**Lectionary for Mass** Liturgy Training Publications, 2002 The newly approved translation of the readings for weekday Masses is now available to presiders, preachers and faithful alike in a convenient one-volume study edition. LTP's study edition of the Weekday Lectionary, although not intended for use in the liturgy, offers many of the same features as its beautiful ritual volumes. The efficient two-column layout of the readings allows the user to view the first and gospel readings and the responsorial psalm together, with few page turns. The large, clear type--the same size as that found in LTP's Sunday Lectionary study edition--is easy to read, and the book's lieflat binding allows it to remain open to the correct page while the user consults other resources and takes notes for homilies and study groups. Those who attend daily Mass regularly will want a copy of this volume for their own prayerful preparation, as will presiders, liturgists, students and preachers. Those who

plan and preside at daily services of the word or communion services will also need a copy to prepare reflections and practice readings. The parish library, sacristy and office can also benefit from this practical tool for preparing and celebrating daily Mass.
