

# The Oxford Companion To The Bible

**Dick B.**

**The Oxford Companion to the Bible** Bruce M. Metzger, Michael David Coogan, 1993-10-14 The Bible has had an immeasurable influence on Western culture, touching on virtually every aspect of our lives. It is one of the great wellsprings of Western religious, ethical, and philosophical traditions. It has been an endless source of inspiration to artists, from classic works such as Michaelangelo's Last Judgment, Handel's Messiah, or Milton's Paradise Lost, to modern works such as Thomas Mann's Joseph and His Brothers or Martin Scorsese's controversial Last Temptation of Christ. For countless generations, it has been a comfort in suffering, a place to reflect on the mysteries of birth, death, and immortality. Its stories and characters are an integral part of the repertoire of every educated adult, forming an enduring bond that spans thousands of years and embraces a vast community of believers and nonbelievers. The Oxford Companion to the Bible provides an authoritative one-volume reference to the people, places, events, books, institutions, religious belief, and secular influence of the Bible. Written by more than 250 scholars from some 20 nations and embracing a wide variety of perspectives, the Companion offers over seven hundred entries, ranging from brief identifications--who is Dives? where is Pisgah?--to extensive interpretive essays on topics such as the influence of the Bible on music or law. Ranging far beyond the scope of a traditional Bible dictionary, the Companion features, in addition to its many informative, factual entries, an abundance of interpretive essays. Here are extended entries on religious concepts from immortality, sin, and grace, to baptism, ethics, and the Holy Spirit. The contributors also explore biblical views of modern issues such as homosexuality, marriage, and anti-Semitism, and the impact of the Bible on the secular world (including a four-part article on the Bible's influence on literature). Of course, the Companion can also serve as a handy reference, the first place to turn to find factual information on the Bible. Readers will find fascinating, informative articles on all the books of the Bible--including the Apocrypha and many other ancient texts, such as the Dead Sea Scrolls, Pseudepigrapha, and the Mishnah. Virtually every figure who walked across the biblical stage is identified here, ranging from Rebekah, Rachel, and Mary, to Joseph, Barabbas, and Jesus. The Companion also offers entries that shed light on daily life in ancient Israel and the earliest Christian communities, with fascinating articles on feasts and festivals, clothing, medicine, units of time, houses, and furniture. Finally, there are twenty-eight pages of full-color maps, providing an accurate, detailed portrait of the biblical world. A vast compendium of information related to scriptures, here is an ideal complement to the Bible, an essential volume for every home and library, the first place to turn for information on

the central book of Western culture.

**The Oxford Companion to the Bible** Bruce M. Metzger, Michael David Coogan, Oxford University Press, 1993-09-11 The Bible has had an immeasurable influence on Western culture, touching on virtually every aspect of our lives. It is one of the great wellsprings of Western religious, ethical, and philosophical traditions. It has been an endless source of inspiration to artists, from classic works such as Michaelangelo's Last Judgment, Handel's Messiah, or Milton's Paradise Lost, to modern works such as Thomas Mann's Joseph and His Brothers or Martin Scorsese's controversial Last Temptation of Christ. For countless generations, it has been a comfort in suffering, a place to reflect on the mysteries of birth, death, and immortality. Its stories and characters are an integral part of the repertoire of every educated adult, forming an enduring bond that spans thousands of years and embraces a vast community of believers and nonbelievers. The Oxford Companion to the Bible provides an authoritative one-volume reference to the people, places, events, books, institutions, religious belief, and secular influence of the Bible. Written by more than 250 scholars from some 20 nations and embracing a wide variety of perspectives, the Companion offers over seven hundred entries, ranging from brief identifications--who is Dives? where is Pisgah?--to extensive interpretive essays on topics such as the influence of the Bible on music or law. Ranging far beyond the scope of a traditional Bible dictionary, the Companion features, in addition to its many informative, factual entries, an abundance of interpretive essays. Here are extended entries on religious concepts from immortality, sin, and grace, to baptism, ethics, and the Holy Spirit. The contributors also explore biblical views of modern issues such as homosexuality, marriage, and anti-Semitism, and the impact of the Bible on the secular world (including a four-part article on the Bible's influence on literature). Of course, the Companion can also serve as a handy reference, the first place to turn to find factual information on the Bible. Readers will find fascinating, informative articles on all the books of the Bible--including the Apocrypha and many other ancient texts, such as the Dead Sea Scrolls, Pseudepigrapha, and the Mishnah. Virtually every figure who walked across the biblical stage is identified here, ranging from Rebekah, Rachel, and Mary, to Joseph, Barabbas, and Jesus. The Companion also offers entries that shed light on daily life in ancient Israel and the earliest Christian communities, with fascinating articles on feasts and festivals, clothing, medicine, units of time, houses, and furniture. Finally, there are twenty-eight pages of full-color maps, providing an accurate, detailed portrait of the biblical world. A vast compendium of information related to scriptures, here is an ideal complement to the Bible, an essential volume for every home and library, the first place to turn for information on the central book of Western culture.

The Oxford Companion to the Bible Bruce Manning Metzger, 1993 This is one-volume reference to the people, places, events, books, institutions, religious beliefs, and secular influence of the Bible. Embracing a wide variety of perspectives, the multi-volume work offers over 700 entries, ranging from immortality and grace to ethics.

The Oxford Companion to Christian Thought Adrian Hastings, Alistair Mason, Hugh S. Pyper, 2000-12-21 Embracing the

viewpoints of Catholic, Protestant, or Orthodox thinkers, of conservatives, liberals, radicals, and agnostics, Christianity today is anything but monolithic or univocal. In *The Oxford Companion to Christian Thought*, general editor Adrian Hastings has tried to capture a sense of the great diversity of opinion that swirls about under the heading of Christian thought. Indeed, the 260 contributors, who hail from twenty countries, represent as wide a range of perspectives as possible. Here is a comprehensive and authoritative (though not dogmatic) overview of the full spectrum of Christian thinking. Within its 600 alphabetically arranged entries, readers will find lengthy survey articles on the history of Christian thought, on national and regional traditions, and on various denominations, from Anglican to Unitarian. There is ample coverage of Eastern thought as well, examining the Christian tradition in China, Japan, India, and Africa. The contributors examine major theological topics such as resurrection, the Eucharist, and grace as well as controversial issues such as homosexuality and abortion. In addition, short entries illuminate symbols such as water and wine, and there are many profiles of leading theologians, of non-Christians who have deeply influenced Christian thinking, including Aristotle and Plato, and of literary figures such as Dante, Milton, and Tolstoy. Most articles end with a list of suggested readings and the book features a large number of cross-references. *The Oxford Companion to Christian Thought* is an indispensable guide to one of the central strands of Western culture. An essential volume for all Christians, it is a thoughtful gift for the holidays.

**The Psychology of the Bible** Brian J. McVeigh, 2020-09-17 Fire and brimstone, bellowing prophets, and a good dose of old-fashioned sermonizing — these are the images the Bible brings to mind. But this assortment of sacred writings, in particular the Old Testament, is more than a collection of colorful allegories or miracles-and-morals mythology. Though written in the first millennium BCE, these holy writings are a nostalgic recounting of a lost 'super-religious' mentality that characterized the Bronze Age. *The Psychology of the Bible* explores how the Old Testament provides perspective into the tumultuous transition from an earlier mentality to a new paradigm of interiorized psychology and introspective religiosity that came to characterize the first millennium BCE. By examining the Old Testament's historical background and theopolitical context, utilizing linguistic analysis, and applying systems and communication theory, this book interprets biblical passages through a new lens. It analyzes divine voices, visions, and appearances of heavenly messengers — angel and prophets — as neurocultural phenomena and explains why they were so common. This book also answers why definitions of God changed so radically, illuminates the divinatory role of idols and other oracular aids (e.g. the Ark of the Covenant), provides a framework for appreciating why 'wisdom literature' became so significant, and clarifies the linkages among music, poetry, and inspiration.

**Companion to the Old Testament** Hywel Clifford, 2016-11-03 This book offers guidance and enrichment for first-time and experienced readers of the Old Testament.

Psalms Stephen B. Dawes, 2010 Many students are unfamiliar with the Old Testament and struggle to access it, with the

exception of the Psalms, which are more familiar through their use in Christian worship and yet offer insights into the world of the Old Testament. This book introduces the readers to the Psalms and the mainstream scholarship on the Psalms.

*The Oxford Encyclopedia of the Books of the Bible* Michael D. Coogan, 2011-12-08 This is the first in this series of specialised reference works, each addressing a specific subfield within biblical studies. *Books of the Bible* is in depth, with articles on all of the canonical books, major apocryphal books of the New and Old Testaments, important noncanonical texts and some thematic essays.

Library Collection Development for Professional Programs: Trends and Best Practices Holder, Sara, 2012-07-31 Collection development, the process used by librarians to choose items for a particular library or section of a library, can be time-consuming and difficult due to the many factors that must be taken into consideration. *Library Collection Development for Professional Programs: Trends and Best Practices* addresses the challenging task of collection development in modern academic libraries, which is largely learned on the job. This publication contains practical advice and innovative strategies essential for current collection development librarians and future librarians seeking guidance in this complex position.

*The Gospels* W.R. Owens, 2011-03-10 This unique edition of the Gospels presents the Authorized King James text in modernized spelling with invaluable Introduction and Notes, which provide historical and critical context, highlighting how each Gospel offers its own distinctive and memorable portrait of Jesus.

**The Africana Bible, Second Edition** Hugh R. Page, Jr., Cheryl A. Kirk-Duggan, Valerie Bridgeman, Stacy Davis, Madipoane Masenya, Rodney S. Sadler, Jr., 2023-11-07 The second edition features an updated commentary on each book of the Hebrew Bible that is authoritative for African and African-diaspora communities worldwide. It highlights issues of the Black community (such as globalization and the colonial legacy) and the distinctive norms of interpretation in African and African-diaspora settings.

**The Oxford Group and Alcoholics Anonymous** Dick B., 2011-09-18 Scholarly, comprehensive, unique A.A. was an integral part of the Oxford Group in the early 1930's, and this book contains the only study of the Oxford Group's contributions to early A.A.'s Big Book, Twelve Steps, and Fellowship. You will find here the Oxford Group's biblical roots, the origin of its ideas, details on its beliefs and practices, its influence on early AAs and their high success rate, and where its concepts can be found in today's A.A. phrases such as the Four Absolutes, the Five C.'s, guidance, surrender, checking, spiritual experience, spiritual awakening, conscious contact with God, restitution, amends, confession of faults, conversion, continuance, soul surgery, inventory, prayer, meditation, Quiet Time, Morning Watch, fellowship, witness, and others--seemingly-unknown in A.A. and recovery circles today--come to light as the very founding principles and practices which Bill W. said he had learned from his mentor, Rev. Sam Shoemaker, an American leader of the Oxford Group, close friend, and rector of Calvary Episcopal Church in New York. These were the principles and practices Bill codified into his title *Alcoholics*

Anonymous (affectionately known within A.A. As the Big Book), published on April 10, 1939. They were a departure from those of the original Akron A.A. Christian fellowship of 1935 and yet clearly were also grounded in the Bible and hence continued the beginning stress on the relationship of the Bible to A.A.

**Reading Faulkner: Collected Stories** , For readers and critics, a guide to the Nobel Laureate's short stories

Reference Sources for Small and Medium-sized Libraries, Eighth Edition Jack O'Gorman, 2014-02-25 Focusing on new reference sources published since 2008 and reference titles that have retained their relevance, this new edition brings O'Gorman's complete and authoritative guide to the best reference sources for small and medium-sized academic and public libraries fully up to date. About 40 percent of the content is new to this edition. Containing sources selected and annotated by a team of public and academic librarians, the works included have been chosen for value and expertise in specific subject areas. Equally useful for both library patrons and staff, this resource Covers more than a dozen key subject areas, including General Reference; Philosophy, Religion, and Ethics; Psychology and Psychiatry; Social Sciences and Sociology; Business and Careers; Political Science and Law; Education; Words and Languages; Science and Technology; History; and Performing Arts Encompasses database products, CD-ROMs, websites, and other electronic resources in addition to print materials Includes thorough annotations for each source, with information on author/editor, publisher, cost, format, Dewey and LC classification numbers, and more Library patrons will find this an invaluable resource for current everyday topics. Librarians will appreciate it as both a reference and collection development tool, knowing it's backed by ALA's long tradition of excellence in reference selection.

**The Books of the Old Testament in Your Palm** Ayuba Mshelia, 2022-11-30 The book is about introductions to the books of the Old Testament of the Bible, which is a compendium of God's divine Message to mankind that is uniquely written by forty divinely select people as His spokesmen. How many of these forty select men wrote the Tanakh or the Old Testament? This synopsis is a guide to the types of questions asked in writing this book. Who, for example, is the author of the Torah or the Pentateuch? Are all the books written by one person? Or are there others? What are the themes and purposes of each book? Does the difference in the arrangement and number of books between the original Hebrew Tanakh and our Old Testament make any difference to its being canon or faith? What are the books of the kingdoms? Why don't you see such titles in the Old Testament? What are the themes of some of the poetical books? For instance, why do good and righteous people suffer and the ungodly prosper? Does God care? How was the first ancient attempt of a holocaust foiled by Hadassah, also known as Esther, a beautiful Jewish orphan who became the queen of King Ahasuerus of Persia? What happened to the culprit? Why was the four-hundred-year period of the judges the most ungodly and apostate in Israel's history. Why was the Davidic covenant threatened by Bathsheba's marriage and Absalom's insurrection? What is your take on Daniel's seventy weeks prophecy? (Dan. 9:24). What does the phrase seven weeks, and threescores and two weeks mean to

you as used in Daniel's prophecy? What about A time, times, and a half (Dan. 12:7) appearing in Daniel's prophecy? What does Ezekiel's vision about the valley of the dry bones coming to life mean to Israel and to you as a believer? The Old Testament begins with the story of creation and life but ends in Malachi (4:6) with a divine threat of a curse. Are you free from that curse as an individual or still under it? These are the many compelling and poignant questions laboriously dealt with in the book.

**African Americans and the Bible** Vincent L. Wimbush, 2001-01-01 A unique study of how the Bible constructs African Americans and how African Americans construct the bible From literature and the arts to popular culture and everyday life, the Bible courses through black society and culture. Despite the enormous recent surge of interest in African American religion, scant attention has been paid to the diversity of ways in which African Americans have utilized the Bible. *African Americans and the Bible* is the fruit of a four-year collaborative research project directed by Vincent L. Wimbush and funded by the Lilly Endowment. It brings together scholars and experts (sixty-eight in all) from a wide range of academic and artistic fields and disciplines-including ethnography, cultural history, and biblical studies and also music, film, dance, drama, and literature. The book is less about the meaning(s) of the Bible than about the Bible and meaning(s), less about the world(s) of the Bible than about how worlds and the Bible interact-in short, about how a text constructs a people and a people construct a text. It is about a particular socio-cultural formation but also about the dynamics that occur in the interrelation between any group of people and sacred texts in general. *African Americans and the Bible* offers a critical lens through which the process of socio-cultural formation can be viewed.

**The Old Testament: A Very Short Introduction** Michael Coogan, 2008-03-28 Eminent biblical scholar Michael D. Coogan offers here a wide-ranging and stimulating exploration of the Old Testament, illuminating its importance as history, literature, and sacred text. Coogan explains the differences between the Bible of Jewish tradition (the Hebrew Bible) and the Old Testament of Christianity, and also examines the different contents of the Bibles used by Roman Catholics, Eastern Orthodox Christians, and Protestants. He looks at the rise of modern biblical scholarship as well as the recovery of ancient Near Eastern literatures and their significance for biblical interpretation. Coogan explores the use of invented dialogue and historical fiction in the Old Testament, the presence of mythic elements in apparently historical accounts, and the relationship of ancient Israelite myths to those of their neighbors. The book considers the Old Testament's idea of divine justice, especially in Ecclesiastes and Job, and looks at notions of the afterlife in the ancient Near East and in ancient Israel. Coogan highlights the significance of the history and literature of the Old Testament and describes how non-biblical evidence, such as archaeological data and texts, has placed the Old Testament in a larger and more illuminating context. The book also discusses law and ritual in the Bible as well as the biblical understandings of prophecy. Here then is a marvelous overview of one of the great pillars of Western religion and culture, a book whose significance has endured for thousands of

years and which remains vitally important today for Jews, Christians, and Muslims worldwide. About the Series: Oxford's Very Short Introductions offers concise and original introductions to a wide range of subjects--from Islam to Sociology, Politics to Classics, and Literary Theory to History. Not simply a textbook of definitions, each volume provides trenchant and provocative--yet always balanced and complete--discussions of the central issues in a given topic. Every Very Short Introduction gives a readable evolution of the subject in question, demonstrating how it has developed and influenced society. Whatever the area of study, whatever the topic that fascinates the reader, the series has a handy and affordable guide that will likely prove indispensable.

**FootSoldiers** Bishop Cynthia King Bolden-Gardner, J.,2014-06-27 The Saints of God are designed for purposeful action: carrying out a plan of salvation and deliverance predesigned and preordained by Almighty God to set the captives, the lost, FREE! In the process of helping others we run across rough terrain and stand in need of wheel alignment.

**CrumbSnatchers** Bishop Cynthia King Bolden-Gardner, J.,2014-01-29 CrumbSnatchers (Matthew 15, Mark 7) captures the plight of the modern single mother/parent, underemployed, unemployed, migrant worker, female professional, minorities, inner city youth... as they struggle to acquire the basic necessities of life in a system that appears designed to keep them out. CrumbSnatchers takes the Biblical crisis of the Syro-Phoenician woman and translates it to modern day experiences and solutions. She is an idol worshipper, an outcast, from the wrong side of town and a woman. She presses through all of the obstacles and human impediments to get more than she bargained for. For those willing to fight the good fight of faith, there is a miracle waiting for you. God has a RIGHT NOW BLESSING and a space for you to be grafted into the Tree of Life, the New Jerusalem. Just keep the faith and refuse to be shut up. Refuse to be denied. Defy convention

SCM Core Text: New Testament Richard Cooke,2013-01-03 An undergraduate textbook for use on modules introducing the New Testament. It argues that the New Testament reflects four streams of apostolic tradition, reflected in the 4 gospels. It includes bibliographies at the end of each section to guide the reader to the most relevant areas for further research in any given subject area.

The Top Books of the Year The Oxford Companion To The Bible The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Oxford Companion To The Bible : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn

Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Oxford Companion To The Bible : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
