Yesterday Tobias Becker,2023-12-05 Nostalgia, supposedly, is the sphere of the sentimentalist. But also, and most definitely, it is a force in the creation of the present and future and thus worth careful thought. Yesterday argues that nostalgia's critics defend an idea of progress as naïve as the longing they denounce, while conflating nostalgia itself with historical whitewashing.

Triumph over Trauma Gregory L. PhD Jantz,Keith Wall,2023-03-28 Traumatic experiences happen to nearly everyone, at some time, in some form. The aftereffects--depression, anxiety, addiction, panic attacks, insomnia, and more--can affect us for

years or even a lifetime. But the brokenness following a traumatic event is never a life sentence. We are all changed by trauma, but we do not have to be defined by it. Drawing on cutting-edge research, *Triumph over Trauma* empowers you to find relief and hope once and for all. Rather than offering a one-size-fits-all solution, this whole-person treatment approach recognizes you as a unique constellation of emotional, physical, intellectual, relational, and spiritual dimensions. This book explains how trauma affects your emotions, body, brain, relationships, soul, and dreams. Then it shows you how to create a personalized plan to find your way back to wholeness, joy, and peace.

Reality Calling Nicholas J. Pace,2013-10-03 Crafted from authentic experiences shared by principals, *Reality Calling: The Story of a Principal's First Semester* reveals fictional Principal Joe Gentry's first few months on the job. We see his efforts to establish relationships with students, staff and community, handle unexpected (and sometimes unimaginable) events, and pursue the often elusive concept of instructional leadership. Throughout the process, Joe seeks guidance and support from his wife, mentors and two friends, who are also new principals. As the months roll by, he strives to navigate the complex ups and downs of school leadership, find personal and professional balance, apply the standards that govern school leaders and learn from his mistakes. This extended, real-world case study provides readers an authentic, unvarnished account of a fully-human principal knee deep in what is appropriately called the toughest job in education. The book concludes with Joe and his two principal friends reflecting on lessons learned and setting goals for the second half of the school year -- revealed in this book's companion, *Seeking Balance: The Story of a Principal's Second Semester*.

Current trends are carefully woven into each scenario as Shuman investigates issues surrounding the library's role in the future. **Nimble, Focused, Feisty** Sara Roberts, 2016-08-16 Leaders have talked about the importance of corporate culture for decades, but the success of iconic companies like GE, Apple, and Google shows how culture is a strategic lever that can be utilized for driving growth, change, and innovation. In this new age of globalization, rapid technology shifts, and constant disruption, the 21st century marketplace is more volatile and uncertain than ever. To thrive, businesses need a new kind of emphasis around culture. Sara Roberts, former CEO and founder of Roberts Golden and a seasoned executive consultant to dozens of Fortune 500 companies and CEOs, sees how flourishing companies—from established market leaders to the surprising upstarts—share three distinct attributes: Nimble: They are much faster and more agile than ordinary organizations Focused: They use their sense of purpose as a lens to understand and meet the needs of customers and markets Feisty: They play big and act bold to capitalize on advantages and out-muscle the competition For successful companies in this new era, culture is not about playing defense but about going on offense. It's purposely designed, leveraged, and honed to deliver value and drive growth. In *Nimble, Focused, Feisty*, Roberts provides not only a look into what these organizations are doing differently but also a blueprint and framework so your company can create a cultural strategy to thrive in the new era.
