'Rock On': Women, Ageing and Popular Music Abigail Gardner,2016-03-16 For female pop stars, whose star bodies and star performances are undisputedly the objects of a sexualized external gaze, the process of ageing in public poses particular challenges. Taking a broadly feminist perspective, 'Rock On': women, ageing and popular music shifts popular music studies in a new direction. Focussing on British, American and Latina women performers and ageing, the collection investigates the cultural work performed by artists such as Shirley Bassey, Petula Clark, Madonna, Celia Cruz, Grace Jones and Courtney Love. The study crosses generations of performers and audiences enabling an examination of changing socio-historical contexts and an exploration of the relationships at play between performance strategies, star persona and the popular music press. For instance, the strategies employed by Madonna and Grace Jones to engage with the processes and issues related to public ageing are not the same as those employed by Courtney Love or Celia Cruz. The essays in this insightful collection reflect on the ways that artists and fans destabilise both the linear trajectories and the compelling weight of expectations regarding ageing by employing different modalities of resistance through persona re-invention, nostalgia, postmodern intertextuality and even early death as the ultimate denial of age.

Madonna Mary Gabriel,2023-10-10 New York Times Editors' Choice, One of NPR's Best Books of the Year In this "infinitely readable" biography, award-winning author Mary Gabriel chronicles the meteoric rise and enduring influence of the greatest female pop icon of the modern era: Madonna (People Magazine) With her arrival on the music scene in the early 1980s, Madonna generated nothing short of an explosion—as great as that of Elvis or the Beatles—taking the nation by storm with her liberated politics and breathtaking talent. Within two years of her 1983 debut album, a flagship Macy's store in Manhattan held a Madonna lookalike contest featuring Andy Warhol as a judge, and opened a department called "Madonna-land." But Madonna was more than just a pop star. Everywhere, fans gravitated to her as an emblem of a new age, one in which feminism could shed the buttoned-down demeanor of the 1970s and feel relevant to a new generation. Amid the scourge of AIDS, she brought queer identities into the mainstream, fiercely defending a person's right to love whomever—and be whoever—they wanted. Despite fierce criticism, she never separated her music from her political activism. And, as an artist, she never stopped experimenting. Madonna existed to push past boundaries by creating provocative, visionary music, videos, films, and live performances that changed culture globally. Deftly tracing Madonna's

story from her Michigan roots to her rise to super-stardom, master biographer Mary Gabriel captures the dramatic life and achievements of one of the greatest artists of our time.

Music/Video Gina Arnold, Daniel Cookney, Kirsty Fairclough, Michael Goddard, 2017-08-30 This book is a lively, comprehensive and timely reader on the music video, capitalising on cross-disciplinary research expertise, which represents a substantial academic engagement with the music video, a mediated form and practice that still remains relatively under-explored in a 21st century context. The music video has remained suspended between two distinct poles. On the one hand, the music video as the visual sheen of late capitalism, at the intersection of celebrity studies and postmodernism. On the other hand, the music video as art, looking to a prehistory of avant-garde film-making while perpetually pushing forward the digital frontier with a taste for anarchy, controversy, and the integration of special effects into a form designed to be disseminated across digital platforms. In this way, the music video virally re-engenders debates about high art and low culture. This collection presents a comprehensive account of the music video from a contemporary 21st century perspective. This entails revisiting key moments in the canonical history of the music video, exploring its articulations of sexuality and gender, examining its functioning as a form of artistic expression between music, film and video art, and following the music video's dissemination into the digital domain, considering how digital media and social media have come to re-invent the forms and functions of the music video, well beyond the limits of "music television".

Ageing, Popular Culture and Contemporary Feminism I. Whelehan, J. Gwynne, 2014-11-06 How has popular film, television and fiction responded to the realities of an ageing Western population? This volume analyses this field of representation to argue that, while celebrations of ageing as an inspirational journey are increasing, most depictions still focus on decline and deterioration.

I Shot a Man in Reno Graeme Thomson, 2008-08-15 Ask the gangsta rap devotee. Ask the grizzled blues fanatic and the bearded folk fan. Ask the goth and the indie kid. Ask and they will all tell you the same thing: death and popular music have forever danced hand-in-hand in funereal waltz time. The pop charts and the majority of radio stations' playlists may conspire to convince anyone listening that the world spins on its axis to the tune of I love you, you love me and traditional matters of

the heart. The rest of us know that we live in a world where red roses will one day become lilies and that death is the motor that drives the greatest and most exhilarating music of all. Death music is not merely a byword for bookish solemnity, or the glorification of murder, drugs and guns. Over the course of the last hundred years it has also been about teenage girls weeping over their high school boyfriend's fatal car wreck; natural disasters sweeping whole communities away; the ever-evolving threat of disease; changing attitudes to old age; exhortations to suicide; the perfect playlist for a funeral; and the thorny question of what happens after the fat lady ceases to sing. Which means that for every Black Angel's Death Song there is a Candle in the Wind, and for every Cop Killer there is The Living Years. Death, like music, is a unifying force. There is something for every taste and inclination, from murderous vengeance to camp sentimentality and everything in between. Drawing upon original and unique interviews with artists such as Mick Jagger, Richard Thompson, Ice-T, Will Oldham and Neil Finn among many others, *I Shot a Man In Reno* explores how popular music deals with death, and how it documents the changing reality of what death means as one grows older. It's as transfixing as a train wreck, and you won't be able to put it down. as an epilogue, *I Shot A Man In Reno* presents the reader with the 40 greatest death songs of all time, complete with a brief rationale for each, acting as a primer for the morbidly curious listener.

Dragonfly Abdullah Al Mamun, 2024-11-25 *Dragonfly* is a tale part fiction part real. In this book, the writer tells a tale about his Ankara days during the 90s. He was a university student back in those days when he got rich and shot to fame. His lifestyle was out of the ordinary too. That roused jealousy both among the powerful and the ordinary people. He finally couldn't stay in Ankara. His entry to the United States was blocked too by powerful people. Consequently, he had to go back to Bangladesh where he came from. But again he became rich and powerful there. The writer brings a conclusion about his undergraduate student life in this book. He openly talks about his private life, his success, and people's jealousy. You will find it hard to put down.

The Hit and The Marksman Brian Garfield, 2012-02-14 *DIV* Two short novels from a master of hard-boiled storytelling/*div* *DIV* Simon Crane is an ex-cop with a bad leg, a small pension, and a former lover, Joanne, who works for Sal Aiello, undisputed crime boss of a dusty southwestern city. When Aiello and his millions disappear, the city's underworld whips into a frenzy that could get Joanne killed. To save her life, Crane must find the dead mobster's cash before anyone else does. Somebody put a hit out on Aiello, and if Crane can't find out who, he will be taking the bullet himself./*div* *DIV* /*div* *DIV* In this special edition ebook, *The Hit* is paired with *The Marksman*, a tense novella about a combat veteran caught up in criminal dealings far more violent than anything he saw in the Middle East. Garfield's prose is spare and his storytelling is electric from page one. Both novellas overflow with grim, relentless action./*div*

Queering Contemporary Asian American Art Laura Kina, Jan Christian Bernabe, 2017-05-16 *Queering Contemporary*

Asian American Art takes Asian American differences as its point of departure, and brings together artists and scholars to challenge normative assumptions, essentialisms, and methodologies within Asian American art and visual culture. Taken together, these nine original artist interviews, cutting-edge visual artworks, and seven critical essays explore contemporary currents and experiences within Asian American art, including the multiple axes of race and identity, queer bodies and forms, kinship and affect, and digital identities and performances. Using the verb and critical lens of “queering” to capture transgressive cultural, social, and political engagement and practice, the contributors to this volume explore the connection points in Asian American experience and cultural production of surveillance states, decolonization and diaspora, transnational adoption, and transgender bodies and forms, as well as heteronormative respectability, the military, and war. The interdisciplinary and theoretically informed frameworks in the volume engage readers to understand global and historical processes through contemporary Asian American artistic production.

The Hollywood Book of Extravagance James Robert Parish,2011-01-06 Savor the inside scoop on over-the-top superstars I'm not a paranoid, deranged millionaire. . . . I'm a billionaire! Acting is an empty and useless profession. Good girls go to heaven. Bad girls go everywhere else. I'm interested in being provocative and pushing people's buttons. Which screen icons gave us the quotes above? How do stars get away with self-indulgent, unrestrained behaviors-or do they? In *The Hollywood Book of Extravagance*, longtime industry insider and Hollywood historian James Robert Parish gives you a provocative look behind the scenes at the lavish indulgences and larger-than-life egos of Tinseltown's rich and famous. The featured celebrities range from heartthrobs to industry tycoons, and from yesterday's matinee idols to today's hottest celebs. The stars are grouped according to their excesses: ego, neurosis, partying, power, rich living, and romancing. You'll devour little-known details on the excesses and exploits of notables ranging from Mae West to Madonna, Greta Garbo to Marilyn Monroe and Marlon Brando, Bela Lugosi to John Belushi, Zsa Zsa Gabor to Paris Hilton, Errol Flynn to Jude Law, and many more.

Globalizing East European Art Histories Beáta Hock,Anu Allas,2018-05-30 This edited collection reassesses East-Central European art by offering transnational perspectives on its regional or national histories, while also inserting the

region into contemporary discussions of global issues. Both in popular imagination and, to some degree, scholarly literature, East-Central Europe is persistently imagined as a hermetically isolated cultural landscape. This book restores the diverse ways in which East-Central European art has always been entangled with actors and institutions in the wider world. The contributors engage with empirically anchored and theoretically argued case studies from historical periods representing notable junctures of globalization: the early modern period, the age of Empires, the time of socialist rule and the global Cold War, and the most recent decades of postsocialism understood as a global condition.

Social Media Discourse, (Dis)identifications and Diversities Sirpa Leppanen, Elina Westinen, Samu

Kytola, 2016-12-08 This volume serves as an in-depth investigation of the diversity of means and practices that constitute (dis)identification and identity construction in social media. Given the increasing prevalence of social media in everyday life and the subsequent growing diversity in the types of participants and forms of participation, the book makes the case for a rigorous analysis of social media discourses and digital literacy practices to demonstrate the range of semiotic resources used in online communication that form the foundation of (dis)identification processes. Divided into two major sections, delineating between the (dis)identification of the self across various social categories and the (dis)identification of the self in relation to the other, the book employs a discourse-ethnographic approach to highlight the value of this type of theoretical framework in providing nuanced descriptions of identity construction in social media and illuminating their larger, long-term societal and cultural implications. This volume is a key resource for researchers, and students in sociolinguistics, discourse studies, computer-mediated communication, and cultural studies.
