What do you call a desperate attempt unlikely to succeed? May 20, 2022 · What do you call a desperate attempt unlikely to succeed? For example, when other ideas have failed and you have one final go before giving up **Reported speech: use of the word "please" in requests/demands** Feb 18, 2016 · Idiomatically, if you're not actually going to reproduce the exact words as spoken (in quote marks), there's often an implication of "desperate pleading" if you include the word please in a roundabout "summary" of what was requested. *word usage - "The waiting is over" or "The wait is over" - English ...* Oct 6, 2020 · I got into a small argument with a friend, and couldn't find a conclusive answer. Is the sentence "The waiting is over" legitimate? Is it more commonly used as "The wait is over"? *word usage - What's the verb of "desperate"? - English Language ...* Nov 4, 2020 · What's the verb of "desperate", I think it's not "despair", because in this case when you are desperate, you are willing to do anything to get out of the bad situation. And with An idiom for "making one's final / last attempt / effort" May 30, 2022 · To have shot one's bolt is something said after making a [final or only] effort / contribution, so it's not relevant here. The main difference between making a final push and a last-ditch effort is that the former nearly always confidently refers to what's expected to be a successful (albeit arduous) endeavour, whereas the latter is generally restricted to pessimistic contexts with a ... *What's a professional synonym for "would love to"?* May 11, 2016 · The "love" in "I would love to" has little to do with the "love" in "I love you"; the second one is expressing a personal emotion that is (arguably) unprofessional, while the first one is expressing enthusiasm for an event or an activity. "I love my job" or "I love making clients happy", when spoken without sarcasm, are exceedingly professional. **What's the word for "urge to go to the toilet"?** Apr 28, 2019 · I am pretty sure there's a word for it, but I forgot what the word was completely. By "urge to go to the toilet", I mean the desire to go peeing or pooping obviously. **"It's not to be" meaning here - English Language Learners Stack ...** Aug 7, 2017 · No matter how desperate we are that someday a better self will emerge, with each flicker of the candles on the cake, we know it's not to be, that for the rest of our sad, wretched pathetic lives, this is who we are to the bitter end. Inevitably, irrevocably; happy birthday? No such thing. I can't get the verb "be". **word order - Never having p.p. vs. Having never p.p.? - English ...** Dec 12, 2020 · In fact, I was taught to put not before having p.p. And BBC Learning English confirms it. Which is the definite grammar rule? Negative participle clauses are also possible, in which case not normally comes before the -ing form or past participle: Not having had a shower for two days, I was desperate to get to

the bathroom. BBC Learning English **phrase usage - English Language Learners Stack Exchange** Oct 7, 2018 · Being desperate to learn something is quite different than that; though resting is part of the process of learning. "Recharging oneself", could be physical and/or mental.
