

When Was Good Omens Published

David Kirk

Browser Recommendation Megathread - April 2024 : r/browsers Is Mercury a good alternative compared to normal Firefox? With this manifest thing I want to move out from Chromium browsers. I really like how Chrome and Thorium works but man, surfing the web without an adblock is just insane. The main problem here is that I usually watch a lot of Youtube. What do you think about the main question? *Any good and safe Youtube To MP3 apps/websites?* - *Reddit* I'd like to download some music from YT but I don't really trust any sites i've found, i'd rather use websites than to have to download some app but if anyone can suggest something that won't download any viruses to my pc that would be awesome. *Wallpaper (Computer Desktops/Backgrounds)* - *Reddit* Welcome to Wallpaper! An excellent place to find every type of wallpaper possible. This collaboration of over 1,750,000 users contributing their unique finds makes /r/wallpaper one of the most active wallpaper communities on the web. **Compiled List of Monitor Recommendations from r/monitors and ...** What about the people like me who are looking for a monitor with a better display quality with good color reproduction and more inclined towards the features like higher Bit depth and higher Color Gamut coverage? Any recommendations for us would be appreciated. Reply reply dodoandframfram • **Let's create a list of actually good current Roblox games - Reddit** But, there are still some good games to be found. So, here is a list of the ones I enjoy and encourage people to play. Let me know if you have any additions: Phantom Forces: Probably the most well-known on this list. Pretty generic FPS, but well-made for a Roblox game **Good free video editor apps/sites (Windows - NO WATERMARK)** Nov 20, 2021 · Hello everyone, I'm a student and if it isn't obvious from the fact that I'm a student, I'm broke. I don't have any money to purchase any cool editing softwares like filmora. I just want a video editor than can help me edit school projects and has above-average editing features. Right now I use canva education, but it literally drives me insane. The download speed is something ... **What are ideal & dangerous temps for you CPU and GPU?** Anything under 80C is ideal/good. 80-90C is okay. And 90+, you need to check case/fan set up. New GPUs are rated to reach high temperatures now and even if it gets that high it'll throttle to protect itself. EDIT: we also have to consider ambient temperature of your room itself. So you live in a warmer environment or cooler environment? **List of Safe Rom Sites (Please Stop Asking) : r/Roms - Reddit** I could do a list myself, but it would be redundant due to the existence of the megathread, it would be easier to say, "want to check good places for ROMs? Go to the freaking megathread" xD **Are there any good free vpns? : r/software - Reddit** Dec 4, 2021 · 17 votes, 28 comments. I am looking

to install and use a vpn for free (not pirated) for my own use. Are there any genuine good vpns? *Recommendations for free online movie sites?* : *r/Piracy - Reddit* Hiya folks! So, I'm planning on hosting some movie nights with my online friends, but the site i usually use was taken down due to copyright : (do you have any recommendations for some sites I could use? Preferably nothing with any downloads. Thank you :) Share Add a Comment Sort by: Best Open comment sort options Best beavernuggetz • FMHY Reply reply black_hamma •
