H. Byron Earhart

Grandma's Wit and Wisdom Richard Benson, 2017-09-14 When there are sticky handprints on the sofa and you can't prise the darlings away from a screen, reach into your handbag for this hilarious book, crammed full of quips and quotes to remind you why being a grandma is one of the best jobs in the world.

The Owl of Death Row John T. Biggs, 2023-06-05 Trickery is magic until you figure out how it's done. Richard Harjo's job is to counsel death row inmates in Oklahoma's notorious McAlester Prison. That usually consists of convincing them heaven is a sort of afterlife work release program, and God is the most gullible parole officer ever. All they've got to do to qualify is have faith as they walk quietly to the execution chamber. No wonder Richard has lost faith in all things supernatural. Everything changes when he meets a Choctaw murderer named Holabi Minco. Native guards say the inmate is a witch... and they might be right. He keeps a popsicle stick calendar in his cell that tells when people are going to die and does so more accurately than the DOC roster. Minco befriends Richard and sends him on a series of extralegal missions to give him insight into the lives of the other death row inmates. The chaplain crosses paths with a pole dancer, white supremacists, and a secret town full of outlaws that isn't on any official map. What's always been a humdrum, hypocritical life is suddenly an adventure. When Holabi Minco's beautiful daughter, Kinta, enters the picture, Richard is hooked. He quickly finds himself drawn into a complicated plot to break her father out of prison. It involves a slice of something called Dead'n'berried pie, a shoot out on the prison parking lot, and a disappearing act that looks too much like magic. Who could possibly resist?

Grandma's Remedies Cherry Chappell, 2009-11-10 Long before modern medicines became so widely available, families treated everyday illnesses with home-made remedies. Reused and refined year after year, they were handed down through the generations then lovingly copied into personal 'receipt' books. *Grandma's Remedies* brings together a beguiling collection of them, gathered from dusty medicine chests found in attics, recalled from childhoods long past, or discovered in family archives and libraries. Many of them are surprisingly effective. Did you know, for example, that drinking two cups of strong black coffee will alleviate an asthma attack? Or that chewing toasted fennel seeds will help combat indigestion? Or that rosehip syrup is a terrific source of vitamin C? But *Grandma's Remedies* is more than a guide to these traditional treatments, it also paints a vivid portrait of the world of our grandparents and great-grandparents. It shows how inventive and resourceful they were with the materials near to hand, how they made the most of everything in the store-cupboard, from

bread through to vinegar, and how it was the women of the household who, despite being barred from the medical profession, were relied on to safeguard family health. In these days of antibiotics and painkillers, it's easy to forget how people survived when all they had to rely on was a garden, a larder and a healthy dose of common sense.

At Grandma's House H. Byron Earhart,2020-08-21 Illinois State Historical Society Certificate of Excellence Winner, 2021 When H. Byron Earhart's father enlisted in the U.S. Navy in 1942, young Byron and his family moved into his grandparents' old-fashioned home with a coal-fired range and potbelly stove, and his mother took charge of the family business, a frozen food locker. Grandma was the undisputed head of the family. While his father served on the battleship USS Missouri, his grandparents and mother held the family and the business together. *At Grandma's House* is a tribute to everyday Americans who provided the social glue for a country at war as they balanced fear and anxiety for loved ones with the challenges and pleasures of daily life. The experiences of the Earhart family and this Midwestern community, supplemented by contemporary documents, family photos, and professional illustrations, recount with vivid local color the drama that played out on the national and international stage.

Death's Social and Material Meaning beyond the Human Jesse D. Peterson,Natashe Lemos Dekker,Philip R. Olson,2024-01-09 Death studies typically focus on the death of humans, overlooking the wider factors involved in social and natural processes around death. This edited volume provides an alternative focus for death studies by looking beyond human death, to reveal the complex interconnections among human and more than human creatures, entities and environments. Bringing together a diverse range of international scholars, the book sheds light on topics which have previously remained at the margins of contemporary death studies and death care cultures. Organised around three themes – Knowledge and Mediation, Care and Remembrance, and Agency and Power – this book pushes the boundaries of death studies to explore death and dying from beyond the perspective of a nature/culture binary.

Death Bee Comes Her Nancy Coco,2021-01-26 Nancy Coco, author of the popular Candy-Coated Mystery series, brings the Pacific Northwest's rainy coast to life with her new Oregon Honeycomb Mystery series starring Wren Johnson and her Havana Brown cat, Everett. Wren owns a specialty shop in the tourist town of Oceanview, where it's all things honey from taffy to body scrub until the murder of a victim clutching one of Wren's homemade beeswax lip balms makes things sticky... A BALMY WAY TO GO With her Let It Bee honey boutique buzzing along nicely, life is as sweet as nectar for Wren Johnson--until she takes a morning walk along the Pacific beach with her Havana Brown cat, Everett, and stumbles upon the body of Agnes Snow, the cranky queen of the local craft fairs, stiff as driftwood. More unfortunate? Clutched in the victim's fist is a label from Wren's homemade beeswax-and-honey lip balm. Which makes Officer Jim Hampton focus his dreamy-blue Paul Newman eyes on Wren as suspect number one. With fabulous feline support from Everett, Wren must comb the town for clues and clear her name before someone else gets stung.

Remember Death Matthew McCullough,2025-06-10 The Best Way to Find Meaning in Life Is to Get Honest About Death Life expectancy worldwide is twice what it was a hundred years ago. And because of modern medicine, many of us don't often see death up close. That makes it easy to live as if death is someone else's problem. Ignoring the certainty of death doesn't protect us from feeling its effects throughout the lives we're living now—but it does hold us back from experiencing the powerful, everyday relevance of Jesus's promises to us. So long as death remains remote and unreal, Jesus's promises will too. But honesty about death brings hope to life. That's the ironic claim at the heart of this book. Cultivating death awareness helps us bring the promises of Jesus from the hazy clouds of some other world into the everyday realities of our world, where they belong. Insightful and Accessible: Draws from many sources, including research from science and psychology, and

examples from literature, pop culture, theology, and Scripture Christ-Centered Encouragement for Life and Loss: Teaching what the Bible says about identity, futility, and grief, McCullough offers hope that is tied to the promises of God Replaces ISBN 978-1-4335-6053-8

Home in the Hill Muskaan Shah, 2018-12-26 Home in the Hills: A Granddaughter's Tales of Childhood Adventures is a fictional collection of memories of the narrator as she remembers her childhood days spent at her grandma's house in the hills. There, while with her friends Tristan and Maya and cousins Jay and Neil, she finds herself constantly accosted by the presence of her annoyingly intrusive neighbour Mr Feeny, who frequently bumbles into the backyard without invitation, with an eye towards wooing her seemingly unmoved grandma. Feeny's shenanigans set the stage for tales of horror and petrifying hair loss. Such comical themes aside, the book also investigates how we deal with loneliness, betrayal and disaster, with each story ending in a nugget of wisdom.

Silence and Rage in Miriam Toews's Mennonite Novels Rita Dirks, 2024-04-17 This book focuses on six of Miriam Toews's Mennonite novels—Swing Low: A Life (2000), A Complicated Kindness (2004), Irma Voth (2011), All My Puny Sorrows (2014), Women Talking (2018), and Fight Night (2021)—, so called because they portray fictional and autobiographical events, set in Mennonite communities in Canada, Mexico, and Bolivia. Rita Dirks argues that through the exploration of difficult subjects such as the physical and emotional abuse of teenaged girls, women, and children, Toews gives a voice to victims and survivors who are otherwise silenced in that sequestered culture. In addition, Dirks shows that in the Mennonite novels, Toews's rage at the injustices experienced by her protagonists becomes a transformative art that gives a voice to all stories, especially those of women within authoritative patriarchal communities that openly proclaim pacifism.

Death, Resurrection, and Transporter Beams Silas N. Langley, 2014-08-22 What has Star Trek to do with eternal life? It provides the perfect metaphor for understanding the main Christian views concerning what happens to us when we die. In this book, Silas Langley uses the Star Trek transporter beam to explain five main Christian views about life after death. Each of us lives with some personal answer to the universal question of what comes after death. Even among Christians, views differ as to what exactly happens when we die. Meanwhile, the modern secular world increasingly challenges the possibility of life after death. How can we live again after we die if much of science and philosophy suggests that all that we are dies with our bodies? This book shows how each of these views responds to these challenges. Death, Resurrection, and Transporter Beams sorts out these disagreements and their biblical grounding. These differences matter, since they bear on who we are and how we are to live our lives. Readers will come away with a clearer understanding of their own beliefs on

this topic, and with tools to enter into dialogue with people whose beliefs differ.

Letters to Nowhere Julie Cross, 2013-08-01 From NYT and USA Today bestselling author, Julie Cross, a Mature YA contemporary set in the tough world of Elite Gymnastics. Her family may be shattered, but her dreams aren't... Seventeen year old Karen Campbell has just lost both her parents in a tragic car accident. Grief stricken and alone, her gymnastics coach opens his home to Karen, providing her a place to live while she continues to train, working toward a spot on the world championship team. Coach Bentley's only child, seventeen year old Jordan is good-looking and charming enough to scare away a girl like Karen—someone who has spent ten times more hours on balance beams and uneven bars than talking or even thinking about boys. But the two teens share a special connection almost immediately. It turns out Jordan has a tragic past of his own, grief buried for years. As Karen's gymnastics career soars, her nightmares and visions of the horrible accident grow in strength. She can only avoid facing her grief for so long before it begins to surface and ultimately spin out of control in a very dangerous way. Can discovering love and lust (simultaneously) help with the grieving process or will it only provide a temporary distraction while waiting for reality to hit full force?

The Gates of Saint Charles John Allen Resko, 2010-01-19 Professor John Resko's memoir narrates a religious struggle against the backdrop of the Great Depression, World War II, and Pre-Vatican II Catholicism. His dissection of the components of a religious vocation led him in a direction befitting his temperament and natural inclinations rather than the ease of their achievement. He describes his struggle to define a religious vocation and ultimately find the strength to follow his best instincts. It was not easy for a poor boy of uneducated immigrant parents from Austria-Hungary to find his way in the world. But the solid educational foundation provided by the Church proved to be the gateway to a greater purpose. He earned graduate degrees from both Marquette University and the University of Illinois. His doctoral work at Illinois was in the field of reproductive biology. These events portended a successful scientific career in Oregon. The events recorded in *The Gates of Saint Charles* are coupled with the history of the times and the dogma and traditions of the Roman Church. A small window has been opened into the life and education of seminarians during the time covered by the memoir.

Articulate Silences King-Kok Cheung, 2018-07-05 In this pathbreaking book, King-Kok Cheung sheds new light on the thematic and rhetorical uses of silence in fiction by three Asian American women: Hisaye Yamamoto, Maxine Hong Kingston, and Joy Kogawa. Boldly articulating the unspeakable, these writers break the silence imposed by families or ethnic communities and defy the dominant culture that suppresses the voicing of minority experiences. Yet at the same time, they demonstrate how silences—voiceless gestures, textual ellipses, authorial hesitations—can themselves be articulate. Drawing on theoretical works on women's writing, on ethnicity and race, and on postmodernism and history, Cheung takes issue with

Anglo-American feminists who valorize speech unequivocally and with revisionist Asian American male critics who attempt to refute Orientalist stereotypes by renouncing silence. She challenges Eurocentric views of speech and silence as polarized, hierarchical, and gendered, and proposes an approach to Asian American literature which overturns the East-West or dual personality model. Yamamoto, Kingston, and Kogawa interweave speech and silence, narration and ellipses, autobiography and fiction as they adapt and recast Asian and Euro-American precursors. Drawing freely from both traditions, they reinvent the past by decentering, disseminating, and interrogating authority-but not by reappropriating it. A fresh and subtle response to issues relating to cultural diversity, *Articulate Silences* will be important reading for scholars and students in the fields of literary theory and criticism, women's studies, Asian American studies, and ethnic studies.
