web evil shell new ball torture tool

which makes possible ot press stertch
each of the balls separately just put the
balls between the jaws and thighten the
screws the screws close the halves
together and itt already has some
pressing effect especially for larger
balls the small screws work as
adjustble spikes

web i know that some of you like it
intense and i ll explain a means of
applying a mechanical and electrical
force that you ll definitely feel in your
balls to continue let s describe what we
call a common electrode and see how
the electrocup aka ecup is
