**Love in the Afternoon** Lisa Kleypas, 2010-06-29 Love in the Afternoon continues the Hathaways series by Victorian romance author Lisa Kleypas. As a lover of animals and nature, Beatrix Hathaway has always been more comfortable outdoors than in the ballroom. Even though she participated in the London season in the past, the classic beauty and free-spirited Beatrix has never been swept away or seriously courted...and she has resigned herself to the fate of never finding love. Has the time come for the most unconventional of the Hathaway sisters to settle for an ordinary man—just to avoid spinsterhood? Captain Christopher Phelan is a handsome, daring soldier who plans to marry Beatrix's friend, the vivacious flirt Prudence Mercer, when he returns from fighting abroad. But, as he explains in his letters to Pru, life on the battlefield has darkened his soul—and it's becoming clear that Christopher won't come back as the same man. When Beatrix learns of Pru's disappointment, she decides to help by concocting Pru's letters to Christopher for her. Soon the correspondence between Beatrix and Christopher develops into something fulfilling and deep...and when Christopher comes home, he's determined to claim the woman he loves. What began as Beatrix's innocent deception has resulted in the agony of unfulfilled love—and a passion that can't be denied...

**Married by Morning** Lisa Kleypas, 2010-05-25 Married by Morning continues Lisa Kleypas's Hathaways beloved series set in Victorian London. For two years, Catherine Marks has been a paid companion to the Hathaway sisters—a pleasant position, with one caveat. Her charges' older brother, Leo Hathaway, is thoroughly exasperating. Cat can hardly believe that their constant arguing could mask a mutual attraction. But when one quarrel ends in a sudden kiss, Cat is shocked at her powerful response—and even more so when Leo proposes a dangerous liaison. Leo must marry and produce an heir within a year to save his family home. Catherine's respectable demeanor hides a secret that would utterly destroy her. But to Leo, Cat is intriguing and infernally tempting, even to a man resolved never to love again. The danger Cat tried to outrun is about to separate them forever—unless two wary lovers can find a way to banish the shadows and give in to their desires...

**Untold Mystery of Life** Kirtee Jhurry, 2016-07-30 Untold Mystery of Life is a self-help book. The authors main intention about writing this book is to help every living being on earth become aware of the truth about their existence. This knowledge will definitely help you to know more about yourself. An understanding of true nature is essential to help this world to be free from troubles. This book will definitely help you to reveal a mystery that exists within you but is yet to be known. All the past sages, saints, and founders of religions have reached perfection by fulfilling their daily responsibilities. Their feet were always planted on the solid ground. This book also talks about cultivation throughout the life journey of an individual to accomplish a given selected task by the Supreme Being whom we call God. At the end, you are able to discover the real paradise that exists on earth. Facts may change but the truth will always remain a constant. You shall know the truth and the truth will set you free. This book is a starting point in leading one to understanding what the truth of life is (Michael Chiduku, author of Awakening Your Inner Greatness).

**The Twentysomething Treatment** Meg Jay, 2025-05-13 The author of The Defining Decade explains why the twenties are the most challenging time of life and reveals essential skills for handling the uncertainties surrounding work, love, friendship, mental health, and more during that decade and beyond. There is a young adult mental health crisis in America. So many twentysomethings are struggling—especially with anxiety, depression, and substance use—yet, as a culture, we are not sure what to think or do about it. Perhaps, it is said, young adults are snowflakes who melt when life turns up the heat. Or maybe, some argue, they're triggered for no reason at all. Yet, even as we trivialize twentysomething struggles, we are quick to pathologize them and to hand out diagnoses and medications. Medication is sometimes, but not always, the best medicine. For twenty-five years, Meg Jay has worked as a clinical psychologist who specializes in twentysomethings, and here she argues that most don't have disorders that must be treated: they have problems that can be solved. In these pages, she offers a revolutionary remedy that upends the medicalization of twentysomething life and advocates instead for skills over pills. In The Twentysomething Treatment, Jay teaches us: -How to think less about "what if" and more about "what is." -

How to feel uncertain without coming undone. -How to work—at work—toward competence and calm. -How to be social when social media functions as an evolutionary trap. -How to befriend someone and why this is more crucial for survival than ever. -How to love someone even though they may break your heart. -How to have sex when porn is easier and more available. -How to move, literally, toward happiness and health. -How to cook your way into confidence and connection. -How to change a bad habit you may not know you have. -How to decide when so much about life is undecided. -How to choose purpose at work and in love. The Twentysomething Treatment is a book that offers help and hope to millions of young adults—and to the friends, parents, partners, teachers, and mentors who care about them—just when they need it the most. It is essential reading for anyone who wants to find out how to improve our mental health by improving how we handle the uncertainties of life.

**Paixão ao entardecer** Lisa Kleypas, 2015-02-11 Os livros de Lisa Kleypas são encantadores, divertidos e profundos. E ela é uma rainha em meio a uma vasta corte de romancistas de época. – Entertainment Weekly Você vai ficar encantado com cada membro dos Hathaways, e a profundidade das emoções e do amor que eles sentem um pelo outro é ilustrada de forma magnífica. – Romance Reviews Personagens elaboradíssimos e enredos intrigantes se misturam de forma brilhante. Os Hathaways são deliciosamente românticos e sensuais. – Booklist Personagens incríveis, cheios de nuances, espirituosos e com uma química incontrolável. – Booklist Mesmo sendo uma família nada tradicional, quase todos os irmãos Hathaways se casaram, até mesmo Leo, que era o mais avesso a essa ideia. Mas para a caçula Beatrix, parece não haver mais esperança. Dona de um espírito livre, apaixonada por animais e pela natureza, Beatrix se sente muito mais à vontade ao ar livre do que em salões de baile. E, embora já tenha frequentado as temporadas londrinas e até feito algum sucesso entre os rapazes, nunca foi seriamente cortejada, tampouco se encantou por nenhum deles. Mas tudo isso pode mudar quando ela se oferece para ajudar uma amiga. A superficial Prudence recebe uma carta de seu pretendente, o capitão Christopher Phelan, que está na frente de batalha. Mas parece que a guerra teve um forte efeito sobre ele, e seu espírito, antes muito vivaz, se tornou bastante denso e sombrio. Prudence não tem a menor intenção de responder, mas Beatrix acha que ele merece uma palavra de apoio – mesmo depois de tê-la chamado de estranha e dito que a jovem é mais adequada aos estábulos do que aos salões. Então começa a escrever para ele e assina com o nome da amiga. Beatrix só não imaginava o poder que as palavras trocadas teriam sobre eles. De volta como um aclamado herói de guerra, Phelan está determinado a se casar com a mulher que ama. Mas antes disso vai ter que descobrir quem ela é.
