The Prison Doctor: Women Inside Dr Amanda Brown, 2020-06-25 From the Sunday Times bestselling author Dr Amanda Brown.

The Prison Doctor: Women Inside Amanda Brown, 2020 From the Sunday Times bestselling author Dr Amanda Brown.

*The Prison Doctor* Dr Amanda Brown, 2019-06-13 'Extraordinary' Daily Mail As seen on BBC Breakfast Horrifying, heartbreaking and eye-opening, these are the stories, the patients and the cases that have characterised a career spent being a doctor behind bars.

**The Prison Doctor** Amanda Brown, 2022 Dr Amanda Brown tells heartbreaking stories with warmth and compassion of her time spent working with prisoners whose fate of deportation hangs in the balance. Including moving and memorable stories, such as a Nigerian man who's dying of cancer and wants to do so with his family around him rather than be deported back to his country where he will die alone, and a Ghanaian who is terrified to return home as he knows certain death awaits him there because he's gay, Dr Amanda describes how in the end she can only do what she does best. And that's take care of her patients while they're in prison.

**The Climb Up and Away** Tom Lewin, 2021-08-26 So, you think when you go before the judge you're going to get a fair and unbiased hearing? No, no, no, you silly billy! Unless you're pristinely clean and even then you have been weighed and measured before you even get in the dock. From the senior police officer who puts the word in to the prosecution, who then puts the word into the ear of the judge. He will even know what you've had for breakfast. In my latest court case at Coventry Magistrates Court, I was charged with refusing to name the driver of a vehicle that I had sold, even though I had informed the police. The prosecution caught the eye of the judge and held it... Your honour, this is a difficult case... and there are more serious charges... The judge nodded imperceptibly... I was found guilty after 5 minutes. No witnesses. No press. You can guess what my chances are for an appeal. What serious charges? I've heard nothing... In September an ex-tenant broke into my house with eight mates in balaclavas and robbed me. In April a plumber broke into one of my properties; stole a boiler

and a waste trap. He admitted it on WhatsApp! In both cases the police have done nothing. No evidence you see... The police pick on easy targets to get their results. If it's too difficult they turn away...

**Тюремный доктор. Истории о любви, вере и сострадании** Аманда Браун, 2020-03-26 Жестокость. Наркотики. Суицид. Добро пожаловать в мир тюремного доктора! Леденящие кровь, душераздирающие и поучительные – так можно охарактеризовать случаи из жизни и истории лечения пациентов, описанные врачом, считавшим своим профессиональным долгом помочь тем, кто находится под арестом. Все ее пациенты – преступники. Но, несмотря ни на что, для них она по-прежнему остается лечащим врачом. Доктор Аманда Браун лечила заключенных в скандально известных тюрьмах Великобритании – вначале в исправительных учреждениях для несовершеннолетних, затем в пресловутой Уормвуд-Скрабс и впоследствии в крупнейшей европейской тюрьме для женщин Бронзфилд. Она видела все – от грязных протестов до удивительных случаев беременности, от чудовищных нападений на заключенных до безжалостных актов причинения вреда самим себе. В этих откровенных, жизнеутверждающих мемуарах Аманда Браун приводит истории и случаи, повлиявшие на ее карьеру, напоминая о помощи тем, к кому большинство из нас скорее проявило бы равнодушие.

**Doktorka za mřížemi** Amanda Brownová, 2021-01-01 Dr. Amanda Brownová pečovala o chovance v nejslavnějších britských věznicích od zařízení pro mladistvé delikventy přes nechvalně proslulou mužskou věznici Wormwood Scrubs až po Bronzefield, největší ženskou věznici v Evropě. Byla svědkem zázračných porodů, vynalézavých projevů odporu, brutálních útoků na vězně i srdcervoucího sebepoškozování. V těchto nemilosrdně upřímných a inspirativních memoárech líčí Amanda případy, které formovaly její kariéru, příběhy o tom, jak pomáhala lidem, na které by většina z nás raději zapomněla.

**The Witherspoon Legacy** G. K. Sutton, 2008-10-02 Amanda Childs, Attorney at Law, also moonlights as parish organist at St. Catherine's Episcopal Church, Mainville. A widow, she lost her husband Andrew, an FBI agent, four years ago when he was mysteriously killed. The details of his death were never disclosed by the authorities. Amanda has never remarried. Instead, Amanda has thrown herself into her law practice, as well as immersed herself in the musical and church activities in the small town of Mainville. Her dear friend and constant companion is Marjorie Witherspoon, an older and wealthy woman who lost her husband and daughter, Amanda's best friend, in an automobile accident fifteen years earlier. Together they are active in church and community activities. Amanda's friend Marjorie succumbs in a valiant fight against cancer. Amanda finds herself again alone and struggling with her grief and loneliness. In the aftermath of Marjorie's death, Amanda discovers herself suddenly named in Marjorie's new will as trustee for several large projects on behalf of the church, and as residuary legatee, the estate being in excess of fifty million dollars. The day of the memorial service, the Bishop, Stephen Marks, who is celebrating the Eucharist, is handed a letter from Marjorie Witherspoon, to whom he was engaged years ago. He staggers out of church during the service, and suffers a heart attack. Amanda finds him, and her intervention helps save his life. Later

at the wake Amanda becomes violently ill and passes out. There are some rumblings in the community that she is actually a closet alcoholic and pill addict. The day after the memorial service, Amanda is visited by an auditor from the Presiding Bishop, who is investigating unexplained disappearances of monies from the diocese and church, the vehicle seemingly through the recital series fund she and Marjorie had set up. Suspicion turns to Amanda, as allegations are made that she has unduly influenced Marjorie Witherspoon in order to inherit, as well as that she has set up a corporation for the embezzlement of funds from the church. Amanda finds herself embroiled in possible scandal and criminal investigation, as Connor Thomson, the auditor retained by the Presiding Bishop's office, continues to encounter and engage her in his search for evidence. Her close childhood friend Bill Barnes, another attorney from an old established family in town, a perennial playboy and recent widower, reappears at her side, trying to seduce her into marriage. Amanda is faced with a dilemma of who to trust as she is mired in suspicion and the evidence of fraud points to her. Mysterious incidents threaten her life and keep her on edge. In the meantime she must fend off the accusations of Connor Thomson and the advances of Bill Barnes, while making arrangements to get away to New York to see Malachi Feinstein, the attorney handling Marjorie's estate, who urges her to meet with him without delay. As Amanda is drawn more and more into danger, she is unaware that the small-town secrets regarding her and those she has loved, events about which she has been in the dark, are about to be revealed.

**The Childs Conundrum** G. K. Sutton, 2009-11-16 Amanda Childs, Mainville attorney and organist at St. Catherine's Episcopal Church, was happy. Exonerated of charges of federal criminal conspiracy, embezzlement and money laundering, she has just become engaged to Jon Connor, the FBI agent who was investigating the case. Her friend and law partner Ralph Carmichael is getting married. However, just as things seem to be going so well, she is felled with the news that William Barnes, Sr., the head of the conspiracy that took the life of her husband Andrew and almost cost hers as well, is fighting the charges, and intends as his defense to again pin the blame upon her. She renounces her engagement, despite Jon's protests, to keep Connor's integrity intact. She informs him that his credibility on the stand would be tainted if the jury is informed he is dating and engaged to the former prime suspect in the case. She painfully resolves, for the sake of Andy's memory, that nothing will hinder the prosecution and conviction of Barnes. In the meantime an old childhood friend faces charges that he murdered his wife. Amanda steps in to defend her friend, and in so doing is thrown in constant close proximity with another lifelong friend. The contact resurrects old memories and repressed feelings between them. While still reeling about the revelations of her own paternity, Amanda suddenly learns that her deceased husband Andrew's past is shrouded in mystery. All her past doubts about Andrew's love for her are revisited, when it is learned that he kept certain personal matters secret from her. In the meantime she is being shadowed, and is accosted by a newspaper reporter about to leak the story of Andrew's famous father. Just as Amanda seemingly sees light at the end of the tunnel and makes crucial decisions regarding

her future happiness, she is mired in suspicion of murder. The evidence clearly points to her as the perpetrator. Her liberty and very life become in jeopardy, and she must rely upon others to try to save her from impending doom.

**Handbook of Social Psychology** John DeLamater, Amanda Ward, 2013-08-13 This handbook provides a broad overview of the field of social psychology and up-to-date coverage of current social psychological topics. It reflects the recent and substantial development of the field, both with regard to theory and empirical research. It starts out by covering major theoretical perspectives, including the inter actionist, identity, social exchange, social structure and the person perspectives. Next, it discusses development and socialization in childhood, adolescence and adulthood. In addition to updated discussions of topics that were included in the first edition, the part examining personal processes includes entirely new topics, such as social psychology and the body and individual agency and social motivation. Interpersonal processes are discussed from a contemporary perspective with a focus on stress and health. The final section examines the person in sociocultural context and includes another topic new to the second edition, the social psychology of race and gender and intersectionality.

*The British Television Pilot Episodes Research Guide 1936-2015* Christopher Perry, 2015-12 A new idea can become an expensive flop for TV executives. So from the earliest days of television, the concept of a pilot episode seemed like a good idea. Trying out new actors; new situations and new concepts before making a series was good economical sense. It was also tax deductible. Sometimes these pilots were shown on television; sometimes they were so awful they were hidden from sight in archives; and sometimes they were excellent one-offs, but a series seemed elusive and never materialised. Chris Perry has always been fascinated by the pilot episode. So many pilots are made annually, but never seen by audiences. Only a handful appear on screen. It's a hidden world of comedy, variety, drama and factual programming. This volume attempts to lift the lid on the world of the TV pilot by revealing the many transmitted and untransmitted episodes made through the decades.
