Nine Ways God Always Speaks Mark Herringshaw, Jennifer Schuchmann, 2009 Whether Christian or not, many people have unusual experiences, conditions, or encounters that have left them wondering, Is God trying to tell me something? The truth is, God does communicate with us all the time. We just need to learn how to hear his voice. Using stories and examples from people throughout history and today, Herringshaw and Schuchmann show readers how they can better tune in to God's voice—everywhere and every day.

Believing Scientists Quotes Fernando José Walsh, 2021-02-13 The main exponents of science are or have been profound believers in God, the Creator of the universe. In this work the reader will find hundreds of phrases emitted by many of them that speak of their faith convictions; and of the relationship between faith and its science. They are mostly recognized scientists who believe not only in one God, but expressly in the God of the Bible. With this book the author continues with the task begun in *The Lord of the two books* to revive an old, but current idea, that the Creator communicates with human beings through two books of His authorship: Nature (general revelation) and the Bible (special revelation). “The Creator has given two books to the mankind. In one has shown His majesty, in another - His will ... The two books together inform us not only about the existence of God, but also about His indescribable blessings for us. It is a sin to sow among them weeds and discontent”. Mikhail Lomonosov (1711-1765), father of Russian science.

George Washington Carver William J. Federer, 2003 Federer discusses how the evolution of the American tolerance for various religious beliefs evolved into intolerance of traditional Judeo-Christian belief.

The Majesty of God's Law W. Cleon Skousen, Someday, God's law is coming to America. It could come rapidly after a period of cleansing and reform. It might even happen in our day. And since Moses said it would eventually transpire, there needs to be a generation of Americans trained and motivated to put it into effect. Dr. Skousen has carefully outlined the entire code of God's law in this book. Under this judicial system there are only about a hundred statutes required to govern a community, a state, a nation or the world if these guidelines are in the hands of wise and virtuous judges. Learn which political ideas are in tune with God's law so you can support them. Understand why political ideas contrary to God's law simply don't work. See just how marvelous life in America will be once God's majestic law is established here.

The Majesty of God's Law: Its Coming to America , The Majesty of God's Law is a study of the history and development of the only system of law which was revealed by God, himself. That is why it is called "God's Law." The Psalmist described the supreme excellence of God's law when he said: "The law of the Lord is perfect, converting the soul: the testimony of the Lord is sure, making wise the simple. The statutes of the Lord are right, rejoicing the heart: the commandment of the Lord is pure, enlightening the eyes." (Psalms 19:7-8) The entire code of God's law is carefully enunciated in the five chapters of this book. Under this judicial system there are only about a hundred statutes required to govern a community, state, a nation, and the world. But this is only possible when these laws are in the hands of the wise and virtuous judges. In order to make the system work, the people must be taught the law and then they must enter into a solemn covenant to honor and sustain the precepts. When Moses gave this law to the ancient Israelites, he said it could make them most peaceful, prosperous and powerful people in the World. However it was revealed to Moses that the people of the age would violate its precepts. He then learned that it would not be until the latter days that this law would be lived the way it was originally designed. The American Founding Fathers picked up on that promise because it appeared to them that it would be in this choice land where this great promise would one day be fulfilled. Nevertheless, they recognized that the Constitution was the indispensable foundation for such an inspired system of prosperity, justice, and peace. When they saw the Constitution would gradually unravel, they knew that this character of liberty would have to be restored in all its pristine power by some future generation. And they knew this would have to occur before God's law could be inaugurated. Someday, God's law is coming to America. It could come rapidly after a period of cleansing and reform, even in our day. And since Moses said it would eventually transpire, there needs to be a generation of Americans trained and motivated to put it into effect. Dr. Skousen has prepared this present study in hopes that it might be of assistance.

The God of Dirt Thomas Wingate Mann,2004 Winner of the Pulitzer Prize for American Primitive, Mary Oliver has published twelve books of poetry and five books of essays. Her poems are quoted in everything from Web sites to hymn books. Earthlight, a Magazine of Spiritual Ecology, has declared her an earth saint. In this engaging study, Mann shows Oliver to have keen eyes and ears for reading the book of nature. Readers will discover that the correspondence between Oliver's poetry and traditional religious language provides a fresh perspective from which to enjoy her work. Here there is a god, but one who at first seems unrecognizable, at least to Judeo-Christian religious tradition. We know of the God of heaven, and even the God of heaven and earth, but a god of dirt? Oliver's reading of the Other Book of God invites us into nature's temple where we may come into the presence of the holy and from which we may leave rejuvenated and blessed. God of Dirt is an important study of a contemporary poet whose work is as likely to be read by a preacher in a pulpit as by an activist at an environmental rally, and will help us experience a new vision of the beauty of our world.

Perils of Life Lorna Lumpris,2014-12 Don't Have a Pity Party... Throw a Faith Fest Finding Hope in God's Word Lorna Lumpris thought her world had ended when she was downsized from her six-figure-salary corporate position. Instead, she found herself embarking on the adventure of her life. During an extended period of unemployment, Lorna came to know and trust God in a way she had never thought possible. Though she had been a faithful churchgoer for years, she had not seriously studied God's Word until she faced a series of overwhelming financial and family setbacks. When she did not have a leg to stand on, she discovered she could rest on the truth of the Bible. Now she wants others to find and grow in the same confidence that God can direct, protect, and provide for you as you trust Him to speak through the pages of scripture. From her years of study and personal, supernatural experiences with God, Lorna explains how you can find hope in the most challenging circumstances, as you look to the Bible.

The Interesting History of Income Tax William J. Federer,2004 The Interesting History of Income Tax William J. Federer The only things certain are death and taxes - Benjamin Franklin Yet few know America's interesting history of Income Tax, such as: *1787 - U.S. Constitution prohibited a direct Federal tax *1862 - Revenue Tax on incomes went into effect to finance the Union during the Civil War *1895 - Supreme Court made Income Tax unconstitutional *Woodrow Wilson thought tariffs on imports caused wars, so he worked to replace them with an Income Tax. *1913 - Income Tax was only a 1% tax on the top 1% richest people in America. *1943 - Paycheck Withholding began as an emergency effort to get funds to finance WWII. Bringing Jesus into Perspective Courage Mungoni,2015-08-18 We are living in a post-modern era whereby many religions are springing up everywhere, families are being disintegrated because of modernization, and there is an influx of fast hypertechnology. Many mysteries are taking place that man cannot explain, such as missing planes like Malaysia MH370 and major headlines on CNN and other reputable media houses reporting of wars and rumors of wars. In the midst of great confusion and hopeless situations, its time to bring back Jesus into perspective. This book outlines clearly the person and principles of Jesus Christ as the only ultimate answer to all the challenges that humanity is facing.

God Our Provider Bruce Cardin,2023-07-28 God Our Provider speaks of a few of the many wonderful provisions and blessings that are ours in Christ Jesus. In the book of James, we are told that every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning (James 1:17 KJV). God's blessings for our life are consistent. What God provides is real. If we are not careful, we can settle for substitutes that do not satisfy. God Our Provider is a book that offers encouragement because its focus is the Word of God. From his Word, we will see that life with God is possible and that his life is to be lived out every day in our life. His provisions of strength, peace, hope, and faith are not only sufficient. They are necessary. God Our Provider is a book that shows that our relationship with God is important and that relationship has a positive impact upon our actions with other people.

Y'all Have Sinned Eddie Huff,2022-06-01 Recently, Black America has been portrayed as the most maligned and persecuted people group in history, and the perpetrators have been identified as Europeans and their descendants. While the treatment of black people, worldwide and in America, by Europeans was terrible to say the least, it is the lack of forgiveness for those past sins which holds the descendants of African slaves in bondage today. Facing the truth about our own sins and forgiveness is the key to true freedom and prosperity for all of mankind, and especially those in America, black, white, brown and anyone else.

Good stuff for your heart & mind - a book of quotes (second edition) Rick Reed, PhD, 2016-10-11 a simple book of quotations compiled for a couple of great kids.

Just Call Me Dad James W. Minton Sr. Jim, 2019-02-05 Do kids come with an owner's manual? This book is about Jim Minton's journey of figuring out how to raise his kids and learning a lot about himself in the process. When Jim's children were born, he focused on raising Division I athletes who would make him look good. He started off as that obnoxious dad we have all witnessed at sporting events. He ended up with thirteen principles for improving himself, plus three amazing kids who bring him great joy as they walk in the truth. Jim loves good quotes. He kept a list on the refrigerator as his kids grew up, many of them coming from legendary basketball coach John Wooden. Jim knew his kids were going to find the bad stuff on their phones and in the culture; it was up to him to get the good stuff in front of them. Along the way, Jim discovered that the Bible is the owner's manual he was looking for.
