

The Ancient Secret Of The Flower Of Life

Daniel M. Salter

The Ancient Secret of the Flower of Life, Volume 2 Drunvalo Melchizedek, 2012-04-27 The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science, stories, logic, and coincidence on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation--step-by-step techniques for the re-creation of the energy field of the evolved human--which is the key to ascension and the next dimensional world. If done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others, and even of the planet. You may discover a memory or a fleeting reflection of yourself in the following topics: - The Unfolding of the Third Informational System: the circles and squares of human consciousness, Leonardo da Vinci's true understanding of the Flower of Life, and exploring the rooms of the great pyramid - Whispers From Our Ancient Heritage: the initiations of Egypt, the mysteries of resurrection, interdimensional conception, ancient mystery schools, Egyptian tantra, and sexual energy and the orgasm - Unveiling the Mer-Ka-Ba Meditation: chakras and the human energy system, energy fields around the body, the seventeen breaths of the Mer-Ka-Ba meditation, and the sacred geometry of the human lightbody.

The Ancient Secret of the Flower of Life, Volume 1 Drunvalo Melchizedek, 2012-04-28 Once, all life in the universe knew the Flower of Life as the creation pattern - the geometrical design leading us into and out of physical existence. Then from a very high state of consciousness we fell in darkness and forgot who we were. For thousands of years the secret was held in ancient artifacts and carvings around the world, and encoded in the cells of all life. Here Drunvalo Melchizedek presents in text and graphics the first half of the Flower of Life Workshop, illuminating the mysteries of how we came to be,

why the world is the way it is and the subtle energies that allow our awareness to blossom into its true beauty. Sacred Geometry is the form beneath our being and points to a divine order in our reality. We can follow that order from the invisible atom to the infinite stars, finding ourselves at each step. The information here is one path, but between the lines and drawings lie the feminine gems of intuitive understanding. Explore the miracle of our existence by meandering through the wonderland of geometry, science, ancient history and new discovery, seen through the widened vision of Drunvalo and the Flower of Life. Volume 2 will explore in great detail the Mer-Ka-Ba, the 55-foot-diameter energy field of the human lightbody. This knowledge leads to ascension and the next dimensional world. About the Author Drunvalo Melchizedek's life experience reads like an encyclopedia of breakthroughs in human endeavor. He studied physics and art at the University of California at Berkeley, but he personally feels that his most important education came after college. In the last 25 years he has studied with over 70 teachers from all belief systems and religious understandings, providing him with a wide breadth of knowledge, compassion and acceptance. Not only is Drunvalo's mind exceptional, but his heart, his warm personality, his love for all life everywhere, is immediately understood and felt by anyone who meets him. For some time now he has been bringing his vast vision to the world through the Flower of Life program and the Mer-Ka-Ba meditation.

One of the strongest proponents of growth is to begin making individual choices based on self-awareness and practical guidance. Vital questions you can ask now include the following: Who is the true you? Who are you at your karmic core? Who would you be without outside influences? What is my true karmic purpose? By asking yourself these questions, you begin a process of deep spiritual development that will change what is important to you now and in your future. Do not ask these questions lightly! Once spoken, the process begins.

Angels Explain God and the New Spirituality Cheryl Gaer Barlow,2013-12-01 The message of this book is to tell the

souls of Earth about the wonders of God, the glorious angels, the heavens, the Earth, and all existence. Know above all things that God loves you more than any words can express. God is always with you. He is ever bringing you toward the blossoming of your soul. God communicates by way of the holy angels of God. The most important words we want to tell you are: Open your soul. Surrender your soul to God. Ask God to lead you to truth, love, and peacefulness. Ask God for any attributes you wish to acquire. God's angels will help you become the strong, powerful soul that you are meant to become. A world of souls, lifting their minds to reach God will affect the universe. Be the soul you are meant to be. The most powerful attribute a soul may attain is love. — The Angels of the Mallbon

The Next Dimension Is Love Dorothy Roeder, Ranoash (the Ataien.), 1993-01-01 Beings from another dimension, parallel to ours and yet far beyond it, give their view about what is happening on Earth now. They speak about what it means to be an unlimited spiritual consciousness immersed in a limited physical body. They describe how our fear of anyone different limits us and why that must change if we are to survive as a race. It is our fear of change that limits our ability to reach our full potential. The primary message is humanity's special ability to love in so many ways and how much we can teach the rest of the universe about creating with love. That is our special contribution to this cosmos. Are these beings, who resemble the praying mantis, really a part of us or our higher consciousness? Topics include:

Life with a Cosmos Clearance Daniel M. Salter, 2003-06-01 On May 9, 2001, the Disclosure Project hosted a major event at the National Press Club in Washington, D.C. This historic event had witness testimony from twenty to twenty-five military, intelligence, government, and corporate individuals involved with UFO projects over the past fifty years, who presented their information before a worldwide group of media correspondents. Those of us who were military witnesses of UFO history showed official government documentation with detailed testimony. Our focus was and is on the facts and documents. Our purpose was and is to get the mainstream media and government officials to hear those facts and move us toward an honest congressional inquiry. We who came forward want to ban weapons from space and stop aggressively shooting down these space vehicles and their extraterrestrial occupants. We need to declassify the advanced electromagnetic propulsion systems in use by the secret government, start producing them for the world to use, and thereby help save this planet. The people who had been employed in agencies within the military and knew the truth about UFOs were sworn to secrecy. Now I am finally relieved to speak the truth. We military men who hold on to this knowledge are getting old and dying, and we want the truth to come out. We will either do it ourselves or leave it for our children and wives to do. Personally, I have told those on Capitol Hill that I am being led to do it by the aliens themselves. They have convinced me that it is time. They have been waiting on the government, and if the government does not come forward with the truth, then the aliens will take a more public role in disclosure.

Color Medicine Charles Klotsche, 1993-09-01 The secrets of color vibration healing. A practitioner's manual for restoring blocked energy to the body systems with specific color wave lengths. By the founder of The 49th Vibrational Technique. A

new dimension in holistic healing, Color Medicine provides a powerful technique for treating specific imbalances and strengthening the immune system. By combining aura-attuned chromatherapy with harmonious sounds, tissue salts and hydrochromatherapy, the 49th Vibrational Technique was developed. It is safe, simple, economical and highly effective. A breakthrough, yet as old as recorded medicine, it utilizes the subtle energy vibrations similar to those found in the visible spectrum: the 49th octave. Light energy is processed through color filters and irradiated into the aura. By matching corresponding wavelengths to the organs and systems of the body, it strengthens or sedates energy in the distressed areas, creating a support system for the healing process. A textbook and how-to handbook, it encompasses an encyclopedia of vital fascinating information, charts, diagrams and tables as well as methods of treatment and technical advice. Whether you are a holistic practitioner or merely curious, this book marks a new frontier in the world of alternative healing.

Some of the information is coded, and sincere students will find they can open these codes. The tools presented here have been used by masters. As you read the material and identify your own truths, you will realize you are on an amazing journey of self-discovery that will help you experience oneness with the universe and find the divine within.

Pamphlet for Life Arthur Fanning, 2016-02-01 In Pamphlet for Life, the Spirit of Space with Gabriel et al., through Arthur Fanning, provide inspirational information on where we are going and what we need to learn. "With the simplicity of breath, take these words in this book and move through the system of the self for personal healing. Do so with knowledge, fortitude, and wisdom, along with the reclaiming of the personal self and understanding of the breath in all things — in the foods you eat and the self that is breathing you. You are not the only one breathing the form that you are in. It is time to understand how it all works. "This is a life process book, or pamphlet. It tells you exactly what you are doing, and when you read it, you're going to realize what you did. You will see it there, and you'll know how to correct it with yourself. So it has self-judgment, or self-criticism, within it and the overcoming of the doubt of the self. "Basically, we are giving you spiritual survival techniques. They will be available whether you apply them or not. That is entirely up to you. . . . Pay attention. The teachings are coming to help you heal yourself." — Spirit of Space with Gabriel et al.
