By The Way, I Love You Ama Vitam,2014-06-20 Within these pages you will find a series of stories, that detail my escape from my past abusive life, and truths that tell of incredible tales of synchronicity. In addition you will find: * Insight into my intuition and whispers from my soul. * Tales of heartwarming guidance from the Universe (my Higher Power). * Stories of my Karmic adventures--living out my good deeds and bad deeds from previous lives, and trusting the very idea that you reap what you sow. * Lessons on the deep discoveries about myself and life, on this place we call Earth. * Stories of Trust, Letting Go, and surrendering to a Higher Power. This is the story of a complete transformation--the rebirth of myself as a deeply spiritual person. My book details the circumstances and events that speak of my journey to the deepest depths of my soul--a soul that has carried many patterns of behaviours, including parts of me that have been carried forward from lifetime to lifetime. In this lifetime, in this existence, I was given the opportunity to extinguish those behaviours--put them to rest, conquer and defeat them for evermore. The purpose of this book is simply to share my journey with you, my beautiful children, and all those who want to change their lives, but just don't know where to start. It is a sharing of my triumphal journey to love and happiness, but most importantly for me, to freedom, the freedom of my soul to live in my Truth. This is what I feel inside my soul every day. I found the courage to take the leap.

Love and Cherish Terry Rajan, 2007 Why is he doing this? I don't understand. He was so wonderful before. Taking me to dinner, the opera at the beautifully remodeled Paramount, the trip to Vegas. His hands always so gentle and knowing afterwards. I would have done anything for him. What happened? He's treating me so hatefully now! On top of everything else, I thought at least he, a doctor, would understand what I'm going through. Well, I've made my plans. They'll all get what's coming to them! Soon. *Love & Cherish: Till Death Do Us Part* is about relationships, losing trust, jealousy, murder, who did it and a surprise in the end. What is important in a marriage? Trust is the most important element in a relationship. When the trust is gone, the relationship is gone. Arnold's innocence and casual relationship with a beautiful girl started the chain event of jealousy and murder. Arnold's conversation with the young girl is fascinating and moving. About the Author: Terry Rajan's books are unique in style. He takes a subject and explores with curiosity to wield interesting stories with suspense and surprise in the end. Terry Rajan is a Sri Lankan Tamil. He left Sri Lanka when he was 18 to study engineering in London, England. After graduation he moved to Canada and then to the United States to obtain a Masters in engineering. Terry Rajan has traveled all over the world and lived in Asia, Europe and North America. He presently resides and works in the United States.

Little Pink Raincoat Gigi Anders, 2009-10-06 A little Coco Chanel, a lot Carrie Bradshaw, with a dash of Maureen Dowd—a hip, hilarious collection of mini-profiles in shopping and romantic courage. From one very fabulous and elusive little pink raincoat (to woo the commitment phobe) to a pair of very persuasive peach panties (gift from a dazzling doc), author Gigi Anders relates her experiences as they deal with her dual obsessions of clothing and men. Here are ten vignettes chronicling ten choice sartorial items and the corresponding boyfriends that would undoubtedly love her stylishly ever after...even if they didn't. Featuring items and boyfriends from Anders's real life, real (extremely jammed) closet, and real bed, *Little Pink Raincoat* is a very tasty, very funny, universal, uplifting, pop cultural meditation on the things we crave and the lengths we'll go to get them.

The Power of Mother Love Brenda Hunter, 2011-05-04 The Power of Mother Love highlights the incredible--although sometimes unrealized--influence that a mother has on her children and her society. Decades of scientific and psychological study provide overwhelming evidence for the idea that mother love has an enormous, permanent impact in shaping the character and life of a child. In her compelling new work, psychologist Brenda Hunter presents a convincing argument that indicates this love is even more powerful, even more far-reaching than our culture has yet realized, not only for the child, but for the mother and society as a whole. Affirming the immeasurable value of the mothering role while realistically addressing women's greatest questions and concerns, Hunter clearly reveals how mother love positively affects the way a woman defines herself. All mothers, and all those who care about the lives of women, children, and the future of our society will be dramatically impacted by this not-to-be-missed book, skillfully written to empower women to mother from the heart.

Quest for Love Elisabeth Elliot, 2021-03-16 I have deep feelings for this guy, but he says I'm like a sister to him. What should I do? Why should a man still be expected to initiate romance? Isn't it okay to spend time together if we're just friends? If I never marry, will God take that desire away? These are some of the many questions posed in letters to Elisabeth Elliot by readers of her bestselling book *Passion and Purity*. In this beautifully repackaged edition of *Quest for Love*, she responds with sound, biblical guidance, dusting off antiquated concepts such as commitment, integrity, honor, and servanthood, and showing how they still apply to dating and singleness today. Intertwined are hopeful true stories of discovering love through God's direction.
