consumerism, 1950s America paid a price in anxiety. Prosperity existed under the shadow of a mushroom cloud. Optimism wore a Bucky Beaver smile that masked worry over threats at home and abroad. But even dread could not quell the revolutionary changes taking place in virtually every form of mainstream music. Music historian James Wierzbicki sheds light on how the Fifties' pervasive moods affected its sounds. Moving across genres established--pop, country, opera--and transfigured--experimental, rock, jazz--Wierzbicki delves into the social dynamics that caused forms to emerge or recede, thrive or fade away. Red scares and white flight, sexual politics and racial tensions, technological progress and demographic upheaval--the influence of each rooted the music of this volatile period to its specific place and time. Yet Wierzbicki also reveals the host of underlying connections linking that most apprehensive of times to our own uneasy present.

Killing the Dream Gerald Posner,2013-04-16 A deep dive into James Earl Ray's role in the national tragedy: "Superb . . . a model of investigation . . . as gripping as a first-class detective story" (The New York Times). On April 4, 1968, Martin Luther King Jr. was killed in Memphis, Tennessee, by a single assassin's bullet. A career criminal named James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony from where King was cut down. An international manhunt ended two months later with Ray's capture. Though Ray initially pled guilty, he quickly recanted and for the rest of

his life insisted he was an unwitting pawn in a grand conspiracy. In *Killing the Dream*, expert investigative reporter Gerald Posner reexamines Ray and the evidence, even tracking down the mystery man Ray claimed was the conspiracy's mastermind. Beginning with an authoritative biography of Ray's life, and continuing with a gripping account of the assassination and its aftermath, Posner cuts through phony witnesses, false claims, and a web of misinformation surrounding that tragic spring day in 1968. He puts Ray's conspiracy theory to rest and ultimately manages to disclose what really happened the day King was murdered.
