Evelyn Hibbert, Richard Hibbert

WALKING WITH GOD Oluwagbemiga Olowosoyo, 2012-07-10 The greatest experience anyone could ever have is to walk with God. It is awesome. However, God is not a man. And it could be challenging to walk with someone you could not see with naked eyes. Meanwhile, when you understand Him and His ways, it would become fun.

Walking with God Day by Day Martyn Lloyd-Jones, 2013-05-31 Be devoted to God with your heart and your mind. Do you look to devotional books for guidance as you seek to focus your heart on the Lord each day? If you do, you know that too often devotional material fails to engage the mind in addition to the heart. Touching stories replace the very source of lasting encouragement and strength we need each day—the truth of the Word of God. But this is never true of Dr. Martyn Lloyd-Jones's writing. *Walking with God Day by Day* offers brief daily devotionals that engage the mind and the heart. You will not just find spiritual nourishment in its pages; you will learn about God and the great themes of the Bible. Robert Backhouse has compiled excerpts from choice passages in the writings of Dr. Lloyd-Jones according to monthly themes. By reading this devotional, you will grow in your understanding of God and learn to apply the truth of His Word day by day.

Walking with God and My Dog Patti Miller, 2018-05-21 *Walking with God and My Dog* is a heartfelt prayer journal and faith walk that strives to give us the opportunity to breathe out and breathe in, to listen and observe, to engage in meaningful spiritual conversations with each other and with God, and to walk more closely with God. Author Patti Miller shares her own journey in faith as she rediscovered God's showcase during meditative walks with her dog, Sam-Elliott. She reminds us that we can always take the time to find God and our faith in each moment of our lives and you don't even need to own a dog! True prayer is a conversation with God, not a monologue or a soliloquy of our desires and wish lists. If you have been praying and praying but can't seem to get an answer, then allow *Walking with God and My Dog* to show you a new way to listen for the gentle whisper of God above the clamor of daily life and its distractions. You will be amazed to discover that God was there all along, answering your prayers and showing you the way forward.

Walking as Jesus Walked Dann L. Spader, 2011-09-01 Jesus must be our model for ministry. Sounds obvious, right? Or is it? Jesus, in all His humanity (and all His divinity) shows us the best possible way to live. Through the way He lived, He modeled the priorities of how to multiply “much fruit.” Following Jesus' example, His disciples then changed the course of history. How then can we follow Jesus' example? We must study His life. How did Jesus pray? In what types of relationships did He invest? Where were His priorities? Can my priorities be His priorities? Can I walk like He walked? What we do with Jesus MATTERS. Global ministry trainer Dann Spader practically and helpfully walks us through 10 weeks of exciting, ministry-altering study to really begin to walk as Jesus walked.

Stroble imagines what Jesus would have said to his companions and guides readers along the way with forty-six devotions referencing the Old Testament. Readers will ultimately come to the Easter celebration with a fuller understanding of God's promise fulfilled by Jesus' death and resurrection.

Walking And Talking With God Phil Walter, 2023-10-04 Have you ever wondered what it would be like to live in the Garden of Eden? Just think, Adam and Eve enjoyed a beautiful home with the marvelous privilege of walking and talking with God. Do you think there is a way to recapture some of that glorious communion with God on this side of eternity? Author Phil Walter believes there is. He maintains that people can enjoy sweet fellowship and powerful conversations with God that are reminiscent of Eden. In *Walking and Talking with God*, he shares some biblical principles that will help followers of Christ

experience some of that soul-stirring relationship that was lost in Eden. Phil learned these lessons through his in-depth study of the Scriptures, his interaction with well-versed Christian teachers, and his personal experiences on his journey of life. However, this is not a collection of personal memoirs; it is a compilation of lessons that confirm and exalt biblical truths. The first section of his book is entitled Walking and Talking with God. In it, Phil provides a variety of lessons about discipleship and prayer that Christ-followers should understand. He shows the reader that good prayers start with a good relationship with God on the Lord's terms. Then he goes on to relate how magnificent that relationship can be. The second section, entitled Jesus's Model Prayer, focuses on the Lord's Prayer as presented in Jesus's Sermon on the Mount. Phil unpacks the prayer, piece by piece, to show the amazing depth of truths found in it. The third section is Comprehensive Prayer. Phil uses this unusual term to expand the scope of typical prayers. He encourages readers to consider the multitude of prayer possibilities all around them, perhaps the way God sees our world. He even offers a sample of a comprehensive prayer which he suggests can be a helpful tool in several ways. His intention is for believers to dive deeper and draw closer to God in prayer. After covering a broad range of topics related to prayer and discipleship, the Appendix is filled with practical information, such as Helpful Scriptures with Personal Comments about Prayer, A Sample Prayer Campaign for Your Church: Fourteen Days of Prayer for Our Church, and How to Start a Prayer Ministry in Your Church or for Yourself.

Being God's Man by Walking a New Path Stephen Arterburn, Kenny Luck, Todd Wendorff, 2010-05-26 Take up a new calling. Walk a new path. And experience life's greatest adventure. Will you discover your true reason for living, enter the battle, and become a new man in Christ? Or will you settle for less? To live more purposefully, to experience a full life, to become more, you will have to become someone else and walk a new path. This kind of attitude is what the Navy Seals look for in a man: Rogue warriors. Unconventional. Committed. Guys who will do anything to win the battle and stay true to their new identities. Walking this new path requires men who won't shrink from the battle. In spirit, the Apostle Paul was this kind of a rogue warrior for God's kingdom. He was tough and uncompromising and he held to a code that marked his life. He lived on purpose, not by accident. He surrendered his life and became a support for others. If you choose to become this kind of man made new, unwilling to compromise, then let this great apostle lead the way. Special Features: ·Practical studies facilitate personal encounters with God and other men ·Questions encourage genuine reflection and help build godly convictions ·"Real Life" case studies show how the truths you discover have worked out in other men's lives ·"Standing Strong" section gives you the opportunity to form and express your action steps with God and your group

Walking Together on the Jesus Road Evelyn Hibbert, Richard Hibbert, 2018-08-17 Make discipling culturally relevant. Christians who serve Jesus among people from a different culture than their own often struggle to find a good way to disciple people. Walking Together on the Jesus Road addresses this need by guiding readers through three essential practices for making disciples across cultures: listening to disciples to get to know them and their context, focusing on relationships with Christ, fellow disciples, and others, and enabling disciples to live out their faith in culturally relevant ways. These practices are the foundation for the long-term, intentional process of helping disciples from other cultures become more like Jesus. The book also engages with practical challenges, such as enabling disciples to find and belong to a nurturing community of faith, as well as contextualizing the way we teach the Bible.
