Martial Hearts Danny Passmore, 2024-12-20 Grandmaster Danny Passmore has been a lifelong student and teacher of

physical and emotional self-defense. His success in developing the Whole Child Training Concept has been praised and practiced across the United States and Abroad as a complement to teachers of martial arts and life skills of all ages. Martial Hearts sets to develop a Defensive Mental Edge against potentially aggressive emotional and/or physical abuse. The Chapter on Planning Your Future offers step-by-step instruction for youth to develop critical thinking and problem-solving skills, which will help them develop proper relationships from childhood to and throughout adulthood. The in-depth section on academic organizing, studying and testing skills eases the burden of education, improving behavior as well as time for important peer social practices. Learning the information of emotional con games protects your heart from those who wish to gain your confidence quickly and then betray that trust with selfish motives. It will also help you to understand if you have unknowingly developed such traits through societal input allowing you to correct such behavior in order to successfully engage in proper relationship development for a happy and productive life. Then, there are the 19 courtesy rules. Learning and practicing such etiquette is fun and instills respect from peers as they see the gentlemanly or lady-like behaviors in the practitioner. Practicing all 19 courtesy rules helps people to feel better emotionally and they have you to thank. In this life, when so many people are so selfish and feel so empty, you are making a difference, a light in a world of darkness. Who could ask for a more successful beginning to a life of happiness and social acceptance. About the Author Danny Passmore began his martial arts training on January 2, 1972, in Waco, Texas, under Dennis Gotcher. He retired from training and teaching in 2009, when his Marine Corps injuries prevented him from continuing. He was inducted into the World Martial Arts Hall of Fame as one of the last true pioneers in martial arts for his work with the deaf after putting together an all-medaled deaf Taekwondo tournament team. Three of his deaf students were promoted to black belt and two of those went on to become certified masters. He then founded the Texas Martial Arts Hall of Fame®, produced a television show entitled Martial Arts Masters of Texas® and, in the year 2000, developed his Nice Ninja® program for at-risk children. His catchphrase was Training Tomorrow's Leaders Today. Having taught behavioral skills to be an important part of self-defense training, Mr. P. wrote and published his works on emotional self-defense titled Positive Defensive Behavior® in 2006. Later, he published the first volume of his updated book, Martial Hearts, focusing on behavioral and emotional self-defense skills. Mr. Passmore now spends his days touring the country by motorcycle and writing short stories for kids with reading deficiencies. Each story is from his personal adventures, from exploring a secret underground submarine base on the Italian coast, to a fact-finding mission in the Sahara Desert, where he visited the frontlines of the war against Morocco and taught hand-to-hand combat techniques to the Polisario army of the Western Sahara.

A Critique of Anti-racism in Rhetoric and Composition Erec Smith, 2019-12-12 A Critique of Anti-racism in Rhetoric and Composition: The Semblance of Empowerment critiques current antiracist ideology in rhetoric and composition, arguing

that it inadvertently promotes a deficit-model of empowerment for both students and scholars. Erec Smith claims that empowerment theory—which promotes individual, communal, and strategic efficacy—is missing from most antiracist initiatives, which instead often abide by what Smith refers to as a primacy of identity”: an over-reliance on identity, particularly a victimized identity, to establish ethos. Scholars of rhetoric, composition, communication, and critical race theory will find this book particularly useful.

Compass in the Existence Margarita R. Pedrozo-Walling, 2016-01-20 Here is wisdom, plain and simple. Whereas a Zen Koan will challenge you to intuit its import and thus achieve enlightenment, these lines are forthright and free for the taking. Far from the philosophical adumbrations of Miguel de Unamuno, farther yet from cutesy ersatz wisdom ala Francois de la Rochefoucauld these daily lines present the perennial knowledge of the true, the good, the beautiful, the wisdom and the One. Salomon has confided that, if you invite wisdom, she will come to you. With that assurance, read and believe on these spiritual daily quotes for any moment of the year. Then sit yourself down quiet and alert, dismissing each thought or sensation as it arises and just wait. I suspect this is how the author day by day obtained her wisdom. Robert Call, former Catholic priest, human rights activist, playwright and actor.

The Self, the Lord, and the Other according to Paul and Epictetus Michael J. Gorman, 2023-03-29 This study explores the relationship between the individual person (the self), the divine, and other people in the writings of the apostle Paul and the Roman Stoic Epictetus. It does so by examining self-involving actions expressed with reflexive pronouns (myself, yourself, etc.) in various kinds of sentences: for example, Examine yourself and You do not belong to yourself. After situating the topic within the fields of linguistics and ancient Greek, the study then examines the reflexive constructions in Epictetus's Discourses, showing that reflexive texts express fundamental aspects of his ethic of rational self-interest in imitation of the indwelling rational deity. Next, the investigation examines the 109 reflexive constructions in Paul, providing an exegesis of each reflexive text and then synthesizing the results. Paul's reflexive phrases are essential statements of his theology and ethics, expressing an interconnected narrative Christology, narrative apostolic identity, and narrative ethic. Most importantly, the study finds that for Epictetus, concern for others is a rational means to self-realization, whereas for Paul, concern for others is a community ethic grounded in the story of the indwelling Christ and is the antithesis of self-interest.

Holy Confidence Fr. Benedict Rogacci, 2017-10-26 Too many Christians believe that they please God better by a trembling submission to Him rather than a sweet and confiding liberty. In these pages, Fr. Rogacci shows us that time and time again, Our Lord insisted that we be at ease with Him. Where there is too much fear, there is no room for love. In persuasive and surprising ways, Fr. Rogacci shows us how to gain full confidence in God and how our familiarity with Him is the most efficacious way to promote His glory — and our own happiness. You'll also learn: How fear of damnation promotes neither humility nor even brings about true conversion Proven false: the claim that Scripture demands we live in fear of God How to eliminate the fears which smother your confidence in God and banish spiritual joy Why God's majesty should be no obstacle to friendship with him Will only a few souls be saved? Learn the surprising truth from Scripture Why it's not merely erroneous, but actually unjust to accuse God of severity Why your sins should not diminish your confidence in God Why friendship with God never requires you be worthy of it How to guarantee that you will have final perseverance in the love of God How to set aside all doubts about your ultimate salvation. Plus: why you should do so now Confidence in the love of God is the surest way to grow daily closer to Him. Deeply rooted in Scripture and the writings of the saints, these wise pages will not only convince you of this, but will provide solid, reasoned, Scriptural ways that you can develop greater confidence in Our Lord and attain final union with Him in Heaven.

Psalms 1-44 Abraham Kuruvilla, 2024-03-04 This three-volume commentary on the Psalms engages hermeneutics for preaching, employing theological exegesis that enables the preacher to utilize all the psalms in the Psalter to craft effective

sermons. It unpacks the crucial link between Scripture and application: the theology of each preaching text/psalm--what the author is doing with what he is saying in each psalm--is explored and explicated. While the primary goal of the commentary is to take the preacher from text to theology, it also provides a sermon outline for each of the preaching units in the Psalms. The unique approach of this work results in a theology-for-preaching commentary that promises to be useful for anyone teaching from the Psalter with an emphasis on application.

My Story His Glory Gwen Lewis,2022-11-03 From the very first page of My Story His Glory, readers quickly connect with the colorful characters of this engaging work by first time author, Gwen Lewis. We are quickly introduced to the main character of the story, a little girl born into poverty and inequality. We learn that she grew up during a time when all the social institutions were segregated, and Jim Crow laws prevailed. She is the ninth of ten children born to Ruth and Ab Mason. Demoralized by bigotry and hatred, her parents tried to instill a sense of pride and goodness into their children. Though neither of her parents were formally educated, they championed education as the vehicle to independence and a better way of life for their children.The book reveals intimate details about her impoverished home life in an honest, unpretentious way. Life was sometimes hard, but there were also times of contentment and joy. As we continue to follow her story, we also see ourselves in the struggles she faced when she eagerly left home for college. Choosing to attend the historic Tuskegee Institute located forty miles from where she grew up was a point of great pride for her.We witness the grace and goodness of

God and how he never left her alone. It is interesting as well as inspiring to witness the love and compassion of God as he carried her when she didn't even know he was there. Later she would learn to recognize his gentle hand. We laugh at her childhood antics, cry with her as she painfully recalls personal losses, and rejoice with her as she triumphs over her enemies! After reading My Story His Glory we walk away inspired, with a desire to know this ever-present God she affectionately calls Father.

Berit Olam: The Twelve Prophets Marvin A. Sweeney, 2016-03-16 There is generally no common material that binds together the works of the individual prophets that comprise the Twelve, but through Sweeney's commentary they stand together as a single, clearly defined book among the other prophetic books of the Bible. The Book of the Twelve Prophets is a multifaceted literary composition that functions simultaneously in all Jewish and Christian versions of the Bible as a single prophetic book and as a collection of twelve individual prophetic books. Each of the twelve individual books - Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, and Malachi - begins with its own narrative introduction that identifies the prophet and provides details concerning the historical setting and literary characteristics. In this manner each book is clearly distinguished from the others within the overall framework of the Twelve. By employing a combination of literary methodologies, such as reader response criticism, canonical criticism, and structural form criticism, Sweeney establishes the literary structure of the Book of the Twelve as a whole, and of each book with their respective ideological or theological perspectives. An introductory chapter orients readers to questions posed by reading the Book of the Twelve as a coherent piece of literature and to a literary overview of the Twelve. Sweeney then treats each of the twelve individual prophetic books in the order of the Masoretic canon, providing a discussion of each one's structure, theme, and outlook. This is followed by a detailed literary discussion of the textual units that comprise the book.

Quotes from a Wise Fool William Frasca, 2024-01-17 During my life, seldom did I accept things at face value, so I was always trying to understand why myself and others did the things we did. For the happy and enjoyable days of my life, that were few and far between. I didn't find the need to expand the search for what caused those events to transpire; on the days where I was challenged and found myself in over my head yet again, I dug deeper to help me find out why I acted poorly or why my choices were not the most popular ones in the history of the world. The early part of my life left quite a bit to be desired and along with a poor beginning came many poor choices that made me unpopular, but they did create excitement for the viewing audience. Struggling to fit in and being misunderstood are kind of my thing, and those decisions that made others view me as hostile and sometimes unwanted were captured in a series of private thoughts that were both put to paper and others that needed no documentation because they ran on a constant loop through my cavernous mind and gave me a constant reminder of how unpopular one man can become with hardly any effort. How complete my examination on my past

is not for me to decide. I will leave that to the reader, but I can 100 percent guarantee that this information is factual and, at times, for me, more than a little heartbreaking. This is not an attempt for sympathy, that dream was crushed in my first few years of life, waiting for a kind word or a much-needed hug as a child were things I saw in movies but not in my home. I hope that I have made my vision of these times interesting enough so that you have enjoyed the experience of reading this book enough for it to be worthy of your time. Each of these ideas of mine are shared as quotes and explained in very plain terms, and on occasion, the pain of spending a lifetime of being judged harshly by those who have helped craft this person who has fallen from grace.
