Ban This Book Alan Gratz, 2020-11-24 It all started the day Amy Anne Ollinger tried to check out her favourite book in the whole world, *From the Mixed-Up Files of Mrs. Basil E. Frankweiler*, from the school library. That's when Mrs. Jones, the librarian, told her the bad news: her favourite book was banned! All because a classmate's mum thought the book wasn't appropriate for kids to read. Amy Anne decides to fight back by starting a secret banned-books library out of her locker. The battle of the books escalates when she engineers a campaign to challenge every book in the school library. Because once you ban one book, you can challenge them all under the most ridiculous of pretexts: *The Lorax* portrays the timber industry in a negative light! 'Readers, librarians, and all those books that have drawn a challenge have a brand new hero in Amy Ann Ollinger . . . Stand up and cheer, book lovers. This one's for you.' Kathi Appelt, Newbery Honor winning author of *The Underneath* 'Ban This Book is absolutely brilliant and belongs on the shelves of every library in the multiverse.'
