**April Elliott Kent**

What Your Birthday Reveals About You Phyllis Vega, 2005-10-01 Astrology meets numerology in this fascinating guide to the secrets of your birth date! Born on December 3rd? You're an ambitious, hardworking "idea person" and a dynamic leader. Born on December 14th? You're the "traveling salesperson" of the zodiac and a gifted marketer. All Sagittarians are charming, intelligent, and adventure-seeking—but which day of the month you're born on can determine the way in which you use those traits to your best advantage. In this exciting new book, master astrologer Phyllis Vega gives a detailed analysis for each birthday in the year, combining astrology and numerology to paint a true picture of the characteristics, desires, and destinies of people born on that day. If you were born October 5th, you're a skilled negotiator with a gift for making money. But if you were born just four days later, you're a compassionate dreamer with spiritual inclinations. Aries is the sign of the determined ram, but if you were born on April 7th, you are idealistic and inspiring. Discover what's revealed in this guide about you, your loved one, coworkers, or even your favorite celebrity in this entertaining, enlightening reference!

**What Your Birthday Reveals About You** Phyllis Vega, 2020-01-07 Discover the secrets of your personality and destiny! Master astrologer Phyllis Vega reveals what the stars hold for you—and everyone you know—with a detailed analysis for each birthday in the year, combining astrology and numerology to paint a true picture of the characteristics, desires, and destinies of people born on that day. Each day's analysis offers fresh, startlingly accurate insights into the character, personality, relationships, and prospects for success for those who share that birthday. Learn things you never knew about your spouse or lover, your family, your closest friends—and yourself. Born on January 18? You have a good head for business and an instinct for making and handling money. Born just three days later (January 21), however, and you are a consummate performer who loves center stage. Born on July 24? The tenacity and aggressiveness found in your fellow Leos is balanced out by the charming diplomacy associated with the number twenty-four. When it comes to relationships, nothing is hidden in the Aries personality—what you see is what you get. But depending on what day you were born, that could mean you're a volatile romantic who is constantly falling in and out of love (March 21) or an idealistic and devoted lover willing to sacrifice everything for your beloved (April 18). In addition to profiles of the twelve signs of the zodiac, you'll also get an introduction to numerology, learn how to calculate the root number derived from your birth date, and discover what these numbers

disclose about you and your loved ones. *What Your Birthday Reveals About You* will tell you all you need to know about yourself—your personality, your wants, and your future.

Spiritual Concepts for a New Age Connie Johnson, 2012-04-13 We are spiritual beings living in a human experience. Our souls are energy, but each time we incarnate we take on a human body. We have relationships with other embodied beings; we must concern ourselves with the issues, situations, and circumstances of life here on Earth. Spiritual Concepts for a New Age is an easy-to-read, comprehensive guide to living a spiritually significant life. With the assistance of our spiritual guardians, we can learn to live lives that are in balance with our souls desire for harmony and peace. We can unlock our personal truths and begin to experience psychic serenity. How do the laws of abundance and attraction interact with the laws of reincarnation and karma? What role do spiritual guardians play? Learn how universal law operates in our daily lives and in our relationships with others. Explore soul ages and stages. Discover the Akashic Record and learn how our past lives influence our current existence. Learn the difference between meditation and channeling. Determine how messages, signs, and information can be obtained. Use the easy reference guides for sign interpretation. Determine your own metaphysical blueprint and those of friends and family. Connie Johnson has had a lifetime career as a social worker. She earned her social welfare degree at the University of Minnesota during a time when community activism and personal empowerment were emphasized. She has had extensive experience working with those who are mentally, emotionally, and behaviorally challenged. Connie has a co-history in metaphysics. When she was in Washington DC to attend a gender equality conference, she was introduced to spiritual concepts that embraced philosophies outside of the conventional Judeo-Christian expressions. Within the Judeo-Christian tradition, less customary or accepted perceptions of God and the Universe were examined, as well. Connie has had a lifetime interest in human behavior, in the metaphysical world, and in the interaction between spirituality, and feelings, thoughts, and actions. She has a special interest in reincarnation, soul ages, karma, and past life issues. She is a numerologist, a reader of the tarot, and a practicing psychic. Connie lives in St Paul, Minnesota, where she is happily surrounded by family and friends.

Astrological Transits April Elliott Kent, 2015-06-15 Your birth chart is a snapshot of the sky taken at the moment and place of your birth, one that reflects your character, personality, strengths, and challenges. But the moment after that picture was taken, the planets moved on--some quickly, some very slowly. Astrologers call the moving planets transits, and by comparing their movements to your birth chart you can gain a complete view of how best to prepare for challenges, meet opportunities, and stay grounded in a constantly-changing world. In Astrological Transits, astrologer April Elliott Kent will guide you through the best ways to make the most of your birth chart. Learn how to make the most of good transits and

harness and transform the energy of bad ones. You'll also understand planetary cycles and anticipate your own transits. Finally, you'll know how to read planetary return charts, work with planetary retrogrades, and use eclipses to recognize major patterns and turning points in your life. If you are comfortable reading a birth chart, you are ready to move your chart into the future using transits. Instructions, tables, and worksheets will make tracking your transit cycles simple and exciting!

The Power of Birthdays, Stars & Numbers Saffi Crawford, Geraldine Sullivan, 2009-11-25 The most complete, comprehensive birthday forecast available--synthesizing the secrets of astrology, numerology, and fixed stars! In this delightfully addictive, wholly accessible book, two skilled astrologers guide you toward greater psychological insight, self-awareness, and a keen understanding of your unique position in the universe. Packed with an extraordinary wealth of knowledge and clear, easy-to-interpret graphs and charts, *The Power of Birthdays, Stars & Numbers* provides information on:

- **Birthday Forecasts:** 366 profiles—one for each day of the year—reveal your positive and negative personality traits, career strengths, tips on love and relationships, your secret self, your best days for romance and friendship, potential fatal attractions, famous people who share your birthday, and much more!
- **Fixed Stars:** Though astrologers have used fixed stars for centuries, now the general public can reap the rewards of this classic method for enlightenment. The stars that line the heavens radiate great power, depending on your date of birth. You'll learn your primary fixed star plus those that influence your astrological chart.
- **Numerological Profiles:** Discover the importance of the nine basic numbers and learn how to calculate your holistic number (which reveals your life purpose) and your personal year number (which sheds light on what specific lessons a particular year has in store for you).

Travel beyond the twelve signs of the zodiac and tap into *The Power of Birthdays, Stars & Numbers*. You hold centuries of wisdom in your hands.

**The Would-Be Medium** Rena Huisman, 2016-01-08 *The Would-Be Medium* is the story of Rena Huisman and her journey into the world of metaphysics. She shares her experiences attending dozens of classes in psychic and mediumship development, healing, psychokinesis, and more. Her colorful stories encourage readers to work their intuitive muscles, think outside the box, and imagine the possibilities. Whether you are at the beginning of your journey or a seasoned professional, this book will inspire you to keep learning. Rena grew up in Mesa, Arizona, having supernatural experiences from the time she was six. Those never-forgotten events are what placed her on this path of discovery.

**The Back in Time Tarot Book** Janet Boyer, 2008-11-14 Using Janet Boyer's BIT (Back in Time) method of working with

the Tarot, readers will gain insight into the present--and ultimately their future--by exploring their past. Gone are arcane and hard-to-understand explanations of Tarot symbols. Boyer offers an intuitive approach that allows readers to feel the truth of the cards as they relate to the specific parts of their lives. In a nutshell, the BIT Method: Asks readers to think about a specific incident from their past Break down that memory or event into components Connect the elements of any card with the components of that memory Boyer presents Back in Time (BIT) snapshots from her colleagues, some of Tarot's best-known writers and deck artists who relate their own experiences with the BIT Method that range from comical and mysterious to sobering. Providing more than 100 exercises and referencing more than 40 Tarot decks, The Back in Time Tarot Book draws on personal examples, headlines, television, music, and fairytales, allowing Tarot to be appreciated in a fresh new way. The BIT Method does not follow that there is only one way to see Tarot cards now and in the future; rather, it encourages readers in their own abilities to recognize what is important in the cards. The contributors include Nina Lee Braden, Joan Bunning, Wilma Carroll, Ann Cass, Elizabeth Cunningham, Lon Milo DuQuette, Josephine Ellershaw, Mary K. Greer, Lisa Hunt, Mark McElroy, Teresa Michelsen, Riccardo Minetti, Phyllis Vega, and Zach Wong.

**Tarot Coupling** Gina G. Thies, 2013-12-28 Can the Tarot help you choose better partners? What does each card have to say about the current stage of your relationship? Now you can confront the dilemmas found in relationships and bridge Tarot meanings with perspectives in psychology. Written as a source book for advanced reading techniques, while still appropriate for the novice, Gina Thies takes Tarot to grander heights by utilizing this mystical tool for thorough relationship analysis. Card interpretations are given for specific relationship stages, such as new or established, while also offering expanded awareness for self-exploration. An overview of the occult history of Tarot and the basics of psychology are provided. You will also find solutions to some of the most common problems in relationships, along with card spreads designed specifically for readings that are unique to this system. The focus of this extensive reference book is on reading people more than reading cards. It deals with what is most probably the most popular reason someone would seek a reading – love.

**Embodying the Music and Death Nexus** Marie Josephine Bennett, Jasmine Hazel Shadrack, Gary Levy, 2022-08-17 This edited collection offers a range of critical, analytic and personal reflections on how music provides a container and a medium for experiencing, processing and integrating embodied encounters with death. It showcases interdisciplinary case studies written by authors from across Australia, France, The Netherlands, Poland and the UK.

**Conscripted** Femi Reis, 2021-10-18 The intensity of data breaches and ransomware attacks has been unprecedented. Barely midway into the year 2021 we had recorded over 1000 ransomware attacks, far exceeding what has ever been seen in previous years. Millions of dollars have been paid in ransom and there have been thousands of reported data breaches affecting organizations of various sizes. Depending on whose report you're reading, 80% to 95% of these breaches are caused

by human error in the workplace—someone downloaded something she shouldn't have, someone else forgot to download something he should have. This proliferation of fatal errors has driven organizations to increase their spending on employee cybersecurity awareness trainings, in hopes that this will save the situation and exempt them from the fast-growing list of cyberattack victims. However, this increase in awareness trainings does not seem to have changed much in the grand scheme of things. The curve of employee awareness trainings and corporate data breaches resulting from human error, when plotted on a simple time graph, both progress upward and to the right simultaneously. Recently it has been discovered that, while awareness trainings produce immediate results, there are certain limitations in them that make those results short-lived and the approach unsustainable. This book was born from a careful evaluation of those limitations in a bid to remedy the situation and provide enduring results. It is a self-led boot camp that does not merely educate employees and employers with cybersecurity best practices for the workplace, but goes much further to practically equip them with strategic tactics for effective combat in cyberwarefare within and outside the organization. If cyberspace is at war, and indeed it is, then this book in your hands is a conscription plan.
