How do I look up my license? : r/PassNclex - Reddit Jun 9, 2023 · I found my results fastest there. The application status will change from pending or in process to "licensed". Even now Nursys still doesn't have my results. It took an extra 24 hours for the licensure look up for my state to display my license as well. That was also April 2020 when the state licensing board was powering through every medical license application/request to the detriment of every other type of license. Pennsylvania will accept license verification from Nursys, but will not reciprocate by verifying those state licenses into Nursys. As an example, you've moved from California to Georgia. [California RN Endorsement : r/TravelNursing - Reddit](#) Jan 24, 2023 · The Nursys verification was what delayed my application although Nursys said it was sent to California BON already.
