

The Song Of The Loon

Henry Wadsworth Longfellow

Song of the Loon Richard Amory, 2005-05-01 “More completely than any author before him, Richard Amory explores the tormented world of love for man by man . . . a happy amalgam of James Fenimore Cooper, Jean Genet and Hudson’s Green Mansions.”—from the cover copy of the 1969 edition Published well ahead of its time, in 1966 by Greenleaf Classics, *Song of the Loon* is a romantic novel that tells the story of Ephraim MacIver and his travels through the wilderness. Along his journey, he meets a number of characters who share with him stories, wisdom and homosexual encounters. The most popular erotic gay book of the 1960s and 1970s, *Song of the Loon* was the inspiration for two sequels, a 1970 film of the same name, at least one porn movie and a parody novel called *Fruit of the Loon*. Unique among pulp novels of the time, the gay characters in *Song of the Loon* are strong and romantically drawn, which has earned the book a place in the canon of gay American literature. With an introduction by Michael Bronski, editor of *Pulp Friction* and author of *The Pleasure Principle*. Little Sister’s Classics is a new series of books from Arsenal Pulp Press, reviving lost and out-of-print gay and lesbian classic books, both fiction and nonfiction. The books in the series are produced in conjunction with Little Sister’s Book and Art Emporium, the heroic Vancouver bookstore well-known for its anti-censorship efforts.

The Queer Sixties Patricia Juliana Smith, 2013-12-16 *The Queer Sixties* assembles an impressive group of cultural critics to go against the grain of 1960s studies, and proposes new and different ways of the last decade before the closet doors swung open. Imbued with the zeitgeist of the 60s, this playful and powerful collection rescues the persistence of the queer imaginary.

Ornithologies of Desire Travis V. Mason, 2013-09-03 *Ornithologies of Desire* develops ecocritical reading strategies that engage scientific texts, field guides, and observation. Focusing on poetry about birds and birdwatching, this book argues that attending to specific details about the physical world when reading environmentally conscious poetry invites a critical humility in the face of environmental crises and evolutionary history. The poetry and poetics of Don McKay provide *Ornithologies of Desire* with its primary subject matter, which is predicated on attention to ornithological knowledge and avian metaphors. This focus on birds enables a consideration of more broadly ecological relations and concerns, since an awareness of birds in their habitats insists on awareness of plants, insects, mammals, rocks, and all else that constitutes place. The book’s chapters are organized according to: apparatus (that is, science as ecocritical tool), flight, and song.

Reading McKay's work alongside ecology and ornithology, through flight and birdsong, both challenges assumptions regarding humans' place in the earth system and celebrates the sheer virtuosity of lyric poetry rich with associative as well as scientific details. The resulting chapters, interchapter, and concordance of birds that appear in McKay's poetry encourage amateurs and specialists, birdwatchers and poetry readers, to reconsider birds in English literature on the page and in the field.

Abel's Song D.K. Leighfield, 2013-11 Long ago in the far-off Northern Lands ... An egg is laid ... A chick is hatched ... And the adventure of a lifetime ... Begins. Abel was the son of the loon chieftain. He was bigger, stronger, and faster than any other chick in the colony. But there was one thing he couldn't do ... Abel could not sing. Rejecting his father and his teachings, Abel sets out on the lake to prove his independence. But a danger awaits that will soon test the prodigal loon chick in ways that he could never imagine. A story of rebellion, redemption, and the love of a father that defies all understanding ...

Heaven on Earth Sandra Voelker,2019-06-11 “A charming ‘tail’ revealing a church’s congregational life through the sharp eyes of its own church mice. A delightful read!” – Mount Olive Lutheran Church’s Monday Night Book Group Rochester, Minnesota *Heaven on Earth*, the second book in the Finley’s Tale series, brings to light more amusing adventures and further intriguing developments at Historic St. Peter’s, recorded by church mouse Finley Newcastle. Finley and the entire mice village perpetually observe the anything-but-boring church people, some odd shenanigans, an underground discovery, church vandalism, and much, much more. Their top priority, as always, is Safety First. Pastor Osterhagen and his family walk by faith through the church year by doing what they do best: confidently proclaiming and trusting in Jesus Christ, their Lord and Saviour, for the forgiveness of sins, and relying on God’s daily gifts of abundant grace and protection.

One Story, One Song Richard Wagamese, 2011-04-01 A new collection of warm, wise and inspiring stories from the author of the bestselling *One Native Life*. Since its publication in 2008, readers and reviewers have embraced Richard Wagamese's *One Native Life*. "In quiet tones and luminous language," wrote the Winnipeg Free Press, "Wagamese shares his hurts and joys, inviting readers to find the ways in which they are joined to him and to consider how they might be joined to others." In this new book, Richard Wagamese again invites readers to accompany him on his travels. This time his focus is on stories: how they shape us, how they empower us, how they change our lives. Ancient and contemporary, cultural and spiritual, funny and sad, the tales are grouped according to the four essential principles Ojibway traditional teachers sought to impart: humility, trust, introspection and wisdom.

Arctic Wings Stephen Charles Brown, 2006 Two hundred color images celebrating the birds that journey to the Arctic National Wildlife Refuge each year are accompanied by essays by noted biologists and conservationists.
