Persuall 5 annotations are required to get score. However□I did almost 10 annotations the persuall still said I got 0. I trid chrome and firefox□its useless. I like the interactive nature of it and that students are responding to each other's comments and questions. But there is still a lot I don't understand. I had a roomful of frustrated people recently because they couldn't get to 100% on the assignment- the work they did was totally adequate in my opinion, ... **How is Perusal a noun? : r/grammar - Reddit** Aug 16, 2022 · A subreddit for questions and discussions about grammar, language, style, conventions [,] and punctuation. What's it like not being a friendly person? : r/AskMen - Reddit Jul 14, 2022 · I'm like this, in a way. I have my "outside face" which is often interpreted as a perma-sowl. Not interested in being friendly with strangers, not a people pleaser, not interested in making conversation. That's the outside me though - "inside me" is a completely different guy. I think a lot of people who are seen as grumpy or rude are this way: they just don't want to ... Perusall question -- : r/Professors - Reddit Aug 22, 2023 · I've used Perusall for this exact purpose - ungraded social annotation. A couple years ago, some of my colleagues and I offered this as an option for students to 'participate' if they were in quarantine, did not feel safe in class, and so on. There was no penalty if students did not use it. I do not recall how I set this up. It very well might have been a big, open-ended ... Anybody use persuall before? : r/college - Reddit Sep 2, 2021 · The subreddit for discussion related to college and collegiate life. **Perusall is so distracting and not at all conducive to learning - Reddit** Mar 4, 2021 · I don't get why faculty think that forcing students to engage with something will boost their learning. I feel like this falls into the same category as forcing students to have their webcams on during class. Maybe instead of tuning Perusall's grading algorithm professors should spend the time trying to find engaging readings or just provide annotated summaries ... Perusall report back : r/Professors - Reddit Nov 6, 2022 · Upon my return to classroom teaching, I've kept using Persuall, but only to add my own annotations to guide the students through the reading in detail. I do not expect them to respond to me or to anyone else in Perusall itself anymore.

That way, I don't have to check it again once I've added my own notes. **Perusall is Frustrating, Unnecessary, and Hurtful to the Learning ...** Feb 9, 2022 · perusall is annoying, but your experience also depends on your professor. my professors understand how difficult the grading system is and they've changed it so that it's easier to get full points. i like the collaboration that's in perusall as well. i think it's a good system, but professors need to understand the platform more to make changes.
