Holly Rogers,Joana Freitas,João Francisco Porfírio

Remediating Sound Holly Rogers,Joana Freitas,João Francisco Porfírio,2023-09-07 Remediating Sound studies the phenomena of remixing, mashup and recomposition: forms of reuse and sampling that have come to characterise much of YouTube's audiovisual content. Through collaborative composition, collage and cover songs to reaction videos and political activism , users from diverse backgrounds have embraced the democratised space of YouTube to open up new and innovative forms of sonic creativity and push the boundaries of audiovisual possibilities. Observing the reciprocal flow of influence that runs between various online platforms, 12 chapters position YouTube as a central hub for the exploration of digital sound, music and the moving image. With special focus on aspects of networked creativity that remain overlooked in contemporary scholarship, including library music, memetic media, artificial intelligence, the sonic arts and music fandom, this volume offers interdisciplinary insight into contemporary audiovisual culture.

Be Fierce Gretchen Carlson,2025-05-01 A groundbreaking manifesto from journalist Gretchen Carlson about how women can protect themselves from sexual harassment in the workplace and reclaim their power against abuse or injustice . In BE FIERCE, Gretchen shares her own experiences, as well as powerful and moving stories from women in many different careers and fields who decided they too weren't ready to shut up and sit down. Gretchen became a voice for the voiceless. In this revealing and timely book, Gretchen shares her views on what women can do to empower and protect themselves in the workplace or on a college campus, what to say when someone makes suggestive remarks, how an employer's Human Resources department may not always be your friend, and how forced arbitration clauses in work contracts often serve to protect companies rather than employees. Her groundbreaking message encourages women to stand up and speak up in every aspect of their lives. Gretchen also discusses why this fight will require both women and men working together to ensure that our daughters and sons will have a brighter future. BE FIERCE is a cultural movement and a motivating testament to what we can accomplish if we collectively decide to become warriors in the path for a better future. The time is now. Take back your life, your career, and your dignity. Twitter: @GretchenCarlson Facebook: @GretchenCarlson Instagram: @therealgretchencarlson A portion of each book sale will go towards Gretchen's Gift of Courage fund. Using your voice and speaking your truth is a step toward freedom. Be a 'Fierce' force because that's what it takes to change the world. -- Maria

Hairdresser or Footballer: Bridging the gender gap in schools Hollie Anderton, Ross Morrison McGill, 2018-10-30

Teaching is a profession where we are persistently trying to ensure that our children have the best possible future, yet gender is still a huge hurdle in terms of expectations. We are setting children up to fail because society instills certain messages in them that can often stop them from achieving what they desire and as teachers, we aren't always opposing them. Often, teachers are so removed from this issue that they don't see it going on in their classroom.
