Subtitling Through Speech Recognition Pablo Romero-Fresco,2020-09-30 Based on sound research and first-hand experience in the field, Subtitling through Speech Recognition: Respeaking is the first book to present a comprehensive overview of the production of subtitles through speech recognition in Europe. Topics covered include the origins of subtitling for the deaf and hard of hearing, the different methods used to provide live subtitles and the training and professional practice of respeaking around the world. The core of the book is devoted to elaborating an in-depth respeaking course, including the skills required before, during and after the respeaking process. The volume also offers detailed analysis of the reception of respeaking, featuring information about viewers' preferences, comprehension and perception of respoken subtitles obtained with eye-tracking technology. Accompanying downloadable resources feature a wealth of video clips and documents designed to illustrate the material in the book and to serve as a basis for the exercises included at the end of each chapter. The working language of the book is English, but the downloadable resources also contain sample material in Dutch, French, Galician, German, Italian and Spanish. Subtitling through Speech Recognition: Respeaking is designed for use as a coursebook for classroom practice or as a handbook for self-learning. It will be of interest to undergraduate and postgraduate students as well as freelance and in-house language professionals. It will also find a reading public among broadcasters, cinema, theatre and museum managers, as well as the deaf and members of deaf associations, who may use the volume to support future campaigns and enhance the quality of the speech-to-text accessibility they provide to their members.

New Interpretations of Harper Lee's To Kill a Mockingbird and Go Set a Watchman Amy Mohr,Mark Olival-Bartley,2019-05-30 Featuring essays from an international group of scholars, this volume addresses Harper Lee's To Kill a Mockingbird (1960), the American literary classic, and her controversial Go Set a Watchman (2015). The contributions

include productive new interpretations from diverse critical angles, including US literary and cultural history, Southern studies, sociological theory, gender studies, stylistic analysis, translation, and pedagogy. With a balance of critical analysis and pedagogical approaches, this provocative book will prove to be of particular interest to scholars seeking to reconcile the points of divergence in these two works. For educators at the secondary and university levels, the collection also offers current resources and perspectives on Lee's novels.

The Education Invasion Joy Pullmann,2017-03-14 Most Americans had no idea what Common Core was in 2013, according to polls. But it had been creeping into schools nationwide over the previous three years, and children were feeling its effects. They cried over math homework so mystifying their parents could not help them, even in elementary school. They read motley assortments of "informational text" instead of classic literature. They dreaded the high-stakes tests, in unfamiliar formats, that were increasingly controlling their classrooms. How did this latest and most sweeping "reform" of American education come in mostly under the radar? Joy Pullmann started tugging on a thread of reports from worried parents and frustrated teachers, and it led to a big tangle of history and politics, intrigue and arrogance. She unwound it to discover how a cabal of private foundation honchos and unelected public officials cooked up a set of rules for what American children must learn in core K-12 classes, and how the Obama administration pressured states to adopt them. Thus a federalized education scheme took root, despite legal prohibitions against federal involvement in curriculum. Common Core and its testing regime were touted as "an absolute game-changer in public education," yet the evidence so far suggests that kids are actually learning less under it. Why, then, was such a costly and disruptive agenda imposed on the nation's schools? Who benefits? And how can citizens regain local self-governance in education, so their children's minds will be fed a more nourishing intellectual diet and be protected from the experiments of emboldened bureaucrats? *The Education Invasion* offers answers and remedies.

Together at the Table Karen Oliveto, 2018-07-31 Together at the Table is the personal story and public message of Bishop Karen Oliveto, the first openly LGBTQ person to be elected a bishop in The United Methodist Church. Her election was and is controversial, with opponents seeking to have her removed and some even threatening violence against her. The denomination has been debating the inclusion of LGBTQ people for decades and will be gathering in February 2019 to determine whether it can agree to let conferences within the church ordain as they see fit and let congregations decide what weddings to hold or whether conservative and liberal factions will break off from the denominational body. Bishop Oliveto believes that the church can stay together that people of different convictions can remain in communion with one another. Woven together with her own story of coming out and following God's call to ordained ministry is her guidance for how to live together despite differences by practicing empathy, living with ambiguity, appreciating the diversity of creation, and embracing unity without uniformity.

Handbook of Research on Supporting Social and Emotional Development Through Literacy Education Tussey, Jill, Haas, Leslie, 2021-06-25 The social and emotional welfare of students in both K-12 and higher education settings has become increasingly important during the third decade of the 21st century, as students face a variety of social-emotional learning (SEL) challenges related to a multitude of internal and external factors. As concepts around traditional literacy education evolve and become more culturally and linguistically relevant, the connections between SEL and academic literacy opportunities warrant considerable exploration. The Handbook of Research on Supporting Social and Emotional Development Through Literacy Education develops a conceptual framework around pedagogical connections to social and emotional teaching and learning within K-12 literacy practices. This text provides a variety of research and practice protocols supporting student success through the integration of SEL and literacy across grade levels. Covering topics such as culturally relevant literacy, digital literacy, and content-area literacy, this handbook is essential for curriculum directors, education faculty, instructional facilitators, literacy professionals, practicing teachers, pre-service teachers, professional development coordinators, school counselors, teacher preparation programs, academicians, researchers, and students.

The SEL Solution Jonathan C. Erwin, 2020-12-22 Inspiring and practical guide to create a safe and positive learning environment and help students master critical social and emotional skills. The SEL Solution provides everything teachers need to create a safe and positive learning environment. With dozens of fun and easy-to-do lessons and activities, educators have a clear path to integrate SEL lessons into social studies and language arts curriculum as well as throughout the school day. Additional sections for SEL directors and school leaders offer a blueprint for building a school-wide community that: helps students and staff master critical social and emotional skills, like self-awareness, the ability to focus, self-control, self-regulation, the ability to empathize, active listening, and cooperation engages everyone—kids and adults—in effective, compassionate behavior management strategies increases student success For use by teachers, counselors, coaches,

principals, and other educators, the strategies in The SEL Solution provide a plan for engaging the whole school community in identifying, celebrating, and sustaining its positive values. Digital content includes customizable forms from the book and a PDF presentation for professional development.

Screenwriting Bridget Conor, 2014-04-16 Screenwriting: Creative Labor and Professional Practice analyzes the histories, practices, identities and subjects which form and shape the daily working lives of screenwriters. Author Bridget Conor considers the ways in which contemporary screenwriters navigate and make sense of the labor markets in which they are immersed. Chapters explore areas including: Screenwriting histories and myths of the profession Screenwriting as creative labor Screenwriters' working lives Screenwriting work and the how-to genre Screenwriting work and inequalities Drawing on historical and critical perspectives of mainstream screenwriting in the USA and UK, as well as valuable interviews with working screenwriters, this book presents a highly original and multi-faceted study of screenwriting as creative labor and professional practice. The Experiences of Film Location Tourists Stefan Roesch, 2009 This book examines the on-site experiences of film-induced tourists at various film locations, including locations from The Lord of the Rings, Star Wars and The Sound of Music. The study attempts to understand the needs and wants of film location tourists and also examines how to use films for destination marketing.

The Twilight of the Gothic? Joseph Crawford, 2014-05-15 This book explores the history of the paranormal romance genre; from its origins in the revisionist horror fiction of the 1970s, via its emergence as a minor sub-genre of romantic fiction in the early 1990s, to its contemporary expansion in recent years into an often-controversial genre of mainstream fiction. Tracing the genre from its roots in older Gothic fiction written by and for women, it explores the interconnected histories of Gothic and romantic fiction, from Ann Radcliffe and Jane Austen in the eighteenth century to Buffy, Twilight, True Blood and The Vampire Diaries in the present day. In doing so, it investigates the extent to which the post-Twilight paranormal romance really does represent a break from older traditions of Gothic fiction – and just what it is about the genre that has made it so extraordinarily divisive, captivating millions of readers whilst simultaneously infuriating and repelling so many others.

Critical Media Literacy and Fake News in Post-Truth America Christian Z. Goering, Paul L. Thomas, 2018-04-16 This edited collection is not a response to the 2016 United States Presidential Election so much as it is a response to the issues highlighted through that single event and since when incredibly smart, sophisticated, and intelligent members of our society were confused by misinformation campaigns. While media literacy and critical media literacy are ideas with long histories in formal education, including K-12 students and higher education, the need for increased attention to these issues has never

reached a flash point like the present. The essays collected here are confrontations of post-truth, fake news, mainstream media, and traditional approaches to formal schooling. But there are no simple answers or quick fixes. Critical media literacy, we argue here, may well be the only thing between a free people and their freedom.

Song of the Land Sarah Layzell, Tammy L. Mielke, Michelle H. Martin, 2025-08-15 Contributions by Jennifer Ansbach, Jani L. Barker, Melissa Bedford, Helen Bond, Wanda M. Brooks, Susan Browne, Sabrina Carnesi, Emily Cardinali Cormier, Y. Falami Devoe, Bahar Eshraq, Latrice Ferguson, Catharine Kane, Michelle H. Martin, Devika Mehra, Ngozi Onuora, Lauren Rizzuto, Shelly Shaffer, Bryanna Tidmarsh, Ann Van Wig, Annette Wannamaker, and Raen Parker Washington A major figure in African American children's literature, Mildred D. Taylor (b. 1943) has been publishing groundbreaking, award-winning books for fifty years, including *Roll of Thunder, Hear My Cry*; *Song of the Trees*; *Let the Circle Be Unbroken*; *The Friendship*; *The Road to Memphis*; and *The Land*. Taylor's renowned Logan family saga has become a staple in classrooms and libraries, resonating internationally with its profound impact on readers. Her significance in literature extends beyond captivating storytelling. She has effectively illuminated the struggles and triumphs of African American families, challenging societal norms and shedding light on historical injustices. Through compelling narratives rooted in personal experiences and family history, Taylor has enriched the literary landscape and sparked crucial conversations about race, resilience, and the enduring power of love and courage in the face of adversity. Yet her significant literary contributions have not received the critical recognition they deserve. Seeking to fill that gap, *Song of the Land: Celebrating the Works of Mildred D. Taylor* brings together creative and critical responses to Taylor's work and ongoing legacy. The chapters in this anthology represent an array of disciplines and theoretical lenses, highlighting the impact of African American children's literature. *Song of the Land* is an invitation to learn more about Taylor's work, which lays bare the dangers of white supremacy and racism in American society.

Literacy Coaching in the Secondary Grades Jade Wexler, Elizabeth Swanson, Alexandra Shelton, 2021-06-10 Too many

adolescent learners still struggle with reading. This much-needed guide shows how to support teachers in providing effective literacy instruction in the content areas, which can be intensified as needed within a multi-tiered framework. Adaptive Intervention Model (AIM) Coaching was created for grades 6–8, but is equally applicable in high school. The book gives instructional coaches an accessible blueprint for evaluating, developing, and reinforcing each teacher's capacity to implement evidence-based literacy practices. User-friendly features include case studies, end-of-chapter reflection questions and key terms, and reproducible tools. Purchasers get access to a companion website where they can download and print the reproducible materials--plus supplemental lesson plans and other resources--in a convenient 8 1/2 x 11 size.

Fighting the White Knight Jocelyn Turner, 2023-01-12 In her final year of teaching, Jocelyn Turner spent over one-fifth of each week administering mandatory tests and quizzes. She spent the remaining time preparing students to take those specific exams, regardless of the background knowledge and preparedness of individual students. While she was testing, she could not teach. Teachers were expected to present the same Common Core-based, grade-specific material to all their students at the same time-- whether Jake was reading at a first-grade level or Taylor at a ninth-grade level. It was a rare and lucky child who fit the profile of the year's onslaught of tests. Since No Child Left Behind, US schools have been burying students in tests and then drawing often misguided conclusions--when sometimes the only conclusion anyone ought to draw is that student X obviously spent hours staring at a set of questions he or she did not understand and maybe could not even read. We have been told that US education is in crisis. Ms. Turner agrees. In *Fighting the White Knight*, she argues that government mandates created and are now perpetuating this crisis, depriving children of remedial learning, instruction time, and personal attention. *Fighting the White Knight* also looks at the \$1.6 trillion student debt crisis, a consequence of today's single-minded, college-bound pipeline; vocabulary deficits left to fester due to narrowly targeted curricula; and the sneaky gutting of elective, vocational/technical, and gifted education. Ms. Turner concludes by advocating for changes she believes can rescue American education--guiding children back to the safe, inspirational learning experiences of a more student-focused time.

Communalism from Indian Perspective Sarajit Kumar Chatterjee, 2016-01-01 A pluralistic country like India has become the playground of communalism. In spite of its vivisection on the basis of religion in 1947, India could not, rather did not, insulate itself from the virus of communalism. There are many reasons for the growth and sustenance of communalism in free 'secular' India. Perhaps our Constitution is no less responsible for this. The Framers of the Constitution might have wanted to usher in a true secular India, but their obsession with communalism stood in the way. They weighed everything from a communal angle. As a result they incorporated several community-specific provisions which benefited particular religious communities and at the same time, shied away from incorporating those provisions in the Constitution which would have put a death nail to the coffin of communalism. What is more ominous is that they never realised that their actions and non-actions

would give a fresh lease of life to communalism and that there would be polarisation of the communities on the basis of religion in post-independent India as well.
